Proud of his roots in Brooklyn and New York City Oreste Renato Rondinella was Professor of Educational Studies (presently Professor Emeritus) at Seton Hall University, South Orange, N.J. He decided to utilize his knowledge and passion in teaching to satisfy a long time desire to disprove the axiom "those who can't do, teach!" He wanted to make a statement that this wasn't true for those dedicated to the teaching profession. In 1983 Oreste returned to school for a post-doctoral degree in Marriage and Family Therapy. Subsequently, he directed two Marriage and Family Centers, Allegra Counseling Centers that were successful. He continued to teach for about ten years during this time. However, Oreste began to experience a great hunger and desire to write and retired as a professor- psychotherapist to write full time. He has completed three books: Sin Is Necessary, Illusion vs. Reality--Sounds Within and Without, and is completing Intrigue in Rome. Dr. Rondinella has traveled extensively in the last twenty-five years and conducted research and interviews that contributed to his books. As of October 1, 2003, Dr. Rondinella has resumed his independent practice of marriage and family therapy including individual psychotherapy.

*From Spinster to Career Woman* - Arlene Young 2019-05-30

The late Victorian period brought a radical change in cultural attitudes toward middle-class women and work. Anxiety over the growing disproportion between women and men in the population, combined with an awakening desire among young women for personal and financial freedom, led progressive thinkers to advocate for increased employment opportunities. The major stumbling block was the persistent conviction that middle-class women - "ladies" - could not work without relinquishing their social status. Through media reports, public lectures, and fictional portrayals of working women, *From Spinster to Career Woman* traces advocates' efforts to alter cultural perceptions of women, work, class, and the ideals of womanhood. Focusing on the archetypal figures of the hospital nurse and the typewriter, Arlene Young analyzes the strategies used to transform a job perceived as menial into a respected profession and to represent office work as progressive employment for educated women. This book goes beyond a standard examination of historical, social, and political realities, delving into the intense human elements of a cultural shift and the hopes and fears of young women seeking independence. Providing new insights into the Victorian period, *From Spinster to Career Woman* captures the voices of ordinary women caught up in the frustrations and excitements of a new era.

[The Concise New Partridge Dictionary of Slang and Unconventional English](#) - Terry Victor 2007-12

Reviews of the two-volume New Partridge Dictionary of Slang and

Unconventional English, 2005: The king is dead. Long live the king! The old Partridge is not really dead; it remains the best record of British slang antedating 1945. Now, however, the preferred source for information about English slang of the past 60 years is the New Partridge. James Rettig, Booklist, American Library Association Most slang dictionaries are no better than momgrams or a rub of the brush, put together by shmegegges looking to make some moola. The New Partridge Dictionary of Slang and Unconventional English, on the other hand, is the wee babes. Ian Sansom, The Guardian The Concise New Partridge presents, for the first time, all the slang terms from the New Partridge Dictionary of Slang and Unconventional English in a single volume. With over 60,000 entries from around the English-speaking world, the Concise gives you the language of beats, hipsters, Teddy Boys, mods and rockers, hippies, pimps, druggies, whores, punks, skinheads, ravers, surfers, Valley girls, dudes, pill-popping truck drivers, hackers, rappers and more. The Concise New Partridge is a spectacular resource infused with humour and learning its rude, its delightful, and its a prize for anyone with a love of language.

**City Girl, Country Vet** - Cathy Woodman 2012-09-04

London veterinarian Maz Harwood has learned the hard way that love and work don't mix. So when Emma, her best friend from vet school, asks her to look after her practice in the English countryside for six months, Maz decides that is just the change of scenery she needs. But country life is trickier than she could have imagined. It is one thing to trade her smart heels for wellies; it's another to deal with unwelcoming locals, an intense rivalry with the town's other vet practice, and worse yet, the realization that her friend's practice is in as bad a shape as Maz's own broken heart. Things get even more complicated when she meets her rival's dashing son, who is totally unsuitable as a prospect . . . or is he? Can Maz win over the locals, save the lives of her patients, keep Emma's practice from going under . . . and find love again? Cathy Woodman, a fresh new voice in women's fiction, has written a warm, breezy romantic comedy with just enough mishap and plenty of adorable four-legged creatures. Previously published in the UK as Trust Me, I'm A Vet.

**A Literary History of Iowa** - Clarence A. Andrews 1972

Originally published in 1972, *A Literary History of Iowa*, which features

writers published in book form between 1856 and the late 1960s, returns to print. One of Iowa's native sons, Ellis Parker Butler, once said that in Iowa 12 dollars were spent for fertilizer each time a dollar was spent for literature. Many readers will be surprised to learn from this book the extent of Iowa's distinguished literary past---the many prizes and praise received by her authors. To those already familiar with Iowa's credits, *A Literary History of Iowa* will be a nostalgic and informative delight. During the 1920s and 1930s, Iowa had good claim to recognition as the literary capital of the country. Clarence Andrews says that as he grew up he knew a host of Iowa writers. "I also knew that Iowa was winning a disproportionate share of the Pulitzer Prizes---Hamlin Garland, Margaret Wilson, Susan Glaspell, Frank Luther Mott, "Ding" Darling, Clark Mollenhoff. It was winning its share or more of prizes offered by publishers---and its authors' books were being selected as Book-of-the-Month and Literary Guild books. I knew too about Carl Van Vechten as part of that avant-garde group of midwest exiles---including Fitzgerald, Anderson, and Hemingway." *A Literary History of Iowa* looks at Iowans who knew and cared for the state---people who wrote poetry, plays, musical plays, novels, and short stories about Iowa subjects, Iowa ideas, Iowa people. These writers often have dealt with such themes as the state's history, the rise of technology and its impact on the community, provincialism and exploitation, the problems of personal adjustment, and the family and the community. John T. Frederick, whose own books are paramount in Iowa's literary history, has pointed to Iowa's special contributions to the literature of rural life in saying that no other state can show its portrayal in "fiction so rich, so varied, and so generally sound as can Iowa."
