Any Bitter Thing - Monica Wood 2017-03-23
ANY BITTER THING is a novel about how much we can and should forgive, by Monica Wood, the acclaimed author of THE ONE-IN-A-MILLION BOY. The perfect read for fans of Gail Honeyman's ELEANOR OLIPHANT IS COMPLETELY FINE and Joanna Cannon's THREE THINGS ABOUT ELSIE. 'If you liked THE SECRET LIFE OF BEES, try ANY BITTER THING' Glamour After surviving a near-fatal accident, thirty-year-old Lizzy Mitchell faces a long road to recovery. She remembers little about the days she spent in and out of consciousness, save for one thing: she saw her

beloved deceased uncle, Father Mike, the man who raised her until she was nine, when she was abruptly sent away. Though her troubled marriage and broken body need tending, Lizzy knows she must uncover the details of her accident - and delve into the events of twenty years ago, when whispers and accusations forced a good man to give up the only family he had. What readers are saying about ANY BITTER THING: 'Another great story with wonderful characters' 'This writer, with her exquisite prose, weaves a gripping and grace-filled story of redemption. I will go back to this amazing book again and again. It shines' 'A beautiful

I'm Perfect, You're Doomed - Kyria Abrahams
2010-11

A stand-up comedian who was brought up as a Jehovah's Witness describes how her childhood was haunted by perpetual doomsday prophecies about an imminent apocalypse in which her non-believing neighbors and schoolmates were doomed.

The Prize Winner of Defiance, Ohio - Terry Ryan
2005-09-02

The Prize Winner of Defiance, Ohio introduces Evelyn Ryan, an enterprising woman who kept poverty at bay with wit, poetry, and perfect prose during the "contest era" of the 1950s and 1960s. Stepping back into a time when fledgling advertising agencies were active partners with consumers, and everyday people saw possibility in every coupon, Terry Ryan tells how her mother kept the family afloat by writing jingles

and contest entries. Mom's winning ways defied the Church, her alcoholic husband, and antiquated views of housewives. To her, flouting convention was a small price to pay when it came to securing a happy home for her six sons and four daughters. Evelyn, who would surely be a Madison Avenue executive if she were working today, composed her jingles not in the boardroom, but at the ironing board. By entering contests wherever she found them -- TV, radio, newspapers, direct-mail ads -- Evelyn Ryan was able to win every appliance her family ever owned, not to mention cars, television sets, bicycles, watches, a jukebox, and even trips to New York, Dallas, and Switzerland. But it wasn't just the winning that was miraculous; it was the timing. If a toaster died, one was sure to arrive in the mail from a forgotten contest. Days after the bank called in the second mortgage on the house, a call came from the Dr Pepper company: Evelyn was the grand-prize winner in its national contest -- and had won enough to pay the bank.

Graced with a rare appreciation for life's inherent hilarity, Evelyn turned every financial challenge into an opportunity for fun and profit. From her frenetic supermarket shopping spree -- worth \$3,000 today -- to her clever entries worthy of Erma Bombeck, Dorothy Parker, and Ogden Nash, the story of this irrepressible woman whose talents reached far beyond her formidable verbal skills is told in *The Prize Winner of Defiance, Ohio* with an infectious joy that shows how a winning spirit will triumph over the poverty of circumstance.

[Icy Sparks](#) - Gwyn Hyman Rubio 2001-03-08
A New York Times Notable Book and the March 2001 selection of Oprah's Book Club® ! *Icy Sparks* is the sad, funny and transcendent tale of a young girl growing up in the mountains of Eastern Kentucky during the 1950's. Gwyn Hyman Rubio's beautifully written first novel revolves around *Icy Sparks*, an unforgettable heroine in the tradition of Scout in *To Kill a Mockingbird* or Will Treed in *Cold Sassy Tree*. At

the age of ten, *Icy*, a bright, curious child orphaned as a baby but raised by adoring grandparents, begins to have strange experiences. Try as she might, her "secrets"—verbal croaks, groans, and physical spasms—keep afflicting her. As an adult, she will find out she has Tourette's Syndrome, a rare neurological disorder, but for years her behavior is the source of mystery, confusion, and deep humiliation. Narrated by a grown up *Icy*, the book chronicles a difficult, but ultimately hilarious and heartwarming journey, from her first spasms to her self-acceptance as a young woman. Curious about life beyond the hills, talented, and energetic, *Icy* learns to cut through all barriers—physical, mental, and spiritual—in order to find community and acceptance. Along her journey, *Icy* faces the jeers of her classmates as well as the malevolence of her often-ignorant teachers—including Mrs. Stilton, one of the most evil fourth grade teachers ever created by a

writer. Called willful by her teachers and "Frog Child" by her schoolmates, she is exiled from the schoolroom and sent to a children's asylum where it is hoped that the roots of her mysterious behavior can be discovered. Here Icy learns about difference—her own and those who are even more scarred than she. Yet, it isn't until Icy returns home that she really begins to flower, especially through her friendship with the eccentric and obese Miss Emily, who knows first-hand how it feels to be an outcast in this tightly knit Appalachian community. Under Miss Emily's tutelage, Icy learns about life's struggles and rewards, survives her first comical and heartbreaking misadventure with romance, discovers the healing power of her voice when she sings, and ultimately—takes her first steps back into the world. Gwyn Hyman Rubio's *Icy Sparks* is a fresh, original, and completely redeeming novel about learning to overcome others' ignorance and celebrate the differences that make each of us unique.

Slow Motion - Dani Shapiro 2012-09-05

From one of the most gifted writers of her generation comes the harrowing and exquisitely written true story of how a family tragedy saved her life. Dani Shapiro was a young girl from a deeply religious home who became the girlfriend of a famous and flamboyant married attorney—her best friend's stepfather. The moment Lenny Klein entered her life, everything changed: she dropped out of college, began to drink heavily, and became estranged from her family and friends. But then the phone call came. There had been an accident on a snowy road near her family's home in New Jersey, and both her parents lay hospitalized in critical condition. This haunting memoir traces her journey back into the world she had left behind. At a time when she was barely able to take care of herself, she was faced with the terrifying task of taking care of two people who needed her desperately. Dani Shapiro charts a riveting emotional course as she retraces her isolated, overprotected

Orthodox Jewish childhood in an anti-Semitic suburb, and draws the connections between that childhood and her inevitable rebellion and self-destructiveness. She tells of a life nearly ruined by the gift of beauty, and then saved by the worst thing imaginable. This is a beautiful and unforgettable memoir of a life utterly transformed by tragedy.

A Girl Named Zippy - Haven Kimmel 2002-09
The author offers a chronicle of growing up in a small town in America's heartland, offering portraits of her family and her encounters with the complexities of the adult world, romance, and small-town life during the 1960s and 1970s
Beyond a Darkened Shore - Jessica Leake
2018-04-10

Vikings meets Frostblood in this romantic historical fantasy stand-alone from author Jessica Leake. The ancient land of Éirinn is mired in war. Ciara, princess of Mide, has never known a time when Éirinn's kingdoms were not battling for power, or Northmen were not plundering their shores. The people of Mide have always been safe because of Ciara's unearthly ability to control her enemies' minds and actions. But lately a mysterious crow has been appearing to Ciara, whispering warnings of an even darker threat. Although her clansmen dismiss her visions as pagan nonsense, Ciara fears this coming evil will destroy not just Éirinn

but the entire world. Then the crow leads Ciara to Leif, a young Northman leader. Leif should be Ciara's enemy, but when Ciara discovers that he, too, shares her prophetic visions, she knows he's something more. Leif is mounting an impressive army, and with Ciara's strength in battle, the two might have a chance to save their world. With evil rising around them, they'll do what it takes to defend the land they love...even if it means making the greatest sacrifice of all.

The Solace of Leaving Early - Haven Kimmel 2003

The bestselling author of "A Girl Named Zippy" offers a smart first novel that tells the story of a difficult courtship and the bittersweet wrestlings with grief and faith that surround it.

A Girl Named Zippy - Haven Kimmel 2002-09-03

The New York Times bestselling memoir about growing up in small-town Indiana, from the author of *The Solace of Leaving Early*. When Haven Kimmel was born in 1965, Mooreland,

Indiana, was a sleepy little hamlet of three hundred people. Nicknamed "Zippy" for the way she would bolt around the house, this small girl was possessed of big eyes and even bigger ears. In this witty and lovingly told memoir, Kimmel takes readers back to a time when small-town America was caught in the amber of the innocent postwar period—people helped their neighbors, went to church on Sunday, and kept barnyard animals in their backyards. Laced with fine storytelling, sharp wit, dead-on observations, and moments of sheer joy, Haven Kimmel's straight-shooting portrait of her childhood gives us a heroine who is wonderfully sweet and sly as she navigates the quirky adult world that surrounds Zippy.

Chronicles the author's rescue of an abandoned barn owl, from her efforts to resuscitate and raise the young owl through their nineteen years together, during which the author made key discoveries about owl behavior.

The Templeton Twins Have an Idea - Ellis Weiner 2012-08-03

This special edition of *The Templeton Twins Have an Idea: Book One* also includes a sneak preview of *The Templeton Twins Make a Scene: Book Two* and a Q&A with the author. Suppose there were 12-year-old twins, a boy and girl named John and Abigail Templeton. Let's say John was pragmatic and played the drums, and Abigail was theoretical and solved cryptic crosswords. Now suppose their father was a brilliant, if sometimes confused, inventor. And

suppose that another set of twins—adults—named Dean D. Dean and Dan D. Dean, kidnapped the Templeton twins and their ridiculous dog in order to get their father to turn over one of his genius (sort of) inventions. Yes, I said kidnapped. Wouldn't it be fun to read about that? Oh please. It would so. Luckily for you, this is just the first in a series perfect for boys and girls who are smart, clever, and funny (just like the twins), and enjoy reading adventurous stories (who doesn't?!).

Something Rising (light and Swift) - Haven Kimmel 2004

From the author of the #1 "New York Times" bestselling memoir "A Girl Named Zippy" comes a heartbreaking novel about a young female pool hustler trapped in a small Indiana town.

Iodine - Haven Kimmel 2008

Living a highly functional if impoverished existence after running away from her abusive home, unconventional college senior Tracey Sue is forced to face her painful past when she falls in love with a much-older man, prompting her to re-experience a traumatic suppressed memory that makes her realize that much of her present life is a carefully constructed illusion. 40,000 first printing.

Kaline Klattermaster's Tree House - Haven Kimmel 2010-04-06

Kaline Klattermaster LOVES his mom. ADORES his mom. But his mom can be, well, a bit

forgetful sometimes. A bit lax. A bit...CRAZY. For instance, she's a bit crazy when she leaves him in the tub for THREE HOURS. Or gives him a chicken leg for breakfast...or forgets that he needs to go to school. AND he's not completely sure his mother understands how time works. She's been even a bit MORE CRAZY since his dad left. So it's a very good thing that the folks in Kaline's tree house are not so crazy. They understand him. They don't mind that he sometimes HAS to play his pretend bugle, and, of course, they are FULL of good advice on how to handle bullies. His mom hints that the tree house is imaginary. Kaline is UNCONVINCED. The New York Times bestselling author of A Girl Named Zippy is delighted to introduce Kaline Klattermaster, a little boy who understands the importance of a few good friends -- make-believe OR otherwise.
