Someone They Love Helping Children With Feelings

2021-08-26

This practical guidebook, with a beautifully-illustrated storybook, enables teachers, parents and professionals to help children aged 4-12 connect with unresolved feelings affecting their behaviour. Helping Children with Low Self-Esteem is a guidebook to help children who: don't like themselves or feel there is something fundamentally wrong with them have been deeply shamed have received too much criticism or haven't been encouraged enough let people treat them badly because they feel they don't deserve better do not accept praise or appreciation because they feel they don't deserve it feel defeated by life, fundamentally unimportant, unwanted or unlovable bully because they think they are worthless or think they are worthless because they are bullied and, feel they don't belong or do not seek friends because they think no-one would want to be their friend. Ruby and the Rubbish Bin is a story for children with low self-esteem. Ruby hates

herself so much that she often feels more like a piece of rubbish than a little girl. Sometimes Ruby feels so miserable that she wants to sleep and sleep and never wake up again. Then Ruby meets Dot and, over time, Dot helps Ruby to move from self-hate to self-respect. After a very important dream, and help from Dot, Ruby finds her voice and her anger, and stands up to the bullies. She makes new friends and knows what it's like to feel happy for the first time in her life.

Gift of Tears - Susan Lendrum 2004-03-01

This thoroughly revised and updated edition of Gift of Tears includes new research and examples of recent events to help illustrate the effects of loss. Containing a strong practical element, the book guides the reader through the process of contemplating and eventually confronting their own relationship to loss.

Written by experienced counsellors and psychotherapists, the book contains candid and readable discussions of central issues, including:
* how to understand and work with anger and

guilt * attachment patterns and loss * historical changes in attitudes to death and bereavement * death as a particular form of loss. Gift of Tears is intended for anyone who finds they have to cope, in the course of their daily lives, with the grief of others. It will prove invaluable to counsellors, therapists, mental health professionals and all those helping the bereaved.

A Wibble Called Biple - Margot Sunderland
2017-07-05

A story for children who have hardened their hearts or become bullies. Biple is a warm cuddly creature, but someone has broken his heart. He feels so hurt that he decides it is just too painful to ever love again. When he meets some big tough Honks in the wood, they teach him how to harden his heart so that he doesn't

have to feel hurt any more. Luckily Biple meets some creatures who teach him how he can protect himself without hardening his heart.

Shakespeare as Children's Literature - Velma Bourgeois Richmond 2008-04-30

Although William Shakespeare is widely regarded as the greatest writer in the English language, he traditionally receives little notice in studies of children's literature. However, there is a fascinating relationship between Shakespeare and children's interests, and the Bard's works have been successfully adapted for children's use over several centuries. This book continues and parallels the author's previous study, *Chaucer as Children's Literature*, as part of a greater endeavor to evaluate the significance of traditional literature retold as children's literature in modern English studies. It examines the ways in which William Shakespeare's stories have been adapted for children, particularly in Mary and Charles Lamb's *Tales from Shakespeare*, which was almost immediately

recognized as a classic of children's literature when it was first published in 1807. The author describes the significance of the Lamb's Tales as the pre-eminent children's adaptation of Shakespeare's literature, focusing particularly on the lavishly illustrated Edwardian editions which used pictures to convey Shakespeare's stories for children. Other topics include Victorian alternatives to the Lambs' stories, including anthologies from David Murray Smith, Abby Sage Richardson, and Mary Seymour; the lavish illustrations of Shakespeare's stories found in antique English textbooks; Shakespeare in nursery books, including sophisticated collections from Mary Macleod, Thomas Carter, Alice S. Hoffman, and other noted authors; and Shakespeare in multi-volume American collections, including The Children's Hour, Journeys through Bookland, and The Junior Classics.

~~Teenie Weenie in a Too Big World - Margot~~

Sunderland 2017-05-08

(A story for fearful children) One day Teenie Weenie finds himself in a scrumbly screechy place. It is full of noises and crashes and things that swoop and scratch. The worse it gets, the smaller Teenie Weenie feels. After a while, he feels so small that the tiniest insect tries to eat him up. Teenie Weenie feels terrified and desperately alone. But after a while along strolls a Wip-Wop bird who invites Teenie Weenie to come and have a chocolate muffin in his tree house. With the Wip Wop bird and his friend Hoggie, Teenie Weenie learns for the first time in his life all about the power of TOGETHER. He comes to know how very different things look when it's an US not just a ME. And so after that, whenever Teenie Weenie finds himself struggling alone with something too difficult or too frightening, he goes off and finds some TOGETHER.
