Lovena's letter is filled with words of wisdom, hope and gratitude. Some of the thoughts allow me to draw inspiration from as a writer. Having reminders for myself allows me to grow as an individual. These words that Lovena have mentioned "You don't need to be perfect because perfect is fantasy". This is so true in many ways, as we all wish for that fantasy in our life. Even my own fantasy for self actualisation can be fruitful in so many ways. Lovena really makes you feel that her words are a lesson for all of us to follow. As a fellow contributor with Lovena, I have appreciated and stood by the lessons that she has taught, and her Letter in this book is a reflection of that. - David Vine
