Kinship and Family in Ancient Egypt - Leire

Olabarria 2020-02-27

Uses primary evidence to ask anthropological questions about kinship and families in ancient Egyptian society.

Private Life in New Kingdom Egypt - Lynn Meskell

2018-06-05

Much of the literature on ancient Egypt centers on pharaohs or on elite conceptions of the afterlife.

Archaeologies Of Social Life Age Sex Class Et Cetra In

Ancient Egypt

This scintillating book examines how ordinary ancient Egyptians lived their lives. Drawing on the remarkably rich and detailed archaeological, iconographic, and textual evidence from some 450 years of the New Kingdom, as well as recent theoretical innovations from several fields, it reconstructs private and social life from birth to death. The result is a meaningful portrait composed of individual biographies, communities, and landscapes. Structured according to the cycles of life, the book relies on categories that the ancient Egyptians themselves used to make sense of their lives. Lynn Meskell gracefully sifts the evidence to reveal Egyptian domestic arrangements, social and family dynamics, sexuality, emotional experience, and attitudes toward the cadences of human life. She discusses how the Egyptians of the New Kingdom constituted and experienced self, kinship, life stages, reproduction, and social organization. And she examines their creation of

communities and the material conditions in which they lived. Also included is neglected information on the formation of locality and the construction of gender and sexual identity and new evidence from the mortuary record, including important new data on the burial of children. Throughout, Meskell is careful to highlight differences among ancient Egyptians--the ways, for instance, that ethnicity, marital status, age, gender, and occupation patterned their experiences. Readers will come away from this book with new insights on how life may have been experienced and conceived of by ancient Egyptians in all their variety. This makes *Private Life in New Kingdom Egypt* unique in Egyptology and fascinating to read.

[The Archaeology of Urbanism in Ancient Egypt](#) - Nadine Moeller 2016-04-18

This book presents the latest archaeological evidence that makes a case for Egypt as an early urban society. It traces the emergence of urban

Archaeologies Of Social Life Age Sex Class Et Cetra In

features during the Predynastic Period up to the disintegration of the powerful Middle Kingdom state (ca. 3500-1650 BC).

Archaeologies of Social Life -

Lynn Meskell 1999-10-29

Archaeologies of Social Life is a fascinating new perspective on everyday life in ancient Egypt.

Egyptian Archaeology -

Willeke Wendrich 2011-09-26

Egyptian Archaeology explores ancient Egypt using a uniquely archaeological approach, drawing on original research to both synthesize and challenge existing scholarship. Written by leading Egyptologists, based on original research and fieldwork Illustrates how practical research is a vital component of any theory-based discussion about the ancient world Examines the cultural and historical processes of ancient Egypt from a global perspective Visually engaging with over 80 illustrations Chapters explore fundamental issues and themes, but focus on specific periods and key archaeological sites

~~The Ashgate Research~~ **Ancient Egypt**

Companion to Queer Theory

- Noreen Giffney 2016-03-23

This interdisciplinary volume of thirty original essays engages with four key concerns of queer theoretical work - identity, discourse, normativity and relationality. The terms 'queer' and 'theory' are put under interrogation by a combination of distinguished and emerging scholars from a wide range of international locations, in an effort to map the relations and disjunctions between them. These contributors are especially attendant to the many theoretical discourses intersecting with queer theory, including feminist theory, LGBT studies, postcolonial theory, psychoanalysis, disability studies, Marxism, poststructuralism, critical race studies and posthumanism, to name a few. This Companion provides an up to the minute snapshot of queer scholarship from the past two decades and identifies many current directions queer theorizing is taking, while also signposting several fruitful avenues for

Archaeologies Of Social Life Age Sex Class Et Cetra In

Ancient Egypt

future research. This book is both an invaluable and authoritative resource for scholars and an indispensable teaching tool for use in the classroom.

Women in Ancient Egypt - Mariam F. Ayad 2022-11-15
Cutting-edge research by twenty-four international scholars on female power, agency, health, and literacy in ancient Egypt. There has been considerable scholarship in the last fifty years on the role of ancient Egyptian women in society. With their ability to work outside the home, inherit and dispense of property, initiate divorce, testify in court, and serve in local government, Egyptian women exercised more legal rights and economic independence than their counterparts throughout antiquity. Yet, their agency and autonomy are often downplayed, undermined, or outright ignored. In *Women in Ancient Egypt* twenty-four international scholars offer a corrective to this view by presenting the latest cutting-edge research on women and

gender in ancient Egypt.

Covering the entirety of Egyptian history, from earliest times to Late Antiquity, this volume commences with a thorough study of the earliest written evidence of Egyptian women, both royal and non-royal, before moving on to chapters that deal with various aspects of Egyptian queens, followed by studies on the legal status and economic roles of non-royal women and, finally, on women's health and body adornment. Within this sweeping chronological range, each study is intensely focused on the evidence recovered from a particular site or a specific time-period. Rather than following a strictly chronological arrangement, the thematic organization of chapters enables readers to discern diachronic patterns of continuity and change within each group of women. · Clémentine Audouit, Paul Valéry University, Montpellier, France · Anne Austin, University of Missouri, St. Louis, Missouri, USA · Mariam F. Ayad, The American

Archaeologies Of Social Life Age Sex Class Et Cetra In

Society - Cynthia Robin

2010-03-15

This volume demonstrates how archaeological data viewed through the lens of gender studies can lead researchers to question and reformulate current models of household organization, subsistence and craft production, ritual performance, and the structure of ancient states. Challenges existing models of prehistoric society that assume the existence of rigidly binary gender systems Part of the Archaeological Papers of the American Anthropological Association Series

Community and Identity in

Ancient Egypt - Deborah

Vischak 2014-10-27

This book examines an elite Old Kingdom cemetery at the southern boundary of ancient Egypt, where the local community developed a unique visual expression of texts, images, and architecture in their tombs. Deborah Vischak argues that localized communities are an important source of identity in ancient Egypt.

~~the ancient Near East:~~

Approaches from Assyriology and beyond -

Stephanie Lynn Budin

2018-10-04

This collection of 23 essays, presented in three sections, aims to discuss women's studies as well as methodological and theoretical approaches to gender within the broad framework of ancient Near Eastern studies. The first section, comprising most of the contributions, is devoted to Assyriology and ancient Near Eastern archaeology. The second and third sections are devoted to Egyptology and to ancient Israel and biblical studies respectively, neighbouring fields of research included in the volume to enrich the debate and facilitate academic exchange. Altogether these essays offer a variety of sources and perspectives, from the textual to the archaeological, from bodies and sexuality to onomastics, to name just a few, making this a useful resource for all those interested in the study of

Archaeologies Of Social Life Age Sex Class Et Cetra In

Ancient Egypt

women and gender in the past.

The Egyptian World - Toby Wilkinson 2013-05-13
Authoritative and up-to-date, this key single-volume work is a thematic exploration of ancient Egyptian civilization and culture as it was expressed down the centuries. Including topics rarely covered elsewhere as well as new perspectives, this work comprises thirty-two original chapters written by international experts. Each chapter gives an overview of its topic, and also covers the latest research in the area. Chapters are divided thematically into seven sections, to enable a broader understanding of all the complexities of ancient Egyptian society without the constriction of chronological divisions, and illustrated with previously unpublished photographs and drawings. Providing fresh perspectives on this ancient culture, a digest of current research trends in Egyptology as well as a unique examination of the Egyptian world, this fascinating title enables students to gain a clear

understanding of ancient

Egyptian society.

Women in Ancient Egypt - Gay Robins 1993

"Gay Robins discusses the role of royal women, queenship and its divine connotations, and describes the exceptional women who broke the bounds of tradition by assuming real power."--Back cover.

The Archaeology of Mediterranean Prehistory - Emma Blake 2008-04-15

This book offers a comprehensive introduction to the archaeology of Mediterranean prehistory and an essential reference to the most recent research and fieldwork. Only book available to offer general coverage of Mediterranean prehistory
Written by 14 of the leading archaeologists in the field
Spans the Neolithic through the Iron Age, and draws from all the major regions of the Mediterranean's coast and islands
Presents the central debates in Mediterranean prehistory---trade and interaction, rural economies, ritual, social structure, gender,

Archaeologies Of Social Life Age Sex Class Et Cetra In

monumentality, insularity, archaeometallurgy and the metals trade, stone technologies, settlement, and maritime traffic---as well as contemporary legacies of the region's prehistoric past
Structure of text is pedagogically driven Engages diverse theoretical approaches so students will see the benefits of multivocality

Companion to Social Archaeology - Lynn Meskell
2008-04-15

The Companion to Social Archaeology is the first scholarly work to explore the encounter of social theory and archaeology over the past two decades. Grouped into four sections - Knowledges, Identities, Places, and Politics - each of which is prefaced with a review essay that contextualizes the history and developments in social archaeology and related fields. Draws together newer trends that are challenging established ways of understanding the past. Includes contributions by leading scholars who instigated

major theoretical trends.

The Archaeology of Pharaonic Egypt - Richard

Bussmann 2023-11-30

In this book, Richard Bussmann presents a fresh overview of ancient Egyptian society and culture in the age of the pyramids. He addresses key themes in the comparative research of early complex societies, including urbanism, funerary culture, temple ritual, kingship, and the state, and explores how ideas and practices were exchanged between ruling elites and local communities in provincial Egypt. Unlike other studies of ancient Egypt, this book adopts an anthropological approach that places people at the centre of the analysis. Bussmann covers a range of important themes in cross-cultural debates, such as materiality, gender, non-elite culture, and the body. He also offers new perspectives on social diversity and cultural cohesion, based on recent discoveries. His study vividly illustrates how our understanding of ancient Egyptian society benefits from

Archaeologies Of Social Life Age Sex Class Et Cetra In

Ancient Egypt

the application of theoretical concepts in archaeology and anthropology to the interpretation of the evidence.

Africans - John Iliffe
2017-07-13

An updated and comprehensive single-volume history covering all periods from human origins to contemporary African situations.

Reading Ancient Egyptian

Poetry - R. B. Parkinson

2009-02-17

In Reading Ancient Egyptian Poetry, Richard Parkinson explores how ancient Egyptian poems have been read and perceived across the ages. Presents an innovative and theoretically-informed account of how the most famous ancient Egyptian poems have been read over 4,000 years. From a leading expert in the interpretation of ancient Egyptian literature. Explores the original experience of ordinary Egyptians enjoying the poems as well as their interpretation during the Middle Kingdom and up to modern times. Draws on recent discoveries in the British

Museum archives to reconstruct the contexts of the poems

Exploring Religion in

Ancient Egypt - Stephen

Quirke 2014-12-03

Exploring Religion in Ancient Egypt offers a stimulating overview of the study of ancient Egyptian religion by examining research drawn from beyond the customary boundaries of Egyptology and shedding new light on entrenched assumptions.

Discusses the evolution of religion in ancient Egypt - a belief system that endured for 3,000 years. Dispels several modern preconceptions about ancient Egyptian religious practices. Reveals how people in ancient Egypt struggled to secure well-being in the present life and the afterlife.

Archaeology and Women

- Sue Hamilton 2016-09-16

Archaeology and Women draws together from a variety of angles work currently being done within a contemporary framework on women in archaeology. One section of this collection of original

Archaeologies Of Social Life Age Sex Class Et Cetra In

articles addresses the historical and contemporary roles of women in the discipline. Another attempts to link contemporary archaeological theory and practice to work on women and gender in other fields. Finally, this volume presents a wide diversity of theoretical approaches and methods of study of women in the ancient world, representing a cross section of work being carried out today under the broad banner of gender archaeology. The geographical and chronological range of the contributions is also wide, from Southeast Asia and South America to Western Asia, Egypt and Europe, from Great Britain to Greece, and from 10,000 years ago to the recent past. An ideal sampler for courses dealing with women and archaeology.

Daily Life in Ancient Egypt -
Kasia Szpakowska 2007-12-17

Ancient Egypt
Using the life of a young girl and her family as a model, this book recreates the daily life of the middle-class residents of the ancient town of Lahun during Egypt's Middle Kingdom period. This perfect snapshot in time has been painstakingly recreated using recently published textual data and archaeological findings. Provides an illuminating and engaging re-construction of what daily life was like in ancient Egypt Describes the main issues of everyday life in the town - from education, work, and food preparation to religious rituals, healing techniques, marriages, births, and deaths Authentically recreated through the use of recently published textual data and archaeological findings directly from the settlement of Lahun and other sites Includes photographs and illustrations of actual artifacts from the settlement of Lahun
