The Secret Female Hormone - Kathy C. Maupin, M.D. 2014-03-03

"The Secret Female Hormone is a must read for women today! Hormones should always be evaluated in unity, and testosterone is almost always overlooked. The authors tell the truth

about how hormone imbalances truly affect women - not only their energy, their vitality and their libido but also their family relationships and self-esteem. This book will be a resource for women for years to come!" - Marcelle Pick, author of Is It Me or My Hormones? and The Core Balance Diet. Leading experts show why testosterone hormone imbalance could be the vital connecting factor in a wide variety of health issues for women in midlife. You know the experiences all too well. You can't sleep, so you start your day feeling exhausted. Seemingly overnight, you can't remember names, places, appointments—things you could previously recite at the drop of a hat. You want to be more active, but you have zero energy for that. And

sex? Forget it! By now, you've probably been told this is "normal," or that it's the "natural" course of aging. And you might even believe it, because so many women approaching midlife have the exact same symptoms. In fact, millions of women worldwide are undiagnosed and untreated for hormone imbalance deficiency. As one of the country's leading experts on hormonal balance—and as a woman who experienced these symptoms herself—Dr. Kathy Maupin has identified a debilitating and overlooked health condition: testosterone deficiency syndrome, or TDS. Most people associate testosterone with men, but it's one of the most vital hormones in women, and one of the first hormones that women begin to lose as they enter their 40s. And Dr. Maupin's own research has shown that the symptoms of aging—fatigue, memory loss, moodiness, low libido, and so much more—are initiated and accelerated by testosterone loss. In this book, Dr. Maupin and therapist Brett Newcomb show how testosterone replacement

can radically improve your life. They share the history and background of hormone replacement therapy, the latest research on treatment options, as well as:

- Tips for dealing with mood swings, changes in sex drive, and maintaining healthy relationships
- Surprising information on the long-term effects and health risks of testosterone loss
- Common myths and misconceptions regarding estrogen and testosterone replacement therapy
- Questionnaires to help you determine your individual hormone deficiencies
- Real stories and personal experiences Dr. Maupin's patients share clear, practical, and easy-to-use, this authoritative guide sheds light on the importance of testosterone and will help you reclaim your physical, mental, emotional, and spiritual health.

Urogynecology in Primary Care - Patrick J. Culligan 2007-03-06

This book offers an approachable, in-depth

reference on the core topics in urogynecology and female pelvic health - incontinence, pelvic prolapse, pelvic pain and sexual dysfunction - specifically tailored to clinicians without formal surgical or specialty training. Each aspect of diagnosis and treatment is presented in a clear and simple style, introducing streamlined strategies that can be implemented in any primary care setting. Original illustrations, key points at the end of each chapter, and 'clinical pearls' from experts in the field all help to make this the most practical and user-friendly guide available.

**How to Satisfy Your Woman** - Larry Lewitan 2010-08

Why are most women unhappy with their man's performance in bed? Why do most men not have a clue how to sexually satisfy their woman? The author maintains that sexual unhappiness in a relationship is caused by the man's lack of experience, knowledge and understanding when it comes to satisfying his woman. He also

maintains that sex is the most important pillar in a relationship, and that without good sex no relationship can survive! These are strong statements, and the book offers powerful solutions by going to the root cause of sexual unhappiness among couples. Written in explicit, uninhibited language, the kind that men can understand, this is an uncensored guidebook that instructs men on how to satisfy their woman. It holds nothing back. The sexual techniques that it details, as well as the wisdom that it presents, will allow men to be able to sexually satisfy their woman the way she dreams of being satisfied. Women will read it too. They'll enjoy the tongue-in-cheek humor and be thrilled that one of the world's best kept secrets (how to make love to a woman) is finally coming out of the closet. If their men don't buy this book, it's certain they'll be buying it for them.

*Facing the Complexities of Women's Sexual Desire* - Vera S. Maass 2006-11-22

This book focuses on a problem frequently encountered by sex and family therapists, psychologists and primary care physicians: women's sexual desire or lack thereof. The book covers both research and clinical interventions, and outlines factors that contribute to the decline in sexual desire in women of various ages. The text describes therapeutic steps which can be undertaken with the guidance of a therapist or by the woman herself.

**Thinking Sexy** - Amanda Lowe 2005-07-22

Thinking Sexy explores subconscious and deep-seated attitudes and defences that can prevent a woman from enjoying her sex life to the full. This is not a prescriptive book but one which will help the reader to open her mind to more opportunities which can enliven a flagging sex life or make her intimate moments even more exciting.

**How to Make Women Mad Over You - Albert**

SON 2020-07-06

"Treat a lady like a prostitute, and treat a prostitute like a lady." This book contains information that, I have no doubt, will cause you an emotional upsurge and teach you to achieve unforgettable sexual pleasure. This book is not written for "super macho", but for the simplest guy, a guy who wants to be a successful lover, have fun himself and bring sexual joy to his partner. After reading this book you will learn many new and useful secrets, replenish the baggage of your sexual knowledge with new ways and tricks that will help you become a sexually sought after the man who is appreciated and loved by women. It's not enough just to meet the woman of your dreams (I don't try to reveal the topic of the search for "women of dreams" in my book, there are many other works for this), you need to have a lot of sexual and psychological knowledge and be able to apply it, spend the effort to work on yourself, so that learn to achieve "killer orgasms"! I will teach you

how to make women "rave" you. Read the book carefully, and competition is not a hindrance. The book will dispel your sexual doubts and make you both tremble with sexual pleasure and receive multiple "killer orgasms." I hope my book will help reduce the percentage of unsatisfied women and increase the percentage of men satisfied with themselves. Orgasm and the accompanying sweet sensations can be quite modest but can be multiple, lengthy, "murderous", accompanied by loud cries and resemble the eruption of a small volcano. Scientists' studies show that after such killer orgasms, both a man and a woman have such a state of relaxation, complacency, calmness, which does not give any of the psychotherapeutic techniques in the world. You will learn many secrets from this book, but it's more important to learn how to use them at the right time to become the best lover that your woman has ever had. Good luck!

**Quantum Love** - Laura Berman, Ph.D.

2017-02-07

Falling in love is a thrilling, transcendent experience . . . but what about staying in love? Once the intense excitement of a new relationship starts to fade, you may think your only options are to somehow recapture that early magic or settle for a less than fulfilling love life. Now love, sex, and relationship expert Laura Berman, Ph.D., taps the latest scientific and metaphysical research to offer an inspiring alternative: a higher level of love beckoning you to move forward, not backward. Using the essential truth we've learned from the study of quantum physics—the fact that at our molecular core, each of us is simply a vessel of energy—Dr. Berman explains how you can use what's happening in your inner world to create a level of passion, connection, and bliss in your relationship that you've never imagined possible. Drawing on her clinical practice and case studies as well as her personal journey, she guides you to:

- Plot your unique energetic

frequency of love with her Quantum Lovemap

- Work consciously with the energy of your body, heart, and mind
- Make four key commitments designed to raise your energetic profile
- Bring your frequency into harmony with your partner's so that you can grow together
- Learn how to have Quantum Sex (which is every bit as good as it sounds)

Quantum Love is the best possible experience of love, and it's available to absolutely everyone, whether you're seeking a mate, in a relationship that's struggling, or just finding that love has turned lackluster through the stresses of life. You can't go back to the honeymoon phase, but there is something so much better within your reach. Quantum Love lets you reach new heights of intimacy as you gain a fuller sense of purpose in life and love.

*The Passion Prescription* - Laura Berman  
2006-02-01

The definitive guide to a sexual makeover for women of all ages. In *The Passion Prescription*, Dr. Laura Berman, the nation's leading sex therapist, offers women a step-by-step guide for making over their sex lives in just 10 weeks. Whether married or single, young or old, every woman can find the tools to create the sex life she wants and deserves. Each chapter explores a different facet of women's sexuality, including tailored recommendations and 'homework,' designed to deliver every woman to sexual satisfaction at the end of the 10 weeks. And

since sex is always a couples issue, a Guy's Guide at the end of each chapter summarizes the key points that he needs to know. Dr. Berman also fills in the information gap about medical interventions for women's sex lives. She offers women up-to-the-minute medical guidance for optimizing their sexual health. Her approach includes quizzes for getting to the root of specific sexual challenges and resources for finding the care women need. This ultimate sexual makeover guide includes results from two groundbreaking new studies. One sheds light on the myths surrounding vibrators, letting all women in on the secret benefits that vibrators hold for their sex lives-including enhanced libido, better relationships, and even better quality of life. The second study introduces women to the little-discussed concept of genital self-image and how it affects their sexual satisfaction.
