[The Secret History of Western Sexual Mysticism](#) - Arthur Versluis
2008-03-25

The first book to reveal the history of Western sexual mysticism • Reveals the secret sexual practices that have been used since ancient Greece to achieve mystical union with God • Details the sects and individuals who transmitted the radical sexual practices that orthodox Christianity never completely silenced • Distinguishes between sexual magic and sexual mysticism Beginning with the ancient Greek Mystery traditions, Gnosticism, and the practices in early Christianity, Arthur Versluis uncovers the secret line of Western sexual mysticism that, like the Tantra of the East, seeks transcendence or union with God through sexual practices. Throughout antiquity, and right into the present day, sexuality has played an important, if largely hidden, role in religious traditions and practices. This includes not only Christian but also kabbalistic and hermetic alchemical currents of sexual mysticism, many discussed together here for the first time. In the Mystery tradition of hieros gamos (sacred marriage) and the Gnostic tradition of spiritual marriage, we see the possibility of divine union in which sexual union is the principal sign or symbol. Key to these practices is the inner or archetypal union of above and below, the intermingling of the revelatory divine world with the mundane earthly one. Versluis shows that these secret currents of sexual mysticism helped fuel the rise of the troubadours and their erotic doctrine, the esoteric teachings of Jacob Böhme in the late 16th century, the 19th-century utopian communities of John Humphrey Noyes and Thomas Lake Harris, the free love movement of the 20th century, and the modern writings of Denis de Rougemont and Alan Watts.

Sacred Sexual Union - Anaiya Sophia 2013-05-05

Experience the orgasmic rapture of Sacred Union with your Twin Soul and the Divine • Includes practices in sacred sexuality, emotional intimacy, and soul awareness to awaken the Love, Power, and Wisdom of your soul, attract your Twin Soul, and satisfy your soul's longing to reunite with God • Draws on teachings from Gnosticism, Sufi mysticism, the Kabbalah, Kundalini yoga, sexual shamanism, the Egyptian Mystery schools, and Christ Consciousness • Offers examples of Sacred Union, including Jesus and Mary Magdalene and Rumi and Shams as well as experiences of modern couples Jesus and Mary Magdalene, Rumi and Shams, King Solomon and the Queen of Sheba, Isis and Osiris--in these sacred unions we recognize the merging not only of Twin Souls but also of these lovers with the Divine. In Sacred Sexual Union, Anaiya Sophia shows this Holy Marriage, complete reunification with your Twin Soul and God, is not a secret reserved for the initiated or a tradition lost to the ages. It is a potent, living spiritual path enabling two beloveds to experience the primordial state of creation as one soul blessed by the Divine Light and Love of their Creator. Drawing on teachings from Gnosticism, Sufi mysticism, the Kabbalah, Kundalini yoga, sexual shamanism, the Egyptian Mystery Schools, and Christ Consciousness, the author reveals the complete alchemical process of Sacred Union. She provides physical, meditative, and psychological practices that combine sacred sexuality, emotional intimacy, and transparent soul awareness to awaken the magnetic energies of your soul, draw your Twin Soul to you, and, with Twin Souls reunited, experience the passionate rapturous remembrance of becoming one with God. She explores ancient writings and rituals of Sacred Union--known as Hieros Gamos in ancient Sumeria, Sacred Marriage in the Kabbalah, Yab Yum in Tibetan Buddhism, and the Bridal Chamber in Gnostic Christianity--and offers examples of Sacred Union throughout the ages, including experiences from her own spiritual journey. More than a meditative or yogic practice, Sacred Sexual Union offers a transformative spiritual path to embrace the threefold flame of Power, Love, and Wisdom and satisfy your soul's longing for wholeness and reunion with the Divine.

The Shape of Sex - Leah DeVun 2021-05-25

The Shape of Sex is a pathbreaking history of nonbinary sex, focusing on ideas and individuals who allegedly combined or crossed sex or gender categories from 200-1400 C.E. Ranging widely across premodern European thought and culture, Leah DeVun reveals how and why efforts to define "the human" so often hinged on ideas about nonbinary sex. The Shape of Sex examines a host of thinkers--theologians, cartographers, natural philosophers, lawyers, poets, surgeons, and alchemists--who used ideas about nonbinary sex as conceptual tools to order their political, cultural, and natural worlds. DeVun reconstructs the cultural landscape navigated by individuals whose sex or gender did not fit the binary alongside debates about animality, sexuality, race, religion, and human nature. The Shape of Sex charts an embrace of nonbinary sex in early Christianity, its brutal erasure at the turn of the thirteenth century, and a new enthusiasm for nonbinary transformations at the dawn of the Renaissance. Along the way, DeVun explores beliefs that Adam and Jesus were nonbinary-sexed; images of "monstrous races" in encyclopedias, maps, and illuminated manuscripts; justifications for violence against purportedly nonbinary outsiders such as Jews and Muslims; and the surgical "correction" of bodies that seemed to flout binary divisions. In a moment when questions about sex, gender, and identity have become incredibly urgent, The Shape of Sex casts new light on a complex and often contradictory past. It shows how premodern thinkers created a system of sex and embodiment that both anticipates and challenges modern beliefs about what it means to be male, female--and human.

The Literati Path to Immortality: The Alchemical Teachings of Lu Xixing - Ilia Mozias 2020

"The Literati Path explores the life and teachings of the Ming author and alchemist Lu Xixing (1520-1601). It begins by examining his biography, religious community, alchemical doctrine, and methods of practice. Lu was special in that he embodied the literati tradition of self-cultivation, engaging in the alchemical arts without ever leaving his habitual life. He did not abandon his family, was never ordained, and had no connection to Daoist or other institutions. He learned internal alchemy from books and through spirit-writing seances where he met Lü Dongbin and other immortals. Next, the work expounds the cosmological doctrines at the foundation of internal alchemy, including those found in the Yijing and the Cantong qi, and outlines the universal ebb and flow of yin and yang as the basis of the immortal elixir. It moves on to describe just how the practice serves to overcome destiny, modeling techniques on biological gestation and creating a new being deep within. It explains major alchemical concepts as applied by Lu Xixing and systematically describes his path to immortality, all the while questioning the validity of his reputation as a sexual alchemist. Shedding fascinating new light on the

religious life of Ming literati and providing a first access to a unique take on internal alchemy in late imperial China, *The Literati Path to Immortality* is a must for anyone interested in traditional Chinese religion and culture!"--

Jung and Sex - Edward Santana 2016-10-04

C. G. Jung, despite not being widely known for his views on sexuality or the treatment of sexual issues, made extensive contributions to understanding the complexities of this field throughout his life. In *Jung and Sex*, Edward Santana makes the case that reclaiming this knowledge can address substantial problems with current treatments and support many who struggle with sexual issues. This thorough exploration of Jung's approach to sexual issues presents a wide-ranging new look at his work and adds contemporary perspectives for helping those suffering with sexual difficulties. The book calls for an important bridging of clinical perspectives to address the contemporary challenges of complex sexual issues and brings attention to a large body of Jung's work on human sexuality, ranging from pioneering thoughts on sexual expressions of the soul to understanding ways to treat sexual symptoms. *Jung and Sex* provides a comprehensive analysis of Jung's views on, and clinical approaches to, sexual issues and treatments, using this knowledge in order to help those with sexual problems and the professionals who support them. It is an essential text for understanding critical dimensions of human sexuality. *Jung and Sex* is an important contribution that closes a gap in the literature of Jungian psychology. It offers unique insights into the subject for Jungian psychotherapists, analytical psychologists, sex therapists, and relationship counselors. The book also supports the work of academics and those interested in contemporary applications of Jungian and post-Jungian studies.

[Summary of Jason Miller's Sex, Sorcery, and Spirit](#) - Everest Media, 2022-04-23T22:59:00Z

Please note: This is a companion version & not the original book. Sample Book Insights: #1 Spiritual stories are important. Stories and myths have the ability to convey meaning on multiple levels, as well as place sometimes odd beliefs and practices into a useful context within our particular culture and the world at large. #2 The Guhyasamāja tantra is one of the earliest tantras in existence. It was written in India in the 3rd or 4th century and is attributed to the Siddha Asanga. It extols the virtues of sensory pleasure as a path to enlightenment. The king of Uddhiyana in what is now Afghanistan asked the Buddha if there was not another way to attain enlightenment, one that did not abandon sensory enjoyment. #3 The Guhyasamāja and Kalachakra Tantras are two of the most well-known inner teachings. They are meant for special people, and their practitioners will deny the efficacy of their approach. But as monasticism and renunciation seem to be becoming less and less attractive in both the East and the West, it is time for the inner teachings to become more widespread and lead to a new definition of what spirituality actually entails. #4 The book recounts the tale of a man named Poliphilo, who was tasked with choosing which portal to take to find his true love, Polia. The three travelers knock on the first portal, which is marked with the words Gloria Dei in Latin, Theodoxia in Greek,

Tif'eret ha-El in Hebrew, and Jal Allah in Arabic.

[The Less Noble Sex](#) - M. Jeanne Peterson 1989-05-22

Physically frail, badly educated girls, brought up to lead useless lives as idle gentlewomen, married to dominant husbands, and relegated to "separate spheres" of life—these phrases have often been used to describe Victorian upper-middle-class women. M. Jeanne Peterson rejects such formulations and the received wisdom they embody in favor of a careful examination of Victorian ladies and their lives. Focusing on a network of urban professional families over three generations, this book examines the scope and quality of gentlewomen's education, their physical lives, their relationship to money, their experience of family illness and death, and their relationships to men (brothers and friends as well as fathers and husbands). Peterson also examines the prominent place of work in the lives of these "leisured" Victorian ladies, both single and married. Far from idle, the mothers, wives, and daughters of Victorian clergymen, doctors, lawyers, university dons, and others were accomplished and productive members of society who made substantial public and private contributions to virtually every sphere of Victorian life.

Sexual Alchemy - Donald Tyson 2000

Chances are that you've heard of Tantra and Taoist sexual practices. Now, as a result of studying the inner mysteries of alchemy, Donald Tyson presents a Western system of sacred sexuality in *Sexual Alchemy*. Here you will learn how to have erotic relationships with loving spirits. That means the methods presented here can function as a Western alternative to Eastern sexual practices. They also can be used by a solitary person and need not depend upon the participation of a partner. The first part of this book presents a history of sex with spirits. It also goes into the secrets of Eastern internal alchemy and how the books of Western alchemy often made secretive references to sexual magick. You will also learn how to create a physical representation of the spirit you are going to use as a partner. The second part of the book includes the practices and techniques which the author found to be effective from other sources or developed himself. This includes techniques of diet, exercise, breathwork, banishings, purifications, and finally, an invocation ritual to summon the spirit who is going to be your lover! Then you will learn the previously hidden secrets of having sex with a spirit lover. You'll learn how to prepare and recognize the signs that this is an actual occurrence and not simply a fantasy. And then, when you have accomplished your ritualized mating, you will learn how to collect and use the resulting, highly charged fluids for magical purposes. Everything we are, everything we have, is a gift from the Divine. Doesn't it make sense that we use all of our abilities to honor the source from which they came? That means we can even make use of our sensual natures to honor the Gods. If you want to follow a system based on western traditions, this book can be your guide.

This book, by Jung's long-time friend and co-worker, completely demystifies the subject. Designed as an introduction to Jung's more detailed studies, and profusely illustrated, here is a lucid and practical account of what the alchemists were really looking for--emotional balance and wholeness"--back cover.

Sex in China - Fang Fu Ruan 2013-11-22

China today is sexually (and in many other ways) a very repressive society, yet ancient China was very different. Some of the earliest surviving literature of China is devoted to discussions of sexual topics, and the sexual implications of the Ym and Yang theories common in ancient China continue to influence Tantric and esoteric sexual practices today far distant from their Chinese origins. In recent years, a number of books have been written exploring the history of sexual practices and ideas in China, but most have ended the discussion with ancient China and have not continued up to the present time. Fang Fu Ruan first surveys the ancient assumptions and beliefs, then carries the story to present-day China with brief descriptions of homosexuality, lesbianism, transvestism, transsexualism, and prostitution, and ends with a chapter on changing attitudes toward sex in China today. Dr. Ruan is well qualified to give such an overview. Until he left China in the 1980s, he was a leader in attempting to change the repressive attitudes of the government toward human sexuality. He wrote a best selling book on sex in China, and had written to and corresponded with a number of people in China who considered him as confidant and advisor about their sex problems. A physician and medical historian, Dr. Ruan's doctoral dissertation was a study of the history of sex in China.

Medieval Mobilities - Basil Arnould Price 2023-01-01

This collection explores the intersection of gender and mobility across the Global Middle Ages. Medieval Mobilities questions how medieval people, texts, images, and ideas move across physiological, geographical, literary, and spiritual boundaries. In what ways do these movements afford new configurations of gender, sexuality, and being? Enacting a dialogue between medieval studies, feminist thought, and queer theory, Medieval Mobilities proposes that attending to the undulations of premodern gender and sexuality may help destabilize unstated assumptions about ways of being and loving in the Middle Ages. This volume also brings together emergent and established scholars to challenge an increasingly static academy and instead envision a scholarly practice focused on intergenerational, international, and interdisciplinary collaboration. Drawing upon wide range of primary sources and theoretical frameworks, the resultant essays unsettle the imagined fixity of gender and propose alternative conceptualizations of embodiment, identity, and difference in the medieval world.
