Sex Drive - Stephanie Theobald 2018-10-18
 Arriving in New York with a failing relationship and a body she felt out of touch with, Stephanie Theobald set off on a 3,497 mile trip across America to re-build her orgasm from the ground up. What started as a quest for the ultimate auto-erotic experience became a fantastic voyage

into her own body. She takes us from 'body sex' classes with the legendary feminist Betty Dodson to an interview with the former US Surgeon General Joycelyn Elders, who was fired for suggesting that masturbation should be talked about in schools. Along the way, we are immersed in a weird, countercultural America of marijuana farms and

'ecosexual sexologists'. Sex Drive is a memoir about desire and pleasure, merging sexuality and spirituality, eighteenth-century porn and enlightenment philosophy. A new sexual revolution has begun - and this time round, it's all about the women.

Women Who Love Sex - Gina Ogden 2007-09-11

Wonderful sex does more than melt both body and soul; it brings power, energy, and deep satisfaction to all aspects of our lives. In this unique book, women who consider themselves highly sexually responsive talk in intimate detail about what gives them the greatest pleasure. They redefine sex—based on how women really experience sexual pleasure—confirming what every woman knows instinctively, while creating a new language that every woman will understand. Based on extensive one-on-one interviews conducted by Dr. Ogden with hundreds of women, this thought-provoking, wise, and unprecedented book transforms how we view sex by giving us new ways to think about sexual pleasure. To learn more about the author, Gina Ogden, go to www.ginaogden.com.

Betty Dodson Bodysex Basics - Carlin Ross 2017-02-24

Betty Dodson ran Bodysex workshops for over 25 years. They grew out of the consciousness raising groups feminists started in the 1970's. Women would gather together and talk first person about their personal lives. Betty took it one step further and had women answer two questions: how do you feel about your body & how do you feel about your orgasm. She called her workshops "physical and sexual consciousness raising" which she later shortened to "Bodysex." Betty and Carlin filmed a workshop in 2011 and, based upon demand, started running groups again. It became clear that women wanted to run their own workshops following Betty's model of body pride, sisterhood, and independent orgasm. To date, we've certified 45 women to run workshops in 10 countries and 17 states. This book is a manual describing how to run a workshop from beginning to end. Our hope is that Bodysex spreads across the globe so that future generations of women can learn how to love themselves and their bodies

Cunt - Inga Muscio 2009-07-31

An ancient title of respect for women, the word "cunt" long ago veered

off this noble path. Inga Muscio traces the road from honor to expletive, giving women the motivation and tools to claim "cunt" as a positive and powerful force in their lives. With humor and candor, she shares her own history as she explores the cultural forces that influence women's relationships with their bodies. Sending out a call for every woman to be the Cuntlovin' Ruler of Her Sexual Universe, Muscio stands convention on its head by embracing all things cunt-related. This updated edition features a new foreword by Betty Dodson, an introduction by Derrick Jensen, a new afterword by the author and an updated and expanded resource section.

Getting Off - Jamye Waxman 2007-11-02

Masturbation is like tuning a radio -- you don't know what frequencies you'll enjoy until you play with the knobs. Masturbation has a complicated stigma attached to it; everybody is doing it, but not

everybody talks about it. Some were told that touching oneself would cause cute kittens to die, some were told masturbation led blindness. *Getting Off: A Woman's Guide to Masturbation* is here to debunk those masturbation myths, and reinforce the truth. Masturbation is a totally natural and normal way for women to connect with and find pleasure in their bodies. Fun, informative, and illustrated, *Getting Off* provides women with a wealth of masturbation knowledge -- its history, the mechanics of it, the joys of sexy toys -- plus clear, concise tips on getting off. Foreword by Betty A. Dodson

This is the information you should have been taught at school: a no-holds-barred roadmap that covers everything from how the brain is the most important sex organ and how to communicate what you want to yourself and a partner, all the way down to the messy stuff – solo sex, orgasms, touching, kissing, blow jobs, cunnilingus, anal play, lube, toys, kegels. Buzz - Hallie Lieberman 2019-03-12

In the vein of Mary Roach's *Bonk*, a brilliant microhistory of the sex toy that ultimately tells the story of our changing sexual mores and evolving cultural values. Once only whispered about in clandestine corners, vibrators have become just another accessory for the suburban soccer mom. But how did these once-taboo toys become so socially acceptable? The journey of the devices to the cultural mainstream is a surprisingly stimulating one. In *Buzz*, Hallie Lieberman traces the tale from lubricant in Ancient Greece to the very first condom in 1560 to advertisements touting devices as medical equipment in 19th-century magazines. She looks in particular from the period of major change from the 1950s through the present, when sex toys evolved from symbols of female emancipation to tools in the fight against HIV/AIDS to consumerist marital aids to today's mainstays of pop culture. The story is populated with a cast of vivid and fascinating characters including Dell Williams, founder of the first feminist sex toy store; Betty Dodson, whose workshops helped 1960s women discover vibrators; and Gosnell Duncan, a paraplegic engineer who invented the silicone dildo. And these

personal dramas are all set against a backdrop of changing American attitudes toward sexuality, feminism, LGBTQ issues, and more. Both educational and titillating, Buzz will make readers think quite differently about those secret items hiding in bedside drawers across the nation.

The Pleasure Plan - Laura Zam 2020-05-05

"Fifty percent of adult women have some form of sexual dysfunction at some point of their lives, preventing them from enjoying soul-satisfying sex. Such was the case with Laura Zam, who suffered the blame, shame, and embarrassment of being a terrible lover. For her, sex meant physical pain, zero desire, and emotional scars from being molested in her early years. However, in her late forties, after meeting and marrying the love of her life, Zam was determined to finally fix her sensual self. The Pleasure Plan is what happened when she decided to challenge her hopelessness. In partnership with her initially reluctant husband, she visited a variety of healers and tried an array of pleasure-enhancing methods: from dilators and dildos, to hypnosis and hosting a sex brunch, to cleansing chakras, to making love to her husband in front of a geriatric Tantric goddess. Packed with humor, heart, and a healthy dose of prescriptive advice, this book chronicles Zam's insight as she confronts many issues—from mismatched libidos to female erection enlightenment. Throughout this journey, she and her husband grow as individuals and as a couple, both in and out of the bedroom"--

I began speaking about masturbation with the women in my consciousness-raising groups, and soon I was running masturbation workshops for feminists who were willing to take sexual love and liberation into their own hands. #3 Masturbation is a form of sexual self-help that provides sexual satisfaction for people who are unable to find partners, for teenagers with uncontrollable sex drives, and for couples who are separated or not interested in sex. #4 Masturbation is a primary form of sexual expression, and it should be validated. O Wow - Jenny Block 2015-08-11

What is an ultimate orgasm? An ultimate orgasm is your personal best orgasm. It doesn't leave anything at the table. It doesn't want anything more. It lasts as long as it lasts. It takes as long as it takes. It's as messy and loud or quiet and tidy as you like. It has no room for shame or apology. An ultimate orgasm comes from questioning, exploring, experimenting, with no concern for how society or religion or anything else defines sex or female orgasm. The ultimate orgasm belongs to you and only you and it is your responsibility to find it, to have it, and to keep it for as long as you want to live a fully sexually satisfying life. Want to know the secret to having the ultimate orgasm? Knowing your body and being in the zone. That's it. Lots of tips and tricks and ideas follow later in the book. But first and foremost, we have to empower ourselves to pleasure. No matter how much your partner is committed to your orgasm, you are the only one who can and should be responsible for your orgasm. There's no judgment. No right or wrong way. No bad orgasms.

Sex by Design - Betty Dodson, Ph.d. 2016-04-20

America's Most Honest Memoir Betty Dodson's memoir is the story of one woman's struggle to liberate female sexuality while enjoying her

own. In the 70s, as the feminist movement evolved, focusing on various platform issues including equal pay and voter registration, Betty latched on to sexual liberation as a symbol for self-empowerment. Realizing that so many women weren't enjoying sex, she asked, "How could women ever be truly equal if they were reliant on men for their sexual satisfaction?" She quickly became the leader of the sex-positive feminist movement. And the rest is history.

Speak Your Truth - Fearne Cotton 2021-01-07

THE INSPIRING SUNDAY TIMES BESTSELLER 'Fearne Cotton is a tireless seeker of the truth, and a wonderful communicator of sanity, hope, and (most refreshingly of all) reality. This is, simply put, a beautiful book.' Elizabeth Gilbert, author of *Eat, Pray, Love* and *Big Magic* 'During a time where misinformation is spreading faster than ever and people are finding it hard to keep it real, Fearne shows us the power of living in our truth. She has a magical way of making us feel understood through her compelling storytelling, while showing us a path to a more authentic life.' Vex King, author of *Good Vibes, Good Life* 'This book is going to help a lot of people.' Philippa Perry, author of *The Book You Wish Your Parents Had Read* 'Loved it - without judgement, but with a cheeky wink of wisdom, Fearne gives you the tools that she's learned on her own journey.' Skin, Skunk Anansie 'We need truth talkers more than we ever have right now. Wild, bold, connected truth talkers. Fearne takes our hand and shows us how to be one by treading the wild, vulnerable path first.' Sarah Wilson, author of *First, We Make the Beast Beautiful* Fearne Cotton's voice is familiar to millions, whether that's through television, radio or on her hugely successful *Happy Place* podcast. Her voice is her career, her livelihood and the way she communicates with her audience and her loved ones. So, when Fearne's doctor told her she was at risk of needing a throat operation followed by two weeks of being unable to speak, she found herself facing a period of unexpected contemplation. As she considered what silence would mean, Fearne began to think about other times her voice had gone unheard - as a young woman, as 'just the talent', as the foil to louder, more dominant figures. She found herself wondering, at what point do we internalise this message, and start

silencing ourselves? When do we swallow down our authentic words to become pleasers and compromisers at the cost of our own happiness or wellbeing? Speak Your Truth dives into all the ways we learn to stay

quiet for the wrong reasons, and explores how to find your voice, assert yourself and speak out with confidence. Brave, vulnerable and deeply personal, Speak Your Truth shares Fearne's compelling story and helps you to shape your own.
