**If You Were a Divided-by Sign** - Marcie Aboff  
2009-01-01

If you were a divided-by sign, you would divide things. You could divide pizza pies, presents, and stacks of cheese sandwiches. What else could you do if you were a divided-by sign?

**The Girl from the Wrong Side** - Kym

O'Sullivan 2021-02-11

One hundred years ago, the United States split into two countries: The Commonwealth of Coastal States and the Central Republic States. For two months, Siena and Christopher have been watching each other from opposite sides of the heavily fortified border when fate intervenes to bring them together. From one side of the wall to the other, they encounter a series of obstacles as they navigate the differences between one country's socialist administration and the other's capitalist regime. Will their love be strong enough to overcome the animosity of these two sworn enemies?

**Stage of Recovery** - Georgia Sagri 2020-01-01

Close to spiritual anarchism, Georgia Sagri's writing happens in the heat of negotiation. Her political communiques, essays, poems, lectures and one-on-one care reports span a decade of artistic and activist practice. Starting in the months leading up to the occupation of Zuccotti Park in 2011, which became the movement for people's self-governance known as Occupy, this book carries the energy and commitment of open struggle, direct address, self-organisation and public assembly. It is a critique of representation and its implicit oblivion. Having grown up in Athens, Sagri's intuition upon moving to New York was that being in public without consuming is the biggest threat to those in control. And hearing the voices of others beyond what is a given generates this threat to capitalism. The writing is a mode of recovery, it is pre-content shared to encourage open processes not institutions.

A Night Divided - Jennifer A. Nielsen 2018-04-24

Jack the Bookman.

**Friends, Though Divided** - George Alfred Henty 1883

*The Divided House* - Melanie Phillips 1980

Divided Kingdom - Rupert Thomson 2012-08-30  
It is winter, somewhere in the United Kingdom, and an eight-year-old boy is removed from his home and family in the middle of the night. He learns that he is the victim of an extraordinary experiment. In an attempt to reform society, the government has divided the population into four groups, each representing a different personality type. The land, too, has been divided into quarters. Borders have been established, reinforced by concrete walls, armed guards and rolls of razor wire. Plunged headlong into this brave new world, the boy tries to make the best of things, unaware that ahead of him lies a truly explosive moment, a revelation that will challenge everything he believes in and will, in the end, put his very life in jeopardy ...

*A Divided Mormon Zion* - John J. Hammond 2012  
A DIVIDED MORMON ZION: NORTHEASTERN OHIO OR WESTERN MISSOURI? This is Volume III of an epic, multi-volume work entitled *The Quest for the New Jerusalem: A Mormon Generation Saga*, which combines family, Mormon, and American history, focusing upon how the author's ancestors were affected by their conversion to the Mormon religion. In Volume I, four of the author's ancestral families the Carters, Hammonds, Knowltons, and Spencer's and the ancestors of Mormon Church founders Joseph Smith and Brigham Young, are followed from the time they enter the Massachusetts Bay Colony in New England in the 1600s down to the early 1800s. Toward the end of Volume I, the focus is upon Joseph Smith and his family, including their move from Vermont to western New York and their religious and occult "magic worldviews." Volume II takes up the narrative at about the year 1820, and involves a detailed, comprehensive, and critical look at the events in the life of Joseph

Smith, Jr., during the decade in which he purportedly was visited by numerous heavenly messengers, received the "golden plates," translated the writing on the plates to produce the Book of Mormon, received priesthood authority from other heavenly messengers, published the Book of Mormon, and organized the Mormon Church. There is a detailed examination of the contentious debate concerning the authenticity of the Book of Mormon and the validity of Smith's 1820s visionary experiences. The later chapters describe the movement of Church headquarters from western New York to northeastern Ohio in early 1831, Smith's interest in western Missouri as the site for his New Jerusalem/Zion, and the conversion of the author's direct ancestor Simeon Daggett Carter. Volume III begins with a detailed look at the life of Sidney Rigdon, who played a significant role in the development of the Campbellite, Reformed Baptist, Disciples of Christ Church. When he became a Mormon in late 1830, he helped bring about the conversion of hundreds of his friends in the Campbellite movement, which caused Joseph Smith Jr. in early 1831 to change the headquarters of his fledgling Mormon Church from western New York to northeastern Ohio. A remarkable fusion then took place between Mormonism, as it had been formulated initially by Smith, and the new Campbellite doctrines, practices, and organization. In the summer of 1831 Smith and Rigdon visited Jackson County, Missouri, and numerous Smith revelations formally designated it as the site for the New Jerusalem/Zion, where, immediately after the city was built, Christ's Second Coming was to occur. The sites for the city and a temple were dedicated at Independence, but Smith returned to Ohio, continued to live at Kirtland, and made the decision to build the first temple there, much to the chagrin of the Mormons who had obeyed his revelations and were "gathering" to Missouri. This led to a serious rift between Ohio and Missouri leaders, many of the latter Smith's earliest disciples from New York. Ancestrally, the focus of this volume is upon the four Carter brothers Simeon, John S., Gideon, and Jared--who joined the Mormon Church in the 1831-32 period. While Simeon (the author's great, great grandfather) did not keep a journal, and

Gideon's journal is very brief, Jared's is one of the most important documents in early Mormon history, and John S.'s shorter journal is also very valuable. Jared was a kind of religious fanatic--with utopian views on faith healing, the power of prayer, and prophecy--yet nevertheless he became president of the Kirtland High Council and a member of the prestigious three-man Kirtland Temple (Building) Committee. John S. became a leader of the Church in the northeastern New York/Vermont region and brought a large company of saints to Kirtland in early 1833. All four Carter brothers became important early missionaries, and four separate chapters document their activities.

Baby Girl - Courtney Herrenberg 2019-05-28

This is a collection of poetry based on the very personal escapades of Courtney Herrenberg.

Baby Girl is divided into four chapters. Agony

Hannah, Divided - Adele Griffin 2004-07-01

In 1934, a thirteen-year-old with a gift for numbers is offered the chance to leave her family's dairy farm to spend one term at an exclusive Philadelphia girls' school preparing for a scholarship exam.

A Girl Divided - Ellen Lindseth 2018

An emotional novel of love, loyalty, and faith--and one woman's exhilarating journey of self-discovery during World War II. Rural China, 1942. Twenty-two-year-old Eugenia Baker exists in a bubble as yet untouched by WWII. Content to help her father with his missionary work, Genie sees her future as a straight, if narrow, road--until an American pilot arrives, warning them of the approaching Japanese army.

Lieutenant Ted Younan is one of the Flying Tigers, volunteer fighters protecting China from aerial attacks. After rescuing Ted from his downed plane, Genie's father asks the flyboy to get his daughter across the mountains so she can escape to the United States. To leave her beloved home--much less chaperoned by her father's overbearing assistant, Nathan--is the last thing Genie wants, but she reluctantly agrees. Ted is unlike any man Genie has known, and he opens her eyes to the idea of determining her own fate and chasing her dreams. But Genie has her doubts when tragedy thrusts responsibility upon her and the war creates unexpected opportunities, challenges...and temptations. Now, a world away from the woman

she was, Genie must discover the woman she wants to be.

Divided We Fall - Trent Reedy 2014

Fulfilling a lifelong dream of serving his country by enrolling in the National Guard, Danny Wright misfires during a routine crowd-control mission in Boise, triggering a public and political maelstrom that slowly escalates toward a second American civil war. By the author of *Words in the Dust*.

Girl Divided Two - Suzie T. Roos 2015-10-13

Life was supposed to get easier... At least that's what Tatum had hoped. New school year, great boyfriend...and things with her and Zach were supposed to be wonderful. Fairy tale wonderful. They aren't. Zach's overbearing family controls his every move--and worse, they want to control Tatum. Now Zach is pressuring her to 'speak for him', which means she'll not only be committed to him but also his mob family. Where's the guy she fell in love with? To make matters worse, her friends introduce her to Nigel, the new guy who is more tempting than Tatum wishes. So which will Tatum give in to...coercion or temptation?

Alpha Divided - Aileen Erin 2014-10-14

From USA Today Bestselling Author Aileen Erin Life has been crazy since Tessa McCaide moved to Texas. She's gone from being a normal-ish girl with visions to a super-powered werewolf. She's fought off vampires and broken a nearly unbreakable curse. And she's got a hot mate, Dastien Laurent, to keep her busy. Things are looking up until the full moon ceremony rolls around. Before Tessa can strengthen her bond with Dastien, the local coven crashes the gates, demanding that Tessa--their heir apparent--be returned. If the pack wants to avoid a war with the witches, handing Tessa over is the only option. Tessa doesn't want to cause an all-out fight, but joining a dark-magic coven isn't on her to-do list, especially if embracing her magic side means parting with Dastien. When the coven leader tries to control Tessa with dark-magic, Tessa realizes she has to dismantle the coven or prepare the pack for war. Either choice will change her life--and her world--forever. "I am in complete love with this book as I have been with the series so far. It holds a magical combination of fast paced action, mystery, witty dialog, and of course the romance makes it a winner." - Eve, *Functioning Insanity*

say, this novel is, without a doubt, wonderful. I felt like an excited Jennifer Lawrence. Happy, giddy, and slightly insane." — The Not So Public Library hr Binge the complete Alpha Girls series now! Book 1: Becoming Alpha Book 2: Avoiding Alpha Book 3: Alpha Divided Book 4: Bruja Book 5: Alpha Unleashed Book 6: Shattered Pack Book 7: Being Alpha Book 8: Lunar Court Book 9: Alpha Erased hr Get ready for Off Planet, the biggest and boldest adventure yet from the mind of Aileen Erin. It's perfect for fans of Suzanne Collins' The Hunger Games, Claudia Gray's Defy the Stars, and Maura Milan's Ignite the Stars! *GIRL DIVIDED* - Willow Rose 2017-11-10

*Divided City* - Theresa Breslin 2013-03-14  
Nominated for ten UK book awards, Theresa Breslin's hit novel tells of how two young boys - one Rangers fan, one Celtic fan - are drawn into a secret pact to help a young asylum seeker in a city divided by prejudice. Now adapted for the stage by Martin Travers, the play has already been produced to great acclaim at Glasgow's Citizens Theatre. Graham and Joe just want to play football and be selected for the new city team, but a violent attack on Kyoul, an asylum seeker, changes everything when they find themselves drawn into a secret pact to help the victim and his girlfriend Leanne. Set in Glasgow at the time of the Orange Order walks, *Divided City* is a gripping tale about two boys and how they must find their own way forward in a world divided by difference. This educational edition has been prepared by national Drama in Secondary English experts Ruth Moore and Paul Bunyan. Published in Methuen Drama's Critical Scripts series the book: - meets the curriculum requirements for English at KS3, GCSE and Scottish CfE. - features detailed, structured schemes of work utilising drama approaches to improve literary and language analysis - places pupils' understanding of the learning process at the heart of the activities - will help pupils to boost English GCSE success and develop high-level skills at KS3 - will save teachers considerable time devising their own resources.

**My Family Divided** - Diane Guerrero  
2018-07-17

"The star of *Orange Is the New Black* and *Jane the Virgin*, Diane Guerrero presents her personal story in this middle grade memoir

about her parents' deportation and the nightmarish struggles of undocumented immigrants and their American children"--  
*Girl Divided* - Willow Rose 2018-01-16  
*Girl Divided* is Neil Gaiman meets Stephen King in this stunning coming of age novel about a young girl's struggle to figure out who she really is while the world is on fire around her. It is a post-apocalyptic sci-fi novel set in a world feeling so scarily real it will give you goosebumps. In a society divided into black and white, a girl is born who is both. Or - in most people's eyes - neither. In the middle of the American Second Civil War, born with a face that is half black and half white, Jetta belongs nowhere. In New Orleans, where she lives with her grandmother after her parents' death, she is believed to be a demon come to curse them all. Everywhere in the town, the blacks - or people of any color - are being persecuted and, one day, Jetta is moved by the white military and shipped outside of the city walls to live in a closed ghetto along with the rest of New Orleans' many blacks. But Jetta is not black. She is not white either, and hiding who you really are isn't easy in a world where race defines everything. In the ghetto, she teams up with Tyler and soon they find an escape, only to end up having to hide until they finally manage to find their way to the black-controlled territories, where they believe they might be protected from the war. But wherever Jetta goes, all she sees is despair and division. People are fighting and soon she starts to ask questions about who she really is - and why her dead grandmother keeps following her. Next, she ventures on a journey to find her real parents and real origin and the powers given to her from them. Scroll up and get your copy today!

**Divided Loyalties** - Nilofar Shidmehr  
2019-02-05

Acclaimed poet Nilofar Shidmehr's debut story collection is an unflinching look at the lives of women in post-revolutionary Iran and the contemporary diaspora in Canada. The stories begin in 1978, the year before the Iranian Revolution. In a neighbourhood in Tehran, a group of affluent girls play a Cinderella game with unexpected consequences. In the mid 1980s, women help their husbands and brothers survive war and political upheaval. In the early

1990s in Vancouver, Canada, a single-mother refugee is harassed by the men she meets on a telephone dating platform. And in 2003, a Canadian woman working for an international aid organization is dispatched to her hometown of Bam to assist in the wake of a devastating earthquake. At once powerful and profound,

Divided Loyalties depicts the rich lives of Iranian women and girls in post-revolutionary Iran and the contemporary diaspora in Canada; the enduring complexity of the expectations forced upon them; and the resilience of a community experiencing the turmoil of war, revolution, and migration.
