THE RESISTANCE STARTS HERE. No one speaks of the grace year. It's forbidden. We're told we have the power to lure grown men from their beds, make boys lose their minds, and drive the wives mad with jealousy. That's why we're banished for our sixteenth year, to release our magic into the wild before we're allowed to return to civilisation. But I don't feel powerful. I don't feel magical. Tierney James lives in an isolated village where girls are banished at sixteen to the northern forest to brave the wilderness - and each other - for a year. They must rid themselves of their dangerous magic before returning purified and ready to marry - if they're lucky. It is forbidden to speak of the grace year, but even so every girl knows that the coming year will change them - if they survive it... A critically acclaimed page-turning feminist dystopia about a young woman trapped in an oppressive society, fighting to take control of her own life. *New York Magazine* 1985-09-02 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

during a couples-therapy session in which a wife's unrelenting criticism of her husband was causing him to become emotionally withdrawn. In the midst of this, Dreyfus found herself scribbling on a scrap of paper, "Talk to me like I'm someone you love," and gestured to the husband that he should hold it up. He did and within seconds the familiar power differential between the two shifted, and a gentler, more genuine connection emerged. Dreyfus was startled, then intrigued, and then motivated to create a tool that could help others. This book features more than one hundred of Dreyfus's "flash cards for real life," written statements that express what we wish we could communicate to the person we love, but either can't find the right words or the right tone in which to say it. The statements include: • Taking responsibility: "I realize I'm overreacting. Can you give me a minute to get sane again?" • Apologizing: "I know I've really hurt you. What can I do to help you trust me again?" • Loving: "You are precious, and I get that I haven't been treating you like you are." A one-of-a-kind, practical relationship tool, Talk to Me Like I'm Someone You Love will help couples to stop arguing and begin healing.

**R.M. Ahmose Presents Tales You Never Saw Coming** Ahmose R. M. Ahmose 2010 R.M.

Ahmose's extensive background in psychology plays a key role in the three short stories presented in *R.M. Ahmose Presents Tales You Never Saw Coming*. Add this element to the keen observations taken from life in the inner city of Baltimore, and a plethora of knowledge gained from university classes, and the result is an imaginative, quirky collection of stories that elicit deep thought and expansive thinking. *R.M. Ahmose Presents Tales You Never Saw Coming* is a collection of three stories, each of which is meant to delight with its imaginativeness, quirkiness, and sometimes eyebrow-raising social commentary. While robots are the stated central characters in the lead story "Better Design," this tale actually highlights features of human society. "Saved" blends religion, devoutness, doubt, agnosticism, and ill fortune. The final story, "Psychotherapy and Desserts," presents a tale of intrigue based on an experience at a community mental health center. A

suspenseful collection of stories, R.M. Ahmose Presents Tales You Never Saw Coming pays heed to the idea that nothing is as it seems.

**The Proclamation of the Prophets** G. A. Williams 2022-08-25 This book is a series of sermons summarizing the books of prophecy in the Old Testament. I intend these sermons to be studied, preached, or used as Bible lessons or for simple reference. The books of prophecy express God's heart for His people, the Jews, and He chose them to be the primary vehicle of His message to mankind, as the initial means of fulfilling God's mission of redemption and His kingdom being established on earth. However, after repeated attempts to call His people back to that mission, God decided not to speak for four hundred years until John the Baptist showed up in Judea. The proclamation of the prophets is also a promise of victory for the people of God. The cry of God, in the words of Malachi, "Return to me and I will return to you," expresses God's commitment and unrelenting love for His people. This proclamation is not based on replacement theology, which assumes that the church has replaced the Jews. But instead on God's promise to restore His people. I hope you enjoy and are blessed with this work. Use it as a beginning point in your study and research. And in the end, may God be glorified and may you be enlightened.

**I Almost Ruined My Marriage** Eno Jerry 2017-09-12 At some point in my life, I prayed to God, believing that one day, I would be swept off my feet by my prince charming. I remember praying at a young age to be married to a man that loves God and has the fear of God in him. I knew what I wanted, or at best, I thought I knew what I wanted. Most times, we wish and pray for things without understanding that our wishes aren't as simple as they seem and may probably have their

implications. To pray for a prince charming, you need to be a princess beauty. The prince charming also has expectations of his bride and you need to fit that mould. Without knowing it, I carried a lot of baggage into my marriage. This load of baggage was capable of ruining my marriage. Wait a minute, did I say capable of ruining my marriage? Scratch that. This load of baggage almost ruined my marriage. In Proverbs 14: 1, the Bible says, "a wise woman builds her home but a foolish woman tears it down with her hands." Did you notice what the Bible says in that Scripture? The foolish woman does not need any kind of help pulling down her home. She can do it all by herself. Her own actions or inaction are enough to completely ruin her home. At some point in my life, I was this foolish woman. I know this probably sounds shocking but 'foolish' was what I was at that time. Sadly, there abound many foolish women who have destroyed their marriages and homes. Some others are in the process of destroying their marriages. Some marriages are being endured rather than enjoyed. Some married people are struggling to put the pieces of their homes together while some feel that it can't be put back together again. It is unfortunate that some women are completely at a loss of what to do to save their ailing marriages. Some others who know what to do to save their homes allow pride stop them from doing it. My journey in the early years of marriage was quite painful and enduring. Nothing I knew seemed to make sense anymore. All the seemingly harmless habits I got away with in the course of my life as a single became a challenge in marriage. When you marry a near-perfect man like I did, your flaws become so glaring. The sad truth is that before I got married, I never considered these habits as flaws. Have you ever found yourself saying things like: "This is how I have always been and people accepted and liked me"? Have you also found yourself saying to your spouse, "Hey, you met me like this; why is this now a big deal"? Oh, I said this a thousand and one times. I just couldn't understand how anyone will want me to change. Who I was

had taken me so many years to become, so why was I supposed to change just because I got married. Hmmm, that was a difficult one for me to crack. In this book, I will be sharing my journey so far, what I had to learn in the process and who I have become through my experiences.
