*The 5 Love Languages of Children* - Gary Chapman 2012-02-01

Does your child speak a different language? Sometimes they waver for your attention, and other times they ignore you completely. Sometimes they are filled with gratitude and affection, and other times they seem totally indifferent. Attitude. Behavior. Development. Everything depends on the love relationship between you and your child. When children feel loved, they do their best. But how can you make sure your child feels loved? Since 1992, Dr. Gary Chapman's best-selling book The 5 Love Languages has helped millions of couples develop stronger, more fulfilling relationships by teaching them to speak each others' love language. Each child, too, expresses and receives love through one of five different communication styles. And your love language may be totally different from that of your child. While you are doing all you can to show your child love, he may be hearing it as something completely opposite. Discover your child's primary language and learn what you can do to effectively convey unconditional feelings of respect, affection, and commitment that will resonate in your child's emotions and behavior.

**Things I Wish I'd Known Before We Got Married** - Gary Chapman 2010-09-01

OVER 500,000 COPIES SOLD! "Most people spend far more time in preparation for their vocation than they do in preparation for marriage." With more than 45 years of experience counseling couples, Gary has found that most marriages suffer due to a lack of preparation and a failure to learn to work together as intimate

teammates. So he put together this practical little book, packed with wisdom and tips that will help many develop the loving, supportive, and mutually beneficial marriage they envision, such as: What the adequate foundation for a successful marriage truly is What to expect about the roles and influence of extended family How to solve disagreements without arguing How to talk through issues like money, sex, chores, and more Why couples must learn how to apologize and forgive Ideal for newly married couples and those considering marriage, the material lends itself to heart-felt, revealing, and critical conversations for relational success. Read this book and you'll be prepared for—not surprised by—the challenges of marriage. - Bonus features include: Book suggestions and an interactive websites to enhance the couples' experience "Talking it Over" questions and suggestions to jumpstart conversations over each chapter Appendix on healthy dating relationships and an accompanying learning exercise
