

Sexual Life

Sex Life - Pamela Stephenson 2011

When did your sexual experiences start? Are you having more virtual sex than real sex? Can you have too much or not enough sex? What exactly is 'normal'? Bestselling author and leading sex therapist, Pamela Stephenson-Connolly takes us on an eye-opening journey to explode the myths and answer the embarrassing questions we've always wanted to ask about sex and our insatiable appetite for it. Drawing on the latest research and on hundreds of intimate interviews with ordinary people of all ages, appetites and backgrounds, Stephenson-Connolly reveals how the ever-present sexual force in each of us evolves throughout our lives, from our first months in the womb up right until our nineties.

She also shows that there is no such thing as 'normal' and that anything goes when it comes to sex as long as it is safe, sane and consensual. The result is an intimate portrait of our sexual selves that dispels the myths, guilt and mystery surrounding sex and our sexual urges. Hugely informative, always entertaining and at times shocking, this is arguably one of the most enlightening books on sex ever published. Read a sample chapter Meet Pamela on her author tour! [The Natural Laws of Sexual Life](#) - Anton Kristen Nyström 1908

The Sexual Life of Catherine M. - Catherine Millet 2014-09-18

The sensational erotic memoir that shocked the

world, now a Serpent's Tail Classic.

Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The Sexual Life of Savages in North-Western Melanesia - Bronislaw Malinowski 2017-07-12

Excerpt from *The Sexual Life of Savages in North-Western Melanesia: An Ethnographic Account of Courtship, Marriage and Family Life Among the Natives of the Trobriand Islands,*

British New Guinea In the nineteenth century the more sombre View prevailed. The explorers were now mainly English, and they carried with them the Anglo-Saxon Puritanism for which all sexual customs that are unfamiliar are either shocking or disgusting. Obscene was the word commonly used, and it was left to the reader's imagination to picture what that might mean. The sexual behaviour of savages seemed mostly unspeakable. The urethral sub incision practised by some Australian tribes was mysteriously named the terrible rite. A similar mutilation of the nose or ear, or anywhere a little higher up or a little lower down, would not have seemed terrible; but at that particular spot it aroused a shuddering and shame-faced awe. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. The Complete Guide to Reset and Boost Your Sexual Life - America Sex Handbooks 2020-10-29

Are you looking for new ways to enhance your sex life? Do you feel like you have simply been going through the motions lately and want to try something new? Have you considered the Kama Sutra as a way of exploring new positions? Sex is an important part of any relationship and is one of the cornerstones of having a successful one

that lasts. But often sex can become a routine function that is less exciting with each passing month. And it is often the case because of a lack of adventure between partners when it comes to their lovemaking. This book is an enlightening read for anyone who wants to improve their sex life, with tips and advice on: Making sure that communication is a central part of your sex life: Before and during foreplay Dirty Talk Kama Sutra The act of sex How to make yourself attractive Keeping things going once you've started And more... With this book you can change the way you not only conduct the act of sex, but also how you think about it and approach it. With clearly laid out information, even a beginner to the Kama Sutra will soon grasp a much better understanding and take their sex life to new heights. Scroll up now and click Add to Cart for your copy!

Lesbianism, Cinema, Space - Lee Wallace 2011-01-13

In this cutting edge volume, Wallace identifies a

unique trend in post-Production Code films that deal with lesbian content: stories of lesbianism invariably engage with an apartment setting, a spatial motif not typically associated with lesbian history or cultural representation. Through the formal analysis of five lesbian apartment films, Wallace demonstrates how the standard repertoire of visual techniques and spatial devices (the elements of mise-en-scène, favoured locations and sets, classical systems of editing, and the implied story world itself) are used to scaffold female sexual visibility. With its sustained focus on the filmic syntax surrounding lesbian representation on screen in the post-Production Code era, the book comprises an original contribution to queer film studies. In addition, Wallace also deploys its discussion of lesbianism and cinematic space to critique a number of tendencies in contemporary social theory, particularly the theoretical identification of public sex cultures as the basis for a queer counterpublic sphere.

The Sexual Life of Our Time in Its Relations to Modern Civilization - Iwan Bloch 1908

Getting Your Sex Life Off to a Great Start - Clifford Penner 1994-11-10

Many couples put more planning into the wedding ceremony than they do for what comes after the wedding. Intelligent, deliberate preparation for a lifetime of sexual leasure is a worthy investment you won't regret. In Getting Your Sex Life Off to a Great Start, renowned sexual counselors and best-selling authors Clifford and Joyce Penner guide you through an encouraging process that begins by dispelling sexual myths and then guides you in getting to know yourself and each other emotionally and physically. With reassuring enthusiasm and straightforward advice, the Penners show you how to clarify your expectations and pursue the joyous marital passion described in Scripture. Through creative, step-by-step exercises and easy-to-understand examples, you'll learn how

to: Design a successful honeymoon Prepare for your first sexual time together Choose and use family planning Create a mutually enjoyable wedding night Get past disappointments Keep the spark alive Thousands of couples have discovered the marvelous gift of a positive sexual relationship through the Penners' helpful books and enlightening seminars. As your wedding day nears-or even if you're already newlyweds-this extraordinary book will help you get your sex life off to a great start.

Blocks and Freedoms in Sexual Life - Ruth Skrine 1997

Doctors increasingly recognize that sexual unhappiness has serious effects on the health of individuals and families. Sexual function depends on our bodies and our minds and sexual problems may present with physical symptoms. Using case histories the book describes the practice of psychosexual medicine and explores the skills used by doctors therapists and counsellors. A systematic and comprehensive

examination of this field for the first time this book places psychosexual medicine in context with other therapies. For those working at all levels throughout primary care including doctors and nurses in general practice and in family planning clinics therapists and counsellors and for specialists in the fields of genito-urinary medicine gynaecology andrology and urology **Blocks and Freedoms in Sexual Life** is an essential reference and a tool for increasing the scope and effectiveness of their work.

Sexual Life of Primitive People - Hans Fehlinger 1921

The Janus Report on Sexual Behavior - Samuel S. Janus 1993

Is yesterday's kinky sex a part of today's mainstream sexual practice? Are political conservatives more, or less, sexually conservative than liberals? Do career women demand more varied sex from their partners than do homemakers? Not since Masters &

Johnson and Kinsey has there been such a sweeping survey of American sexuality.

Sex Before the Sexual Revolution - Simon Szreter 2010-10-14

What did sex mean for ordinary people before the sexual revolution of the 1960s and 1970s, who were often pitied by later generations as repressed, unfulfilled and full of moral anxiety? This book provides the first rounded, first-hand account of sexuality in marriage in the early and mid-twentieth century. These award-winning authors look beyond conventions of silence among the respectable majority to challenge stereotypes of ignorance and inhibition. Based on vivid, compelling and frank testimonies from a socially and geographically diverse range of individuals, the book explores a spectrum of sexual experiences, from learning about sex and sexual practices in courtship, to attitudes to the body, marital ideals and birth control. It demonstrates that while the era's emphasis on silence and strict moral codes could for some be

a source of inhibition and dissatisfaction, for many the culture of privacy and innocence was central to fulfilling and pleasurable intimate lives.

The Sexual Life of Woman in Its Physiological, Pathological and Hygienic Aspects (Classic Reprint) - E. Heinrich Kisch 2017-10-15

Excerpt from The Sexual Life of Woman in Its Physiological, Pathological and Hygienic Aspects
The sexual life of woman - the appearance of the first indications of sexual activity, the development of that activity and its culmination in sexual-maturity, the decline of that activity and its ultimate extinction in sexual death the entire process of the most perfect work of natural creation - has throughout all ages kindled the inspiration of poets, aroused the enthusiasm of artists, and supplied thinkers with inexhaustible material for reflection. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This

The Sexual Life of the Child - Albert Moll
2015-03-10

"[...]out in passing that there is a confusion here between procreative capacity and competence for sexual intercourse, for as a rule the first seminal emissions contain no spermatozoa. But, apart from such confusions, the term puberty is used in various senses. Thus, a second writer denotes by puberty the point of time at which the sexual development is completed; a third means by puberty the period which elapses

between the occurrence of the first involuntary orgasm and the completion of sexual development; a fourth uses the word to denote the entire period of life during which procreative capacity endures; and finally, a fifth includes under the notion of puberty the whole course of life after the[...]".

[Desexualisation in Later Life](#) - Simpson, Paul
2021-07-19

Despite evidence of a more sexually active 'third age', ageing and later life (50+) are still commonly represented as a process of desexualisation. Challenging this assumption and ageist stereotypes, this interdisciplinary volume investigates the experiential and theoretical landscapes of older people's sexual intimacies, practices and pleasures. Contributors explore the impact of desexualisation in various contexts and across different identities, orientations, relationships and practices. This enlightening text, reflecting international scholarship, considers how we can distinguish

the real challenges faced by older people from the prejudices imposed on them.

The Sexual Life of Our Time in Its Relation to Modern Civilization - Iwan Bloch 1928

Sexual Fields - Adam Isaiah Green 2013-12-17

In the late modern period, an unprecedented expansion of specialized erotic worlds has transformed the domain of intimate life.

Organized by appetites and dispositions related to race, ethnicity, class, gender, and age, these erotic worlds are arenas of sexual exploration but, also, sites of stratification and dominion wherein actors vie for partners, social significance, and esteem. These are what Adam Isaiah Green calls sexual fields, which represent a semblance of social life for which he offers a

groundbreaking new framework. To build on the sexual fields framework, Green has gathered a distinguished group of scholars who together make a strong case for sexual field theory as the first systematic theoretical innovation since queer theory in the sociology of sexuality. Expanding on the work of Bourdieu, Green and contributors develop this distinctively sociological approach for analyzing collective sexual life, where much of the sexual life of our society resides today. Coupling field theory with the ethnographic and theoretical expertise of some of the most important scholars of sexual life at work today, Sexual Fields offers a game-changing approach that will revolutionize how sociologists analyze and make sense of contemporary sexual life for years to come.
