**The Georgia Review** - 2000*Unzipped* - Courtney Weaver 1999

The dark and dirty secrets of the mating and dating scene are exposed as Courtney Weaver hears all from her friends--and tells a few secrets of her own--in this true-life Bridget Jones meets Tales of the City. Sexuality in the '90s is a different animal: While men and women have been given the tools to communicate, they haven't been given the instructions. With audacious, witty, and sometimes scandalous writing, Courtney Weaver's *Unzipped* follows her life and those of her friends as they attempt to navigate the waters of intimate relationships without paddles. Weaver, whose column "Unzipped" was "Salon magazine's most popular feature, lends an indulgent ear to her friends as they wrestle with the lure of having sex with exes, predict bedroom prowess from kisses, and search for the most tactful way to reclaim favorite pieces of clothing left behind after messy breakups. Harriet is convinced that a concrete set of '50s-era rules is the only way to catch a mate, while Jemma turns to her own shocking set of rules in order to fulfill her desires. Meanwhile, Weaver's single-mom hairstylist Marie lends a sympathetic ear and an acerbic tongue when she too uncovers a sexual scandal in her own backyard. In the tradition of *Tales of the City*, but peopled with characters you might actually meet, *Unzipped* is a work of narrative nonfiction that explores all the complexities of sex in the '90s.

**A Kitchen Witch's Guide to Recipes for Love & Romance** - Dawn Aurora Hunt 2020-08-25

[New Books on Women and Feminism](#) - 2001*The Publishers Weekly* - 1999**Sex, Love, and Friendship** - Adrienne Leigh McEvoy 2011-08

The joke is that all the prostitutes go on vacation when the philosophers come to town. The reason that the other conventioners do it; philosophers just talk about it. And talk about sex and love, and friendship is what the contributors to this volume do! They talk and argue, split hairs and clarify, all trying to advance our understanding of this most interesting practice of the human species. Some of the best minds on three continents, from four nations, and eighteen of the United States discuss such topics as adultery, commitment, cross dressing, gender politics, date rape, family, friendship, friends as lovers, gayness, love, marital pluralism, marriage, prostitution, religiously motivated anti-queer sentiments, same sex marriage, seduction, and self-respect. Rather than preach, participants probe our attitudes and practices involving these issues with the aim of better understanding the broad range of sexual practices of our species. The result is a collection of stimulating essays that can enliven class discussions as well as provide guidance for the sexually perplexed. The work is accessible to readers from high school through college and beyond.

*Library Journal* - 1999-10**The New York Times Index** - 1999**Glamour** - 2000**The Library Journal** - 1999

*The Gospel of Chaos: True Stories from the Void* - Jeremy Void 2019-02-13

They told me drugs were bad, but my curious child's mind couldn't connect two and two. I mean, if drugs were so bad, period, then why would people be putting them into their bodies? So I had to find out, and find out I did: Drugs made me feel a w e s o m e!

**An Open Secret** - Nicholas L. Syrett 2021-04-30

"An Open Secret traces the history of philanthropist Robert Allerton and his companion, John Wyatt Gregg, whom Allerton formally adopted as his son in 1960, after decades of living together. Yet why did these two men, who appear to be a gay couple from our view today, choose to project a father/son relationship? Syrett argues that in a period of both rising homosexual openness and social disapproval, the men had to find an alternative public logic for their situation. Whether or not Allerton and Gregg had sex with each other, they were undoubtedly a queer union: two high-society men who did not affirm traditional notions of partnership or couplehood"--

*The Open Door* - Latifa Al-Zayyat 2002

This novel explores a middle-class Egyptian girl's coming of sexual and political age, in the context of the Egyptian nationalist movement preceding the 1952 revolution. It traces the pressures on young men and women of that time and class as they sought to be free of family control.

[My Husband Doesn't Love Me and He's Texting Someone Else](#) - Andrew G. Marshall 2015-09-15

When a husband tells his wife, or she suspects, that he no longer loves her she may feel as though her world is ending but in this positive and powerful book, marital therapist Andrew G. Marshall has a message of hope. It is possible to turn a relationship around and emerge with a stronger bond. In Part One, he explains: How to get to the bottom of why he's fallen out of love. What's really going through his mind. Why your husband has turned into a stranger. The signs that show if he's depressed and what to do about it. How to build better communication and start improving your relationship. In Part Two, he discusses how to tell if there's another woman and gauge whether she really is a threat, including: The six types of other woman, from 'a spark' to 'the love of his life'. Tailored strategies for dealing with each type. Five worst and best reactions after uncovering what's really going on. How to keep calm even when provoked. How to combat the poison that she's slipping into your relationship. When to keep fighting and when to make a tactical withdrawal

**From Single to Serious** - Dana M. Malone 2018-01-31

College students hook up and have sex. That is what many students expect to happen during their time at university—it is part of growing up and navigating the relationship scene on most American campuses today. But what do you do when you're a student at an evangelical university? Students at these schools must negotiate a barrage of religiously imbued undercurrents that impact how they think about relationships, in addition to how they experience and evaluate them. As they work to form successful unions, students at evangelical colleges balance sacred ideologies of purity, holiness, and godliness, while also dealing with more mainstream notions of popularity, the online world, and the appeal of sexual intimacy. In *From Single to Serious*, Dana M. Malone shines a light on friendship, dating, and, sexuality, in both the ideals and the practical experiences of heterosexual students at U. S. evangelical colleges. She examines the struggles they have in balancing their gendered and religious presentations of self, the expectations of their campus community, and their desire to find meaningful romantic relationships.
