Bernard Minier is up there with the best' - The Sunday Times 'A super-accelerated version of a Hitchcock thriller, with thrills and shocks on nearly every page . . . -Hooks & Books Blog Synopsis Politics, phallic statues, and pretty women. Literally everywhere you look, you see an old man and a gold-digging, cling-on wrapped around their wrinkly arms. Looks as though my hot streak ended when Warren Shipley, one of the nation's wealthiest men, hired me to play arm-candy to save face with the other one percenters he did business with. At least that's what I thought when I arrived in Washington, DC, until I was met by old man Shipley's debonair and insanely handsome son. The Senator from California,

Aaron Shipley. Youngest senator in the history of politics, single, beyond rich, and the face of every political magazine around the US. Women everywhere wanted a taste of that power. Me, I'd always thought politics were boring...boy was I wrong. Democracy had never been more exciting. \*\*\* In the sixth book of the Calendar Girl serial, Mia is sent to our nation's capital, Washington, DC. Still on her mission to save her father, she embraces the life of a gold-digging mistress in order to get a life-saving project off the ground. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

Wild Spirit - Audrey Carlan 2021-08-16

The newest sizzling romance from Audrey Carlan, the #1 New York Times bestselling author of the Calendar Girl series. When I was born, I was beloved by my parents. I felt their warmth from the tips of my toes to the untamable curls in my hair—until tragedy hit and I lost them both. With no extended family, I ended up in Kerrighan House, a home for girls just like me—girls who'd lost everything. Mama Kerri took me in and treated me with nothing but love, as did the rest of my sisters of the soul. In that house, we formed a bond that could never be broken. Now danger seems to follow all of us. But what danger could come to me: a petite, high-school Spanish teacher who'd never hurt a fly? The only one on my tail is Omar Alvarado, the bodyguard hired to protect me from the danger lurking around my sisters. The more I shun his advances though, the harder he tries to earn my favor. Omar seems to like my brand of sass and doesn't hide the fact he wants me for his own. I'm determined to not get caught up in his beautiful smile, the sexy suggestions he whispers in my ear, or that incredible body that would make any woman swoon with desire. Even with the tension rising between us, all seemed to

be kept in check—until I found myself in the middle of a high stakes bank robbery. And the only one who could save me, was the one man I tried so desperately to push away.

"Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." ~ Meredith Wild, #1 NYT Bestselling Author It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

**What the Heart Wants** - Audrey Carlan  
2020-07-28

From the #1 bestselling author of the beloved

Calendar Girl books comes the first in a witty, wise and emotionally compelling new series, where coming home is just the beginning... "Fly free." For ten years those words, written on pink parchment paper in her mother's beautiful handwriting, have been Suda Kaye Ross's guiding star. Every year on her birthday, Suda Kaye opens another of the letters her mother penned before she passed, heeding the advice inside as she fills her life with experiences. From Italy to Australia, from Rio to Russia, she's slaked her wanderlust. And then, on her twenty-eighth birthday, she opens the letter that sends her home. Returning to Colorado means confronting everything—and everyone—she left behind, including her cherished sister, Evie, and her first love, Camden Bryant. Suda Kaye and Cam spent four years and one unforgettable night together. Given the way she ran out on him, it's no surprise that he's wary, resentful...and engaged to someone else. Evie, hardworking and überresponsible, just wants her sister to put down roots at last. For Evie's sake, and her own, Suda Kaye is trying to build a new life, all the while wondering whether it's too late to come back home—or if the most important part of her never really left. Don't miss *On the Sweet Side*, the next book in Audrey Carlan's *The Wish* series! With the emotional pull of Susan Wiggs' and Robyn Carr's engaging family dramas, *On the Sweet Side* is a sassy and emotional strangers-to-sisters story about the enduring power of family—both the one you're born with and the one you choose.

Synopsis Life, Love, Laughter. Three things I never expected to experience in the month of giving thanks, but that is just what I received. Wes had survived Hell on Earth, and was back where he was meant to be...in my arms and my bed. For good. There would be no breaking us apart after the trauma we experienced up to this point. My new job with Century Production sent me to the big apple to interview celebrities for a special segment on being thankful. What is a girl to do when she has an entire host of celebrity friends from her past year of travels? You better believe I called up my friends Mason Murphy, all-star pitcher for the Red Sox, and Anton Santiago, the Latin Lov-ah, to participate. They were all too happy to oblige, only my guy's feathers were a bit ruffled by the ease with which they came running. Add in my new family and you've got a fairytale Thanksgiving. Except for one tiny detail...the single seat at the table, left open by the hole in my heart that only one person could fill. \*\*\* In the eleventh book of the Calendar Girl serial, Mia is off to New York City to film a segment for her new job. Now that her debt has been paid, and the threat from her ex is gone, she no longer has to live life as an escort. Only life has thrown her some new challenges to

round out her year. Each installment in the Calendar Girl Serial will release every month throughout 2015. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

In my twenty four years of life, I'd not seen anything like him. Clad only in a small towel precariously dangling from his hips--water droplets streaming down every inch of his muscular frame--I knew right then and there, I'd finally seen male perfection in all its raw glory. What happened next blew me away. It was now abundantly clear why he needed me...a fake fiancée.

**This Here Flesh** - Cole Arthur Riley 2022-02-24

'This is the kind of book that make you different when you're done.' - Ashley C. Ford, New York Times bestselling author of Somebody's Daughter 'From the womb, we must repeat with regularity that to love ourselves is to survive. I believe that is what my father wanted for me and knew I would so desperately need: a tool for survival, the truth of my dignity named like a mercy new each morning.' So writes Cole Arthur Riley in an unforgettable book of stories and reflections on discovering the sacred in her skin. In these deeply transporting pages, Cole reflects on the stories of her grandmother and father and encounters of enfolded, embodied spirituality. As she writes memorably of her own lived experiences of childhood and selfhood, Cole boldly explores some of the most urgent questions of life and faith: How can spirituality not silence the body, but instead allow it to come alive? How do we honour, lament, and heal from the stories we inherit? How can we find peace in a world overtaken with dislocation, noise, and unrest? At once a compelling spiritual meditation and a tender coming-of-age narrative, This Here Flesh invites us to ponder the site of the soul by examining our capacity to rest, wonder, joy, rage, and repair - and finding that our humanity is not an enemy to faith but evidence of it. 'Exquisite' - Ayo Tomenti, co-founder of Black Lives Matter
