Love That Lasts - Jefferson Bethke 2017-10-10

In *Love That Lasts*, New York Times bestselling author of *Jesus > Religion* Jefferson Bethke and his wife, Alyssa, expose the distorted views of love that permeate our culture and damage our hearts, minds, and souls. Drawing from Jeff's "prodigal son" personal history and from Alyssa's "True Love Waits" experience, the Bethkes point to a third and better way.

Blending personal storytelling with biblical teaching, they offer readers an inspiring, realistic vision of love, dating, marriage, and sex. Young people today enter adulthood with expectations of blissful dating followed by a romantic, fulfilling marriage only to discover they've been duped. They learned about love and sexuality from social media, their friends, Disney fairy tales, pornography, or even their own rocky past, and they have no idea what healthy, lifelong love is supposed to be like. The results are often disastrous, with this generation

becoming one of the most relationally sick, sexually addicted, and divorce ridden in history. Looking to God's design while drawing lessons from their own successes and failures, the Bethkes explode the fictions and falsehoods of our current moment. One by one, they peel back lies such as, the belief that every person has only one soul mate, that marriage will complete you, and that pornography and hook-ups are harmless.

**12 Days of Christmas** - Paul Michael Toth 2022-08-01

Twelve days before Christmas, the angel Gabriel is sent to a family, the Hopewells, who live at 1222 Baker Street. And after he touches the lights of their Christmas tree, this family of six""Paul, Julia, Alexander, Brandon, Catherine, and little Dasha""experience a season that none of them could have ever imagined. In the following eleven days prior to Christmas, they and their friends""Carter and Carrie Covington, Samantha and Vic Welhausen, David Livingston, Aubrey Murphy, and Jack Winter""are amazed and entertained as the ornaments on the Hopewell tree become animated. What first begins as entertainment eventually educates them to the fact they have been called to a heavenly mission: a mission in which Lucifer will try his very best to thwart. Come along with the Hopewell family and their friends as they learn what it means to encounter the forces of hell and watch how the heaven's army protects this tiny group. Though Satan tries his best to keep this group cloaked in darkness, the light of understanding slowly ascends on Paul, his family, and his friends. All the darkness they experience (being trapped in a burning house, buried in the snow along a lonely highway, immersed in a volcanic cloud of ash and more) will only serve as background to the light that is slowly dawning. Light will win out. While 12 Days of Christmas: Light Ascending is fiction, it

change her life. Lily is free. Free from home. Free from work and everything she built the last eight years. And she's scared to death. With her half of the Etsy business sold, Lily is persuaded by Maddie to take advantage of her windfall and go on a cruise around Italy, explore new possibilities, and meet new people, especially the male kind. Feeling as unstable as the waves rolling beneath the ship, Lily is reluctant to agree to a romantic flirtation, even with a man as intriguing as Zander. The cruise is supposed to be a fresh start for Zander and an opportunity to expand his freelance photography business. It also marks the one year anniversary of his fiancée's death. All he's interested in gaining from the experience is a larger portfolio, but finds himself irresistibly drawn to Lily, who looks nearly as lost as he feels. A cruise ship romance couldn't possibly last, and yet how can Lily and Zander resist falling in love in the most romantic country on earth?
