*Surprising the Billionaire with
a Baby* - Elizabeth Lynx
2020-10-27

I never meant to get stuck in a dark closet, naked, at the holiday gala. As a self-made billionaire and head of my tech company, the last thing I thought would happen was being pranked by my brother at an expensive gala. Instead of mingling among the crowd of potential investors, I was cold and alone with only some holiday string to keep me company. But then a Christmas miracle happened... The door opened and a beautiful woman appeared. My savior. Until she stepped inside, the door swinging closed and automatically locking behind

her. Now she's trapped with me. All we had was time. Might as well get to know each other. I took the coat check job because it was a paycheck, but then I struck gold... a naked hottie stuck in a closet with me. I may not be one of those "career-minded" adults you read about, but I was responsible enough to pay my bills. When my sister told me about an easy coat check job that paid, I was happy to spend one night in a closet. But I swore that fancy, old hotel where the gala took place was haunted. Why? Because I heard the rumblings of an unsettled spirit back in the deep recesses of a hidden room next to the coat closet. I went in that room

to face the spirit, but then something crazy happened. He wasn't a ghost, but a man. Not just a man but a naked one with a very large, uh, package. All I had to say was, thanks Santa, for bring me exactly what I wished.

The Billionaire's Fake Wife - L Steele 2020-07-14

I never should have agreed to becoming his fake wife... Sinclair Amadeus Sterling aka Mr. Superior Jackass with a God complex. Who also happens to be my blackmailer... gulp. Tall, dark, gazzilionaire growly pants. The first time I met him, I kneed him in his very well endowed balls, don't ask! He had that tightly leashed, controlling air and a smoldering glare that made me damp in seconds. The only thing that sucks worse than his attitude is his (lack of) sense of humor! Honest. Sadly, he's also the one who could save my business from going bust. Hell! So when he offers me the chance to work with him, I can hardly refuse, right? Only

catch? I need to be his pretend wife for hold-your-breath, thirty days. I should have turned and run right then, but... He has the connections to help my sister's failing health, not to mention the money to wipe away my debt. And yeah that... sneaky video recording of him getting me off.

And everything changes... "You are MINE..." Saint Jordan Killian Caldwell A gazillionaire with a panty melting smirk; and a soul as broken as my own. I wanted a child. He wanted a willing wife. I wanted someone to break me and build

me up again... He wanted no emotions, no connection. A simple transaction, that's what he said it would be. I needed something in me to shatter, so I could finally live. He promised that he was the one... who'd bring me to the edge. Show me how it could be between a man and a woman... Just... you know... no sentiments involved. I thought I was willing to do as he commanded. After the nightmare life that I'd led, I hoped that I could walk away with one thing that belonged to me: my own flesh and blood. My baby. That was the deal I had made. I hadn't expected to develop feelings for the father of my child. Definitely hadn't meant to fall in love with the man I must betray... Trapped with the Billionaire

- Erin Swann 2020-03-30

His eyes drew me in. I wanted to hold back. One touch of his lips and he won. I noticed him while basking on the beach in Barbados. I met him on the plane back home. It seemed like fate. Reality slapped me in the face when I got into the office Monday. Our company had been bought, and now I worked for Josh: the man who wanted to dismantle all that my family had built. I wasn't letting him destroy three generations of work without a fight. I'd seen her at a distance on vacation, met her on the plane back, and now she was seated across from me at the company we'd just purchased. Temptingly beautiful from a distance, had become intriguingly intelligent on first meeting, and now irritatingly

She has come to Colorado for one reason and one reason only: to find and get close to Marcus Colter, the eldest Colter brother. Lara is really confused when Tate helps her out of a difficult and potentially dangerous situation. It leaves Lara wondering if he really is the cocky, arrogant jerk that he pretends to be, or if there isn't much more to Tate Colter than she'd initially thought. Tate Colter wants Lara Bailey in his bed...badly. When she completely blows him off and ignores him when they meet, he's even more determined to find out her secrets and get her to submit to the molten desire that radiates between the two of them. The fact that she's one tough female, a woman who can give back exactly what he dishes out, makes her even more intriguing to him. Sparks fly as Tate and Lara become involved in a battle of wits and wills that will ignite flames of passion and desire like neither one of them have ever experienced. But when deception is discovered and a

betrayal takes place, can these two adversaries who are so much alike work together without letting the white-hot passion burning between them incinerate them both?
