**A Discourse on the Worship of Priapus** - Richard Payne Knight 1865

**Perilous Enlightenment** - George Sebastian Rousseau 1991

Paschal Beverly Randolph - John Patrick Deveney 1997-01-01

His most enduring claim to fame is the crucial role he played in the transformation of spiritualism, a medium's passive reception of messages from the spirits of the dead, into occultism, the active search for personal spiritual realization and inner vision.

**Sexual Symbolism** - Richard Payne Knight 2006-01-01

Comprising two works, this is a pioneering volume on a taboo subject. Characterized by a systematic approach, it has served as a foundation for subsequent studies.

**The Templars and the Assassins** - James Wasserman 2001-04-01

• An examination of the interactions of the Christian Knights Templar and their Muslim counterparts, the Assassins, and of the profound changes in Western society that resulted. • Restores the reputation of the secret Muslim order of the Assassins, disparaged as the world's first terrorist group. • Dispels many myths about the Knights Templar and provides the most incisive portrait of them to date. A thousand years ago Christian battled Muslim for possession of a strip of land upon which both their religions were founded. These Crusades changed the course of Western history, but less known is the fact that they also were the meeting ground for two legendary secret societies: The Knights Templar and their Muslim counterparts, the Assassins. In *The Templars and the Assassins: The Militia of Heaven*, occult scholar and secret society member James Wasserman provides compelling evidence that the interaction of the Knights Templar and the Assassins in the Holy Land transformed the Templars from the Pope's private army into a true occult society, from which they would sow the seeds of the Renaissance and the Western Mystery Tradition. Both orders were destroyed as heretical some seven hundred years ago, but Templar survivors are believed to have carried the secret teachings of the East into an occult underground, from which sprang both Rosicrucianism and Masonry. Assassin survivors, known as Nizari Ismailis, flourish to this day under the spiritual leadership of the Aga Khan. Wasserman strips the myths from both groups and penetrates to the heart of their enlightened beliefs and rigorous practices, delivering the most probing picture yet of these holy warriors.

**D.H. Lawrence** - Dolores LaChapelle 1996

This book will change the way you think about D. H. Lawrence. Critics have tried to define him as a Georgian poet, an imagist, a vitalist, a follower of the French symbolists, a romantic or a transcendentalist, but none of the usual labels fit. The same theme runs through all his work, beginning with his very first novel, *The White Peacock*, and ending with the last line of his final book, *Apocalypse*. Always it is nature. He said this over and over again, and no one - especially those who feared the "old ways" of harmonious and balanced living on the earth - understood him.

**Paralysin Cave** - Joseph A. McMahon 2018-07-17

This volume explores the literary representation of male sexual dysfunction and investigates how the natural and supernatural elements of an ancient folk medical system and the empowerment implicit in the text itself function in the *Satyrica* of Petronius.

Sheela-na-gigs - Barbara Freitag 2005-08-15

Here Barbara Freitag examines all the literature on the subject since their discovery 160 years ago, highlighting the inconsistencies of the various interpretations in regard to origin, function and name. By considering the Sheela-na-gigs in their medieval social context, she suggests that they were folk deities with particular responsibility for assistance in childbirth. This fascinating survey sheds new light on a controversial phenomenon, and also contains a complete catalogue of all known Sheela-na-gigs, including hitherto unrecorded or unpublished figures.

*Phallos* - Eugene Monick 1987

Through close examination of the physical, physiological and mythological aspects of phallos, the author differentiates masculinity from patriarchy and discovers a mysterious, divine reality coequal with the maternal principle as an originating force in the psyche.
