reached down and gently ran my fingers through his hair before suddenly gripping it. "Say that love isn't just for chumps." I tugged on his hair to emphasize my point. "This is coercion," Ettore said. "This is dominance. Now say that love isn't just for chumps." "You'll never make me talk," he said and lifted an eyebrow. I squeezed with my legs and pulled his hair again before leaning down, my face inches from his. "Too bad you don't have a safe word." I kissed him, hard and then bit his bottom lip even harder before pulling his hair again. "Say it!"

[The Sassy Submissive](#) - Golden Angel 2018-01-27

A Dom with trust issues and a submissive pretending to be something she's not... what could possibly go wrong? After years of reading but never doing, Angel is finally ready to explore

her fantasies in real life. The only problem? She'll have to learn the ropes at Chained, a local BDSM club, all alone. Adopting a false Domme persona, she dips her toes into the water of BDSM and sets her sights on eventually taking the plunge at yet another club, Stronghold, as a submissive. But there's an unexpected complication: on the very first night of her experiment, she finds herself irresistibly attracted to one of the true Doms. Master Adam's looking for a submissive, not another dominant. When his path crosses with an unfamiliar face at Chained, he's immediately intrigued, but ultimately disappointed when she introduces herself as 'Mistress'. It's a perfectly ordinary encounter, but days later Adam still can't get the beguiling woman out of his head. When the two reconnect at Stronghold without any pretense, their first scene together is nothing less than explosive. This book contains steamy hot scenes, so only enter the club if you're ready to play. The Sassy Sub is the

Safeword - A. J. Rose 2013-08-26

Everywhere Detective Gavin DeGrassi looks he's reminded of his attack by the Breath Play Killer. It's in the house he lives in with his partner and Dom, Ben Haverson. It's in the sympathetic yet pitying looks he receives from his fellow detectives when he returns to the force after a

year-long hiatus. It's in the suffocating coddling of his entire family, and the relentless reporter demanding an exclusive of his ordeal. Most of all, it's in his lack of submission to Ben, who isn't convinced Gavin's recovered enough to trust the power exchange between them. The miraculous recovery of two teen boys from a twisted kidnapper gives him heart, and Gavin's determined to prove he can handle anything despite increasing strain between him and Ben, painful nightmares, and panic when anyone touches him. But his next case is too close for comfort: a friend and colleague found raped and murdered in a fate chillingly similar to what could have been his own, and this killer isn't stopping with one cop. As the body count rises and taunting souvenirs are being hand-delivered to Gavin, he faces a frustrating lack of leads, a crushing need to prove himself, and a sinking suspicion the imprisoned kidnapper's reach is further than originally thought. A miasma of uncertainty and fear threaten to suffocate him

when he asks a question with which he's overwhelmingly familiar: what happens when a victim is pushed too far?
