[Making a Parade for Jesus](#) - Wesley Runk 1992

Create an interactive atmosphere where maximum learning takes place with this collection of 52 easy-to-use children's lessons for the entire church year. Based on Gospel texts (mostly from Luke), Runk's messages use a conversational tone and easily obtained items such as a pen or a light bulb to help young people understand their growing relationship with God. Each lesson features simple delivery that helps establish a rapport with the children (Good morning, boys and girls Have you ever...), clear directions that indicate when to let the children answer, and familiar objects like a magnifying glass to illustrate searching diligently for the child in Matthew 2:1-12. A convenient table of contents lists the scripture passage used with each lesson.

Sacred Holidays - Becky Kiser 2018-10-16

Do you enter every holiday wanting it to be meaningful, only to find that it feels chaotic with no direction? We set New Year's goals we can't keep, struggle to love or be loved on Valentine's Day, and find it hard to celebrate the risen Jesus when we are searching for the perfect Easter dress. Our summer and back-to-school seasons are whirlwinds, even as adults; we aren't quite sure what to do with Halloween as Christians; and we feel less than grateful at Thanksgiving because it is sometimes full of complicated people. Even Christmas becomes a challenge, as celebrating Jesus gets lost behind twinkling lights and a mountain of gifts. Holidays

are meant to be more than chaos with glimpses of grace; they are meant to draw us closer to God and one another. We want all the whimsy and joy the holidays held when we were children, before life crowded it out. We want the holidays to reflect our love for Jesus and reveal the grace that has been lavished on us, but life is so busy that setting a game plan just doesn't happen. No more. It's time to stop trying to survive the holidays or over indulge the whimsy, and instead live in the abundant life God called us to live. Sacred Holidays is part book and part resource: meant to help you avoid what has tripped you up in the past and give you insights, tips, and tools to make your holidays less chaotic and more about loving Jesus and others. Don't let your holidays be marked by regret, whirlwinds, or survival mindset. Let's celebrate every holiday together purposefully and worshipfully—loving Jesus and others well in every moment.

This Is Not a Valentine - Carter Higgins 2017-12-26

In this picture book, a girl's gift of a Valentine to a boy prompts a tale with an enduring message of friendship. This book is not a valentine. It doesn't have lacey edges or sugary hearts. But it is full of lucky rocks, secret hiding spots, and gumball machine treasures. This is a book about waiting in line and wishing for cinnamon buns. About recognizing that if you care so much about someone not thinking you care, maybe you really do. But wait—isn't that exactly what love is about? Maybe this book is sort of a valentine after all. A testament to handmade, wacky, bashful, honest love—sure to win over the hearts of all readers—this offering from debut picture book author Carter Higgins and children's book veteran Lucy Ruth Cummins is the perfect gift to celebrate every relationship, from parent to child, sibling to sibling, partner to partner, crush to crush. Praise for This Is Not a Valentine "A perfect book for kids who find the whole Valentine's Day holiday icky and overrated." —Book Riot "A beautiful celebration of love and how different that may look to others celebrating Valentine's Day." —ReaderTotz "[Cummins's] cartoon cast is a diverse one, and refreshingly, this is more about deep friendship than romantic love; her kids are definitely just that: kids. . . . A sort of anti-valentine for those who want to show the ones they love they care without being all mushy (or spending any money)." —Kirkus Reviews **Harvard Law Review: Volume 130, Number 3 - January 2017** - Harvard Law Review 2017-01-11

Break The Glass Slipper - Crista Beck 2019-11-19

In this paradigm-shifting dating guide, love and dating expert, Crista Beck shows us how to stop Hollywood and Disney from ruining our love lives so we can find love in real life. For decades, we've been told that love just magically happens when we least expect it. "How's love going to happen for you if you're just sitting on the couch watching Netflix?", Crista Beck says. "Let's be honest, love is not happening for you because you believe the societal fantasies about dating and relationships." Beck doesn't sugar coat the reasons why we are still single. She tells it like it is - a strong dose of raw and honest truth that is sorely lacking today. Break The Glass Slipper is her antidote to the myths about the process of dating that have infected modern society and the minds of single women, sabotaging our ability to attract a healthy and happy long-term relationship. Beck makes the argument, backed by her 10+ years working with single women seeking men, that improving our love lives hinges on our ability to let go of these outdated mindsets that are preventing us from receiving our future partner into our life. Once we distinguish the fairy tales we have been telling ourselves about love, we can then choose a new path (based on reality), and find a real connection with a quality man that can evolve into a long-term relationship. This much-needed dating advice, Break The Glass Slipper is a refreshing and powerful nudge for a generation to break our own glass slippers and lead healthy and powerful love lives.
