Ericka knows she's fallen for her dream lover and is devastated not only when she learns what he is, but also when she finds out that he will spend a lifetime as a tortured being for refusing to seduce her. She searches for hope for her and Aedan, doing everything she can to save him—but it may not be enough. Books and Suits S.C. Principale 2022-09-25 What happens when two best friends leave the friend zone behind? Amanda Gardella and Joel Martin were best friends growing up in the same suburban town. Secure in the knowledge that they could defy the stereotype that "boys and girls can't be best friends", they steadfastly resisted the lure of being high school steadies—even if they fed the rumor mill a little too much! They were sure they'd always have time for each other as adults—but Amanda followed the books, becoming a librarian at the local university. Joel

followed the suits, leaving town to join a high-pressure investment firm in the city. Time, distance, and a little bit of resentment that Books and Suits came between them, Amanda and Joel's close relationship dwindled to little more than wistful memories. Then, one day Joel's world gets turned upside down and he realizes there's only one person who can make things right again.

Gavin Powell was a mortal once, but that was a long time ago. Now he's the Lieutenant Commander in a supernatural militia created for one purpose; to terminate a creature so brutal and so

bloodthirsty, it is threatening to destroy all of mankind. The ancient feud between vampire and incubus must be forgotten, if either species is to survive.
