The Lying Life of Adults - Elena Ferrante 2021-11-03

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post - O, The Oprah Magazine - TIME Magazine - NPR - Financial Times - New York Post - Kirkus Reviews - Harper's Bazaar AN INSTANT NEW YORK TIMES BESTSELLER - A NATIONAL INDIE BESTSELLER In this powerful novel set in a divided Naples by Elena Ferrante, the New York Times best-selling author of My Brilliant Friend, fourteen-year-old Giovanna is searching for her reflection in two kindred cities that fear and detest one another: Naples of the heights, which wears a mask of refinement, and Naples of the depths, a place of excess and vulgarity, where her guide is the unforgettable Aunt Vittoria. With this new novel about the passage from childhood to adolescence to adulthood, Ferrante gives her readers another gripping, highly addictive, Neapolitan story. "Another spellbinding coming-of-age tale from a master."--People Magazine

A Matter of Life and Sex - Oscar Moore 1993-06-01

The product of a British middle-class upbringing, Hugo Harvey is liberated from his bland suburban existence by his homosexual experiences, but his pursuit of homosexual sex in London also ultimately destroys him

Three Women - Lisa Taddeo 2020-11-12

The International No. 1 Bestseller 'Cuts to the heart of who we are' Sunday Times 'A book that begs discussion' Vanity Fair All Lina wanted was to be desired. How did she end up in a marriage with two children and a husband who wouldn't touch her? All Maggie wanted was to be understood. How did she end up in a relationship with her teacher and then in court, a hated pariah in her small town? All Sloane wanted was to be admired. How did she end up a sexual object of men, including her husband, who liked to watch her have sex with other men and women? 'I will probably re-read it every year of my life' Caitlin Moran 'Will have millions nodding in recognition' The Times 'As gripping as the most gripping thriller' Marian Keyes 'When I picked it up, I felt I'd been waiting half my life to read it' Observer 'The kind of bold, timely, once-in-a-generation book that every house should have a copy of, and probably will before too long' New Statesman The book Phoebe Waller-Bridge, Alexa Chung, Jodie Comer, Reese Witherspoon, Harry Styles, Fearne Cotton, Caitriona Balfe, Gwyneth Paltrow, Sharon Horgan, Zoe Ball, Rosie Huntington-Whiteley, Davina McCall, Gemma Chan, Christine and the Queens and Gillian Anderson are all reading

My Unwritten Books - George Steiner 2009

George Steiner, the eminent professor of English at Cambridge and Geneva universities, has outlined seven books he has never written, but has always wanted to write, in seven sections. In this fiercely original and audacious work, George Steiner tells of seven books which he did not write. Because intimacies and indiscretions were too threatening. Because the topic brought too much pain. Because its emotional or

intellectual challenge proved beyond his capacities. The actual themes range widely and defy conventional taboos: the torment of the gifted when they live among, when they confront, the very great; the experience of sex in different languages; a love for animals greater than for human beings; the costly privilege of exile; a theology of emptiness. Yet a unifying perception underlies this diversity. The best we have or can produce is only the tip of the iceberg. Behind every good book, as in a lit shadow, lies the book which remained unwritten, the one that would have failed better.

Indian Sex Life - Durba Mitra 2020-01-07

"During the colonial period, Indian intellectuals--philologists, lawyers, scientists and literary figures--all sought to hold a mirror to their country. Whether they wrote novels, polemics, or scientific treatises, all sought a better understanding of society in general and their society in particular. Curiously, female sexuality and sexual behavior play an outside role in their writing. The figure of the prostitute is ubiquitous in everything from medical texts and treatises on racial evolution to anti-Muslim polemic and studies of ancient India. In this book, Durba Mitra argues that between the 1840s and the 1940s, the new science of sexuality became foundational to the scientific study of Indian social progress. The colonial state and an emerging set of Bengali male intellectuals extended the regulation of sexuality to far-reaching projects that sought to define what society should look like and how modern citizens should behave. An exploration of this history of social scientific thought offers new perspectives to understand the power of paternalistic and deeply violent claims about sexual norms in the postcolonial world today. These histories reveal the enduring authority of scientific claims to a tradition that equates social good with the control of women's free will and desire. Thus, they managed to dramatically reorganize their society around upper-caste Hindu ideals of strict monogamy"--

Mind the Gap - Karen Gurney 2020-03-05

'This book taught me so much about female desire. A must read!' Cherry Healey Did you know that there is an orgasm gap of around 30% between heterosexual couples when they have sex? In Mind The Gap, Dr Karen Gurney, a clinical psychologist and certified psychosexologist, explores not just this gap, but the gaps in our knowledge of so much of the most important new science around sex and desire. In this book, you will learn that nearly everything that you've been led to believe about female sexuality isn't actually true. And that, despite what you might think, it is possible to simultaneously feel little to no spontaneous desire and have a happy and mutually satisfying sex life long term. Exploring the mismatch between ideas about sex in our society and what the science tells us, Mind The Gap also explains how this disconnect lies at the root of many of our sexual problems. Combining science with case studies, practical exercises and tips, this is a book for anyone who wants to better understand the mechanics of desire and futureproof their sex

life, for life.

A Touch of Jen - Beth Morgan 2021-07-13

A young couple's toxic Instagram crush spins out of control and unleashes a sinister creature in this twisted, viciously funny, "bananas good" story (Carmen Maria Machado). "Um, holy shit...This novel will be the most fun you'll have this summer." —Emily Temple, Literary Hub Remy and Alicia, a couple of insecure service workers, are not particularly happy together. But they are bound by a shared obsession with Jen, a beautiful former co-worker of Remy's who now seems to be following her bliss as a globe-trotting jewelry designer. In and outside the bedroom, Remy and Alicia's entire relationship revolves around fantasies of Jen, whose every Instagram caption, outfit, and new age mantra they know by heart. Imagine their confused excitement when they run into Jen, in the flesh, and she invites them on a surfing trip to the Hamptons with her wealthy boyfriend and their group. Once there, Remy and Alicia try (a little too hard) to fit into Jen's exalted social circle, but violent desire and class resentment bubble beneath the surface of this beachside paradise, threatening to erupt. As small disturbances escalate into outright horror, we find ourselves tumbling with Remy and Alicia into an uncanny alternate reality, one shaped by their most unspeakable, deviant, and intoxicating fantasies. Is this what "self-actualization" looks like? Part millennial social comedy, part psychedelic horror, and all wildly entertaining, *A Touch of Jen* is a sly, unflinching examination of the hidden drives that lurk just outside the frame of our carefully curated selves.

The Sexual Life of Catherine M. - Catherine Millet 2014-09-18

The sensational erotic memoir that shocked the world, now a Serpent's Tail Classic.

Has Anyone Seen My Sex Life? - Kristen Bailey 2020

Cleaving - Julie Powell 2011-10-27

Julie Powell's *Julie & Julia* is the story of the culinary blogging sensation that inspired the hit film. Julie Powell spent a year cooking her way through Julia Child's impossible *Mastering the Art of French Cooking*. Her experiences were recorded in the hilarious bestselling book and film *Julie and Julia*. But what she did next took even adventurous Julie by surprise. She trained as a butcher. Apprenticed at Fleisher's, she cut, chopped, hammered, sliced and cleaved her way through herds of meat; got splattered in gore; grew big muscles; and showed she has what it took to make it as a woman in a man's world. At the same time she embarked on a passionate, red-blooded affair that threatened her marriage, and, at times, her sanity. 'A remarkable confessional of butchery and adultery' Harper's Bazaar 'Highly readable . . . beautiful writing, effortlessly filling pages with virtuoso descriptions of animal slaughter and human travail' Sunday Times 'Powell makes you see how butchery might be enjoyable, even cathartic' Spectator Julie Powell started to entertain readers on her infamous blog, on which she pledged to cook all the recipes from Julia Child's iconic cookbook *Mastering the Art of French Cooking*. The blog achieved a dedicated following and, as a result of this, it evolved into *Julie & Julia* - a novel which connects Julie's blog to a reworking of Julia Child's biography. *Julie & Julia* was adapted for film by Nora Ephron in 2009 and starred Meryl Streep and Amy Adams.

44 Chapters About 4 Men - BB Easton 2019-11-19

One woman's secret journal completely changes her marriage in this hilarious and biting memoir—the inspiration for the Netflix Original Series *SEX/LIFE*. School psychologists aren't supposed to write books about sex. Doing so would be considered "unethical" and "a fireable offense." Lucky for you, ethics was never my strong suit. *Sex/Life: 44 Chapters About 4 Men* is a laugh-out-loud funny and brutally honest look at female sexuality, as told through the razor-sharp lens of domesticated bad girl BB Easton. No one and nothing is off limits as BB revisits the ex-boyfriends—a sadistic tattoo artist, a punk rock parolee, and a heavy metal bass player—that led her to finally find true love with a straight-laced, drop-dead-gorgeous . . . accountant. After settling down and starting a family with her perfectly vanilla "husbot," Ken, BB finds herself longing for the reckless passion she had in her youth. She begins to write about these escapades in a secret journal, just for fun, but when Ken starts to act out the words on the pages, BB realizes that she might have stumbled upon the holy grail of behavior modification techniques. The psychological dance that ensues is nothing short of hilarious as BB wields her journal like a blowtorch, trying to light a fire under her cold, distant partner. Sometimes it works, sometimes it doesn't, but in the end, BB learns that the man she was trying so hard to change was perfect for her all along.

How To Think More About Sex - Alain de Botton 2012-05-10

Think more about sex by thinking about it in a different way. In this rigorous and supremely honest book Alain de Botton helps us navigate the intimate and exciting - yet often confusing and difficult - experience that is sex. Few of us tend to feel we're entirely normal when it comes to sex, and what we're supposed to be feeling rarely matches up with the reality. *How To Think More About Sex* argues that 21st-century sex is ultimately fated to be a balancing act between love and desire, and adventure and commitment. Covering topics that include lust, fetishism, adultery and pornography, Alain de Botton frankly articulates the dilemmas of modern sexuality, offering insights and consolation to help us think more deeply and wisely about the sex we are, or aren't, having. Discover more books from *The School of Life: How to Stay Sane* by Philippa Perry *How to Find Fulfilling Work* by Roman Krznaric *How to Worry Less About Money* by John Armstrong *How to Change the World* by John-Paul Flintoff *How to Thrive in the Digital Age* by Tom Chatfield *How to Think More About Sex* by Alain de Botton

Come As You Are: Revised and Updated - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

The God Argument - A. C. Grayling 2014-01-01

The first book to deal with all the arguments against religion and, equally important, to put forward an alternative - humanism

Make Over Your Sex Life... Tonight! - Susan Crain Bakos 2005

A leading expert in human sexuality and the author of *Sexational Secrets* combines unconventional advice and illuminating anecdotes to explain how to transform one's sex life, discussing such topics as fantasy fulfillment, foreplay, and how to put passion into one's life. Original.

Getting Your Sex Life Off to a Great Start - Clifford Penner 1994-11-10

Many couples put more planning into the wedding ceremony than they do for what comes after the wedding. Intelligent, deliberate preparation for a lifetime of sexual leasure is a worthy investment you won't regret. In *Getting Your Sex Life Off to a Great Start*, renowned sexual counselors and best-selling authors Clifford and Joyce Penner guide you through an encouraging process that begins by dispelling sexual myths and then guides you in getting to know yourself and each other emotionally and physically. With reassuring enthusiasm and straightforward advice, the Penners show you how to clarify your expectations and pursue the joyous marital passion described in Scripture. Through creative, step-by-step exercises and easy-to-understand examples, you'll learn how to: Design a successful honeymoon Prepare for your first sexual time together Choose and use family planning Create a mutually enjoyable wedding night Get past disappointments Keep the spark alive Thousands of couples have discovered the marvelous gift of a positive sexual relationship through the Penners' helpful books and enlightening seminars. As your wedding day nears-or even if you're already newlyweds-this extraordinary book will help you get your sex life off to a great start.

Tomorrow Sex Will Be Good Again - Katherine Angel 2021-03-02

A provocative, elegantly written analysis of female desire, consent, and sexuality in the age of MeToo Women are in a bind. In the name of consent and empowerment, they must proclaim their desires clearly and confidently. Yet sex researchers suggest that women's desire is often slow to emerge. And men are keen to insist that they know what women—and their bodies—want. Meanwhile, sexual violence abounds. How can women, in this environment, possibly know what they want? And why do we expect them to? In this elegant, searching book—spanning science and popular culture; pornography and literature;

debates on Me-Too, consent and feminism—Katherine Angel challenges our assumptions about women’s desire. Why, she asks, should they be expected to know their desires? And how do we take sexual violence seriously, when not knowing what we want is key to both eroticism and personhood? In today’s crucial moment of renewed attention to violence and power, Angel urges that we remake our thinking about sex, pleasure, and autonomy without any illusions about perfect self-knowledge. Only then will we fulfil Michel Foucault’s teasing promise, in 1976, that “tomorrow sex will be good again.”

Future Sex - Emily Witt 2017-01-03

Emily Witt is single and in her thirties. She has slept with most of her male friends. Most of her male friends have slept with most of her female friends. Sexual promiscuity is the norm. But up until a few years ago, she still envisioned her sexual experience achieving a sense of finality, 'like a monorail gliding to a stop at Epcot Center'. Like many people, she imagined herself disembarking, finding herself face-to-face with another human being, 'and there we would remain in our permanent station in life: the future'. But, as we all know, things are more complicated than that. Love is rare and frequently unreciprocated. Sexual acquisitiveness is risky and can be hurtful. And generalizing about what women want or don't want or should want or should do seems to lead nowhere. Don't our temperaments, our hang-ups, and our histories define our lives as much as our gender? In *Future Sex*, Witt captures the experiences of going to bars alone, online dating, and hooking up with strangers. After moving to San Francisco, she decides to say yes to everything and to find her own path. From public health clinics to cafe conversations about 'coregasms', she observes the subcultures she encounters with awry sense of humour, capturing them in all their strangeness, ridiculousness, and beauty. The result is an open-minded, honest account of the contemporary pursuit of connection and pleasure, and an inspiring new model of female sexuality - open, forgiving, and unafraid.

Look at Us - T. L. Toma 2021-10-12

A marriage is transformed by a new arrival “*Look at Us* is a scrupulous dissection of a contemporary marriage in mortal peril. It’s also a wild ride of a novel, gorgeously written, by turns comic, lyrical, elegiac, disturbing, and profound. I couldn’t put it down until the startling conclusion.” —Valerie Martin, author of *Property* and *I Give It to You* Martin, a market analyst, and Lily, a corporate attorney, have a life that many would envy—they share an expensive New York apartment with their twin toddlers, sample the delicacies of Manhattan’s finest restaurants, and take Caribbean vacations. But when the couple’s nanny announces her imminent departure, they panic: how will they ever find a replacement capable of managing their spirited boys? Enter Maeve, a young Irish émigré. Neither of them imagines how indispensable she will become, either to the household or to their marriage. As the family’s domestic bliss takes an unexpected turn, a different type of intimacy evolves, leading to an explosive finale. A captivating, trenchant portrait of class and sexual dynamics, *Look at Us* reveals just how fragile our social arrangements really are. T. L. Toma lives with his wife in Portland, Texas.

Sex Before the Sexual Revolution - Simon Szreter 2010-10-14

What did sex mean for ordinary people before the sexual revolution of the 1960s and 1970s, who were often pitied by later generations as repressed, unfulfilled and full of moral anxiety? This book provides the first rounded, first-hand account of sexuality in marriage in the early and mid-twentieth century. These award-winning authors look beyond conventions of silence among the respectable majority to challenge stereotypes of ignorance and inhibition. Based on vivid, compelling and frank testimonies from a socially and geographically diverse range of individuals, the book explores a spectrum of sexual experiences, from learning about sex and sexual practices in courtship, to attitudes to the body, marital ideals and birth control. It demonstrates that while the era’s emphasis on silence and strict moral codes could for some be a source of inhibition and dissatisfaction, for many the culture of privacy and innocence was central to fulfilling and pleasurable intimate lives.
