The Art of Asking Amanda Palmer 2014-11-11 Rock star, crowdfunding pioneer, and TED speaker Amanda Palmer knows all about asking. Performing as a living statue in a wedding dress, she wordlessly asked thousands of passersby for their dollars. When she became a singer, songwriter, and musician, she was not afraid to ask her audience to support her as she surfed the crowd (and slept on their couches while touring). And when she left her record label to strike out on her own, she asked her fans to support her in making an album, leading to the world's most successful music Kickstarter. Even while Amanda is both celebrated and attacked for her fearlessness in asking for help, she finds that there are important things she cannot ask for-as a musician, as a friend, and as a wife. She learns that she isn't alone in this, that so many people are afraid to ask for help, and it paralyzes their lives and relationships. In this groundbreaking book, she explores these barriers in her own life and in the lives of those around her, and discovers the emotional, philosophical, and practical aspects of The Art of Asking. Part manifesto, part revelation, this is the story of an artist struggling with the new rules of exchange in the twenty-first century, both on and off the Internet. The Art of Asking will inspire

readers to rethink their own ideas about asking, giving, art, and love.

The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Summary of Richard La Ruina's The Natural Everest Media, 2022-05-09T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I was a total mess as a teenager. I was shy and socially inept, and I spent most of my time alone. I was constantly bullied by my classmates, who called me names like Big Head and Moley because of the birthmarks on my face. #2 I was a man without skills, tools, techniques, or tips on how to succeed with the opposite sex. I was a virgin at the time, and I had no confidence. I was scared of overtly sexual girls, because I didn't know how to handle them. #3 I was a personal investor, trading stocks from home. I was extremely successful, and I was finally able to save up enough money to ask a friend to invest it for me and help me start a dating life. I was terrified of socializing, though, so I spent all my time trading stocks. #4 I was very needy and very inexperienced when it came to dating. I was 22 years old and still living at home with my mother. I decided to start working on myself and improve myself in any way possible. I decided to write down all my problems and make a plan to address each one.

The Dance of Illusion Evelyn Pretkus 2021-08-29 The Dance of Illusion story covers the topics of courage, change and the power of choice in a way that has never been done before. Imagine the possibility we are all impaired at birth with the blessing of forgetfulness to the universal truth that separation is The Dance of Illusion and where there is love, Divine Love, there is no separation. This story calls humanity forward to awaken from an unidentified silent epidemic of an addiction to suffering caused by an underlying, unrecognized belief system rooted in separation. What is required as the entrance ticket to new beginnings in life? It is for the reader to answer an invitation to love, Divine Love that stands the test of time, with a resounding YES. Ultimately, The Dance of Illusion proposes a new way of living in the 21st century and beyond; to learn and live in joy, with suffering a distant memory of the past. This is a story laced empowerment, hope and new beginnings. This is one woman's true story about awakening to something more in life and how to navigate through many sunrise and sunsets to find true love, Divine love that is found on a journey within. The basic universal truth offered for consideration throughout the story is that we are human beings having a spiritual experience. What is important along the way is to discover the building blocks of truth both personal and universal to rise out of tragedy to experience triumph. What is triumph you

might ask? From the author's point of view, it is the joy of living in freedom without suffering with great passion while consciously creating life with Divine Love as the foundation of faith upon which we stand. Every element of the story showcases an innovative, breakthrough process on how to thrive through difficult times of chaos and change, and how to quiet the passions of the mind in ways that are previously unimaginable and unavailable to millions of people today. The reader is encouraged to ask and seek the answer to a tough question, "How do we create peace in the world when so many millions of us are at war, an invisible war, an attack unrecognized within our own being, perhaps even sleepwalking through life?" The described paradigm creates the set up for denying the time to question the true meaning of life on earth beyond the obvious. In midlife, the author asked herself the question, "Who am I at the core of my being?" The answers sought were beyond the field of right and wrongdoing, beyond make a living and beyond material possessions. While this sounds serious and it is, there are many stories shared that will leave the reader laughing and asking for more. Time may just be the new currency of wealth in the 21st century. It is the author's perspective; it is what we consciously choose to do with time, that is up for investigation throughout this story. In midlife, the author found herself in emotional and financial crisis which, unexpectedly led to a spiritual emergency. After experiencing great loss, she found herself experiencing deep depression, anxiety and nagging, never ending suicidal thoughts. Having been raised Catholic, she found herself feeling separate from God, family and everyone she loved. This is a story that has never been told before about suicide from a spiritual perspective. This is a must read for those who suffer from depression, anxiety and suicidal tendencies, those who love them and professionals who help them.

The Spanish Love Deception Elena Armas 2022-02-08 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. *The Spanish Love Deception* is an enemies-to-lovers, fake-dating.

The Dancing Goddesses: Folklore, Archaeology, and the Origins of European Dance Elizabeth Wayland Barber 2013-02-11 A fascinating exploration of an ancient system of beliefs and its links to the evolution of dance. From southern Greece to northern Russia, people have long believed in female spirits, bringers of fertility, who spend their nights and days dancing in the fields and forests. So appealing were these spirit-maidens that they also took up residence in nineteenth-century Romantic literature. Archaeologist and linguist by profession, folk dancer by avocation, Elizabeth Wayland Barber has sleuthed through ethnographic lore and archaeological reports of east and southeast Europe, translating enchanting folktales about these "dancing goddesses" as well as eyewitness accounts of traditional rituals—texts that offer new perspectives on dance in agrarian society. She then traces these goddesses and their dances back through the Romans and Greeks to the first farmers of Europe. Along the way, she locates the origins of many customs, including coloring Easter eggs and throwing rice at the bride. The result is a detective story like no other and a joyful reminder of the human need to dance.

Women Who Run with the Wolves Clarissa Pinkola Estés Phd 1995-08-22 NEW YORK TIMES BESTSELLER • One million copies sold! “A deeply spiritual book [that] honors what is tough, smart and untamed in women.”—The Washington Post Book World Book club pick for Emma Watson’s *Our Shared Shelf* Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society’s attempt to “civilize” us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.

100 Ways God Speaks to You Robert A. Avila 2021-12-10 “ ‘Call out,’ the voice asserted. This direction edged into my brain and flooded my mental realm...” God can speak to any of us, anytime—but how do we hear Him? Christian author, Robert Avila, didn’t always recognize God speaking to him, until he discovered a pattern. In a collection of short stories from his life, Avila shares specific moments he acted upon promptings from a still small voice—saw the outcome—and noticed God using him as a vehicle to carry out tiny—and sometimes enormous—miracles. But how did Robert know it wasn’t just his own thoughts? In this collection of interactions with God told in short-story form, he explains how God breaks the chains of religious indoctrination and sets us on the narrow path. He teaches us the techniques God uses to draw us nearer to Him and guide us toward our life’s purposes. Perhaps God is speaking to you, but you don’t recognize His voice. Just like there are hundreds of radio waves—some producing clear sounds, others inaudible—there are more than 100 ways God communicates. In this book, Robert Avila teaches you how to transform your faith—tune-in—and hear Him.

Managing to Sell Lou Sepulveda 2009-06 Building a successful sales organization is more than possible if you have the right information, tools, and work ethic to make it work. "Managing to Sell" will teach you: the secrets to developing door-to-door sales teams how to hire, develop, train, and build a sales team that shatters corporate records About the Author Lou Sepulveda, CPP, grew a sales organization from a start-up to a \$5 billion annual business in less than four years. Author of "The Formula for Selling Alarm Systems" and "Surviving in the Security Alarm Business," Sepulveda is CEO of Lou Sepulveda Consulting, which specializes in assisting companies in developing and growing their sales organizations. Sepulveda has developed and managed direct sales organizations in the United States and in thirty countries around the world. Those offices quickly became the market leader in every country in which they operated, proving that language and cultural differences make little difference in creating success.
