Spellman Investigations after staging a retaliatory takeover, Izzy is wrongly accused of embezzling funds from a wealthy Alzheimer's patient. By the Edgar Award-winning author of Trail of the Spellmans. 100,000 first printing.

**Friends and Secrets** - Grace Thompson 2007

In their favourite cafe, a group of female friends meet regularly to discuss their troubles. However, even with friends they can't always tell the truth. As new people come into their lives, these women will need to draw on all their resources to meet the challenges thrown at them. Can they rely on each other, or must they stand alone?

Repudiating Feminism - Christina Scharff 2016-04-08

Gender equality is a widely shared value in many western societies and yet, the mention of the term feminism frequently provokes unease, bewilderment or overt hostility. *Repudiating Feminism* sheds light on why this is the case. Grounded in rich empirical research and providing a timely contribution to debates on engagements with feminism, *Repudiating Feminism* explores how young German and British women think, talk and feel about feminism. Drawing on in-depth interviews with women from different racial and class backgrounds, and with different sexual orientations, *Repudiating Feminism* reveals how young women's diverse positionings intersect with their views of feminism. This critical and reflexive analysis of the interplay between subjective accounts and broader cultural configurations shows how postfeminism, neoliberalism and heteronormativity mediate young women's negotiations of feminism, revealing the manner in which heterosexual norms structure engagements with feminism and its consequent association with man-hating and lesbian women. Speaking to a range of contemporary cultural trends, including the construction of essentialist notions of cultural difference and the neoliberal imperative to take responsibility for the management of one's own life, this book will be of interest to anyone studying sociology, gender and cultural studies.

**Urban Rehearsals and Novel Plots in the Early American City** -

Betsy Klimasmith 2022-01-27

*Urban Rehearsals and Novel Plots in the Early American City* sheds new

light on the literature of the early US by exploring how literature, theatre, architecture, and images worked together to allow readers to imagine themselves as urbanites even before cities developed. In the four decades following the Revolutionary War, the new nation was a loose network of nascent cities connected by print. Before a national culture could develop, local city cultures took shape; literary texts played key roles in helping new Americans become city people. Drawing on extensive archival research, *Urban Rehearsals* argues that literature, particularly novels and plays, allowed Bostonians to navigate the transition from colonial town to post-revolution city, enabled Philadelphians to grieve their experiences of the 1793 Yellow Fever epidemic and rebuild in the epidemic's aftermath, and showed New Yorkers how the domestic practices that reinforced their urbanity could be opened to the broader public. Throughout, attention to underrepresented voices and texts calls attention to the possibilities for women, immigrants, and Black Americans in developing urban spaces, while showing how those possibilities would be foreclosed as the nation developed. Balancing attention to canonical texts of the early Republic, including *The Power of Sympathy*, *Charlotte Temple*, and Benjamin Franklin's *Autobiography*, with novels whose depiction of early cities deserves greater attention, such as *Ormond*, *The Boarding-School*, *Monima*, and *Kelroy*, this volume shows how US cities developed on the pages and stages of the early Republic, building urban imaginations that would construct the nation's early cities.

*International Handbook of Psychological Well-Being in Children and Adolescents* - Bonnie Kaul Nastasi 2015-09-19

This handbook addresses universal developmental and cultural factors contributing to child and adolescent mental health and well-being across the globe. It examines sociocultural contexts of development and identifies children's and adolescents' perspectives as critical to understanding and promoting their psychological well-being. It details the Promoting Psychological Well-Being Globally project's methodology for data collection and analysis, provides cross-cultural analyses of its findings, and offers a practical model for clinicians and other

professionals seeking to apply this knowledge to real-life settings. Featured topics include: Sexual health, gender roles, and psychological well-being in India. Psychological well-being as a new educational boundary in Italy. Mapping psychological well-being in Romania. Youth perspectives on contributing factors to psychological well-being in Sri Lanka. Culturally specific resilience and vulnerability in Tanzania. Longing for a balanced life - the voices of Chinese-American/immigrant youth in the United States. The International Handbook of Psychological Well-Being in Children and Adolescents: Bridging the Gaps Between Theory, Research, and Practice is an invaluable resource for researchers, clinicians, scientist-practitioners, and graduate students in child and school psychology, social work, public health, positive psychology, educational policy and politics, and maternal and child health.

The Gender Communication Connection - Teri Kwal Gamble 2014-03-01

The authors explore the many ways that gender and communication intersect and affect each other. Every chapter encourages a consideration of how gender attitudes and practices, past and current, influence personal notions of what it means not only to be female and male, but feminine and masculine. The second edition of this student friendly and accessible text is filled with contemporary examples, activities, and exercises to help students put theoretical concepts into practice.

Childfree and Sterilized - Annily Campbell 1999-01-01

This book examines the relatively new social and medical phenomenon of women in the developed countries of the world choosing to remain childfree and electing for sterilization rather than continuing with other forms of contraception. Twenty-three voluntarily childfree, sterilized women, aged 22 to 51 years, tell their stories, revealing the struggles they faced in being women without children in a society which expects women to be mothers. They describe the many barriers encountered on the way to being sterilized, including prejudice from those around them as well as hostility and refusal from the medical profession. The women recall how their reasons and decisions were ignored or pathologized by

doctors who held unquestioned assumptions about how women should be. Feminist and sociological perspectives are employed to highlight that voluntarily childfree women are perceived as abnormal, not "real" women, and are often the target of negative and critical comment.

Get the Guy - Matthew Hussey 2013-01-31

Written by the hottest dating coach on the scene, Matthew Hussey, this book offers clear, honest and practical advice for women on how to find their ideal man - and, importantly, how to keep him. Using simple steps, Matthew guides us through the complex maze of dating and shows us just how to find the guy, get the guy and keep the guy. In *Get the Guy*, Matthew shares his dating secrets and provides women with the toolkit they need to approach men, and to create and maintain relationships. Along the way, he explodes some commonly held myths about what it is that guys really want, shares strategies on how women can take control of their dating destinies and empowers them to go out there and find an exhilarating, adventurous love life.

Eve, It's Adam. We Need to Talk - Darnell Lester 2012-05-07

"Eve, It's Adam. We Need To Talk" is a refreshingly unique look at issues concerning men about dating and relationships. Issues from the voices of men that have remained under the radar...until now. Revealing answers to questions such as: Why men may find it easier to date more than one woman at a time Why having sex does not necessarily make you exclusive Why he initially may not consider your feelings and put you first in the relationship The difference between the Expected Truth and the Actual Truth *Eve, It's Adam* brings these issues to the forefront in a style and manner that is as unique as men and women.

Wormwood - Barbara Harvey Carter 2011-02-10

Hannah imagined a wonderful, Godly man as her husband. Instead, she married a man she began to feel was Satan's son. As his controlling and manipulative behavior begins to manifest itself more, she begins to think that things might need to end. But Satan won't allow it, enticing her to stay in an abusive marriage. After being in the marriage for two years, Hannah is empowered to confront the demonic spirits residing in Scotty. The question remains: Will Hannah find freedom and salvation, or will

she discover too late the 'power' that resides within her? Readers everywhere will be on the edge of their seats as they read Barbara Harvey Carter's suspenseful novel, WORMWOOD.

Routledge Handbook of Internet Politics - Philip N. Howard 2010

The politics of the internet has entered the social science mainstream. From debates about its impact on parties and election campaigns following momentous presidential contests in the United States, to concerns over international security, privacy and surveillance in the post-9/11, post-7/7 environment; from the rise of blogging as a threat to the traditional model of journalism, to controversies at the international level over how and if the internet should be governed by an entity such as the United Nations; from the new repertoires of collective action open to citizens, to the massive programs of public management reform taking place in the name of e-government, internet politics and policy are continually in the headlines. The Routledge Handbook of Internet Politics is a collection of over thirty chapters dealing with the most significant scholarly debates in this rapidly growing field of study. Organized in four broad sections: Institutions, Behavior, Identities, and Law and Policy, the Handbook summarizes and criticizes contemporary debates while pointing out new departures. A comprehensive set of resources, it provides linkages to established theories of media and politics, political communication, governance, deliberative democracy and social movements, all within an interdisciplinary context. The contributors form a strong international cast of established and junior scholars. This is the first publication of its kind in this field; a helpful companion to students and scholars of politics, international relations, communication studies and sociology.

Being the Other Woman - Petra Falk 2009-06-13

About half of all married men admit to having had at least one affair. And for every man in an affair there is a woman who is not his wife. This book looks at all the practical and emotional aspects of being "The Other Woman" in a married man's life. Those women, contrary to popular belief, are not heartless home-wreckers, they were just unlucky enough to fall in love with a man who is already married. And there is precious

little support available for them. This book aims to redress that balance. It is the only book an "Other Woman" needs, dealing with all the practical and emotional aspects of surviving the affair while doing the least possible harm to all concerned. Packed from cover to cover with advice, anecdotes, quotes, real-life stories and equal doses of humor and straight no-nonsense facts, it is a must read for every woman who finds herself involved with a married man.

**Encyclopedia of Body Image and Human Appearance** - 2012-04-11

This scholarly work is the most comprehensive existing resource on human physical appearance—how people's outer physical characteristics and their inner perceptions and attitudes about their own appearance (body image) affect their lives. The encyclopedia's 117 full-length chapters are composed and edited by the world's experts from a range of disciplines—social, behavioral, and biomedical sciences. The extensive topical coverage in this valuable reference work includes: (1) Important theories, perspectives, and concepts for understanding body image and appearance; (2) Scientific measurement of body image and physical attributes (anthropometry); (3) The development and determinants of human appearance and body image over the lifespan; (4) How culture and society influences the meanings of human appearance; (5) The psychosocial effects of appearance-altering disease, damage, and visible differences; (6) Appearance self-change and self-management; (7) The prevention and treatment of body image problems, including psychosocial and medical interventions. Chapters are written in a manner that is accessible and informative to a wide audience, including the educated public, college and graduate students, and scientists and clinical practitioners. Each well-organized chapter provides a glossary of definitions of any technical terms and a Further Reading section of recommended sources for continued learning about the topic. Available online via ScienceDirect or in a limited-release print version. The Encyclopedia of Body Image and Human Appearance is a unique reference for a growing area of scientific inquiry. It brings together in one source the research from experts in a variety of fields examining this psychological and sociological phenomenon. The breadth of topics

covered, and the current fascination with this subject area ensure this reference will be of interest to researchers and a lay audience alike

**New Critical Studies on Early Quaker Women, 1650-1800** - Michele Lise Tarter 2018

This collection offers a reassessment of early Quaker women. With a central focus on gender, the contributors highlight new discoveries and interpretations about these transatlantic women Friends' pivotal revolutions, disruptions, and networks.

**The Mother's Assistant and Young Lady's Friend** - 1853

**Grammar in Use Across Time and Space** - Misumi Sadler 2007

This monograph contains the first systematic investigation of the Japanese 'dative subject' construction across time and space. It demonstrates that, in order to capture what speakers/writers know about how to put an utterance or a clause together, it is necessary to pay attention to what they do in actual language use and in different discourse types. The work also shows the importance of diachronic perspectives to help us better understand the ways in which a particular grammatical structure is represented synchronically. By utilizing modern Japanese conversation, contemporary Japanese novels, and a pre-modern and modern Japanese literature corpus, the study highlights the role of 'dative subjects' at the semantic and discourse-pragmatic levels. Specifically, it demonstrates that what has been considered to be a most 'grammatical' aspect of Japanese actually turns out to be rather pragmatically oriented.

**Women Psychotherapists' Reflections on Female Friendships** -

Lillian Comas-Diaz 2016-04-08

Psychologists, as well as the general public, have recognized the importance of female friendships. Scientists call this bond the tending instinct- a kind of female relaxation response that has salutary effects. Such special attachment shields women from isolation and provides an enhanced sense of wellbeing. Intimate friends can therefore act as sisters of the heart to promote connection, solace, wholeness, and longevity. Moreover, women friends frequently provide emotional, social,

physical, and spiritual benefits. Indeed, sisters of the heart constitute an unparalleled bond that encourages women to connect with themselves, with others, and with the world at large. In this book, twelve women therapists, who are diverse in age-- young, middle, and older women; as well as in ethnicity--White, African American, Latina, Asian American, Native American, and multiracial women---examine the psychological and physical aspects of this unique female bonding. Through their narratives we hear their distinctive voices as women and as healers. In this fashion, they reflect on both the functional and dysfunctional dynamics occurring between intimate female friends. Finally, these women therapists examine how their experience with a sister of the heart informed their development as healers, and discuss how they use this special bond in psychotherapy with women. This book was originally published as a special issue of *Women & Therapy*. 'This enlightening, iconic book is for anyone who wants to understand more about the powerful roles of friendships—including challenges--among women that facilitate their ability to survive and thrive. It is special in that the chapter authors are psychotherapists who describe the impact of female bonding, from scientific as well as personal bases. The descriptions are rooted in theory, research, extensive clinical experience and personal lives. Refreshing and much needed, this book will prove useful to professionals as well as any women or men who want to understand the value and salience of female relationships.' Melba Vasquez, PhD, ABPP Past President, American Psychological Association Independent Practice, Austin, Texas

**Men's Friendships** - Peter M. Nardi 1992-02-26

"Men's Friendships" offers an analysis of the differences within each of the genders and the social forces that shape the ways friendship is organized. Through varying perspectives the contributors show that a variation exists within as well as between the genders. They focus on the diversity in men's friendships, and how men develop and maintain friendships with other men and with women. The first section focuses on philosophical and historical questions. Part II illustrates the strong connection between social structure and men's friendships; and the last

series of chapters considers cultural diversity. -- From publisher's description.

**Social Psychology and Human Sexuality** - Roy F. Baumeister 2001

Presents a selected group of influential articles dealing specifically with the social aspects of sexuality, topics covered include differences between male and female sexuality, virginity, harassment, rape and coercion and jealousy.
