

Dangerous Friend The Teacher Student Relationship In Vajrayana Buddhism

Goeroes Stine Jensen 2019-03-15 Als een cursusweek mediteren in Frankrijk een bizarre wending neemt, komt Stine Jensen voor de vraag te staan: hoe ver ben je bereid te gaan voor je spirituele ontwikkeling? En wat mag een leraar wel of niet doen? Veel moderne spiritualiteit is lang niet zo zen als we denken. De vergelijking met een onderdrukkende religie of een sekte kan gemakkelijk worden gemaakt wanneer je je afhankelijk maakt van een geestelijk leider. Maar de kracht van moderne spiritualiteit zit hem juist vaak ook in de aantrekkingskracht van de gemeenschap in een individualistische samenleving. In Goeroes onderzoekt Stine de relatie tussen afhankelijkheid en onafhankelijkheid, autonomie en overgave en de behoefte aan spirituele groei.

A Garland of Feminist Reflections Rita M. Gross 2009-03-05
Rita M. Gross has long been acknowledged as a founder in the field of feminist theology. One of the earliest scholars in religious studies to discover how feminism affects that discipline, she is recognized as preeminent in Buddhist feminist theology. The essays in *A Garland of Feminist Reflections* represent the major aspects of her work and provide an overview of her methodology in women's studies in religion and feminism. The introductory article, written specifically for this volume, summarizes the conclusions Gross has reached about gender and feminism after forty years of searching and exploring, and the autobiography, also written for this volume, narrates how those conclusions were reached. These articles reveal the range of scholarship and reflection found in Rita M. Gross's work and demonstrate how feminist scholars in the 1970s shifted the paradigm away from an androcentric model of humanity and forever changed the way we

study religion.

The Guide to Enlightenment Carolyn Kanjuro 2021-10-19

Navigate the transformative potential of the student-teacher relationship with advice and personal stories from two female Buddhist teachers with decades of experience working with spiritual guides. Taking a spiritual path that genuinely transforms our lives is no easy task. It engages the deepest parts of ourselves, and there are many pitfalls and ravines that can carry us away on this sometimes treacherous path. A spiritual guide who is genuine and experienced is vital for navigating such obstacles--someone to give perspective, someone to trust, someone to light the way. The teacher-student relationship has been a core part of Buddhism from the time of the Buddha and his first disciples over 2,500 years ago, and it continues to be central to navigating a spiritual path of meditation and reflection. In this intimate collection of personal stories and advice, Allison Choying Zangmo and Carolyn Kanjuro team up to reflect on their experiences as longtime practitioners of Buddhism, their own unique relationships with their partners who are also their spiritual guides, and to celebrate and uphold the transformative power of the student-teacher relationship. As both students and leaders in their Buddhist communities, Allison and Carolyn share insights into how we can successfully interpret traditional Buddhist understandings of spiritual mentorship for today's world. From guidance on how to find a teacher to how to face issues of miscommunication and confrontation, Kanjuro and Zangmo help readers consider their own goals and emotional boundaries as a starting point for building a positive new spiritual connection.

The Heart of the Path Lama Zopa Rinpoche 2009-01-01 Guru devotion is a greatly misunderstood but extremely important topic in the practice of Tibetan Buddhism. In this exhaustive treatment of the subject the author explains clearly what it is, what it is not, and how to practice it --Provided by publisher.

Spirituality and Mental Health Phil Barker 2006-06-14 This text explores spirituality and its relationship to mental health. It emphasizes the need to look inward and listen to the messages which are channelled through our beings, rather than dismiss these experiences as some form of "disorder". Part One considers spirituality as a reflection of the process of change. A brief overview of the contemporary history of spiritual inquiry in the field of mental health is provided. Part Two considers spirituality as a reflection of the process of meaning making. Part Three considers spirituality in terms of different forms of journey, including a consideration of the traditional concept of pilgrimage. Part Four considers the potential for healing that lies within even the most terrifying forms of madness. The book then concludes with a suggestion of the power of "waiting" and the rewards obtained by the careful, compassionate practice of life.

Illusory Advice Ngakma Nor'dzin Ngakpa 'ö-Dzin 2015-09-04 Illusory Advice is an anthology of lively email discussions between two Western-born Buddhist teachers and their students. The questions and replies cover a wide range of topics-to which the Buddhist view is applied with directness, subtlety, and humour-such as: family life; interpersonal difficulties; and, the student-teacher relationship. Ngakma Nor'dzin and Ngakpa 'ö-Dzin are a married teaching-couple of the Aro gTér Lineage of the Nyingma Tradition of Tibetan Buddhism. They are ordained representatives of the ancient non-monastic tradition of Vajrayana, in which every-day life circumstances and individual-personality are embraced as the path of transformation.

The Guru Principle Lama Shenpen Hookham 2021-08-17 A clear-headed and relatable guidebook for navigating the student-

teacher relationship by one of the first female Buddhist teachers in the West. All major forms of Buddhism stress the need for a teacher. However, the importance of having a guide or guru is sometimes a source of cultural and spiritual confusion as Buddhism expands in the West. A clear understanding of the Buddhist view of the guru is essential for the student-teacher relationship to be beneficial for one's spiritual growth. Collecting over fifty years of personal experiences as both a student and a teacher, Shenpen Hookham writes candidly of the opportunities and challenges facing modern Dharma students in the West who wish to study with a teacher. Traditional texts often do not reflect how the student-teacher relationship manifests in practice, which leaves many pressing questions and a great deal of confusion in communities taking root in the West. With honesty and clarity, Hookham discusses the roles of the teacher, practices related to the guru, and commonly asked questions she receives as a teacher. This handbook is the first of its kind, breaking down in a pragmatic and relatable way everything you need to know to enter a student-teacher relationship with open eyes and an open heart.

In the Presence of Masters Reginald A. Ray 2004-06-29 Thirty of the most creative, eloquent, and energetic Tibetan Buddhist teachers of Westerners in recent decades are featured in this collection of teachings that are certain to be highly treasured by all students of Buddhism. The contributors are masters who helped establish Buddhism in the West, founding centers in North America, Great Britain, Australia, and Europe; publishing books in English; and gaining recognition among Western Buddhists. Their teachings, drawn exclusively from the spoken word as given in talks and seminars, convey the directness and power for which the oral tradition is so valued in Buddhism. The book highlights the teachings of the practice lineages, the branch of Tibetan Buddhism that emphasizes meditation practice, personal experience, and spiritual realization. Selections are thematically

organized, including topics such as the major approaches to the spiritual path, meditation and other practices, Buddhist ethics, tantric practice, and the role of the teacher. Includes the following teachers: Chagdud Tulku Rinpoche • Chögyam Trungpa Rinpoche • Chökyi Nyima Rinpoche • Deshung Rinpoche • Dilgo Khyentse Rinpoche • Drubwang Tsoknyi Rinpoche • Dudjom Rinpoche • Dzigar Kongtrul Rinpoche • The Dzogchen Pönlop Rinpoche • Dzongsar Khyentse Rinpoche • Gen Lamrimpa • The Third Jamgön Kongtrul Rinpoche • Kalu Rinpoche • Venerable Khandro Rinpoche • Khenpo Könchog Gyaltsen • Khenpo Tsultrim Gyamtso Rinpoche • Lama Lodö • Lama Thubten Yeshe Rinpoche • Namkhai Norbu Rinpoche • Nyoshul Khenpo Rinpoche • Ringu Tulku Rinpoche • Sakyong Mipham Rinpoche • Sogyal Rinpoche • Tarthang Tulku Rinpoche • Thinley Norbu Rinpoche • Thrangu Rinpoche • Traleg Kyabgon Rinpoche • Tulku Thondup Rinpoche • Tulku Urgyen Rinpoche • Lama Zopa Rinpoche

Mastering the Core Teachings of the Buddha Daniel Ingram
2020-01-20 The very idea that the teachings can be mastered will arouse controversy within Buddhist circles. Even so, Ingram insists that enlightenment is an attainable goal, once our fanciful notions of it are stripped away, and we have learned to use meditation as a method for examining reality rather than an opportunity to wallow in self-absorbed mind-noise. Ingram sets out concisely the difference between concentration-based and insight (vipassana) meditation; he provides example practices; and most importantly he presents detailed maps of the states of mind we are likely to encounter, and the stages we must negotiate as we move through clearly-defined cycles of insight. Its easy to feel overawed, at first, by Ingram's assurance and ease in the higher levels of consciousness, but consistently he writes as a down-to-earth and compassionate guide, and to the practitioner willing to commit themselves this is a glittering gift of a book. In this new edition of the bestselling book, the author rearranges, revises and expands upon the original material, as well as adding

new sections that bring further clarity to his ideas.

Zen and Therapy Manu Bazzano 2017-06-26 Zen and Therapy brings together aspects of the Buddhist tradition, contemporary western therapy and western philosophy. By combining insightful anecdotes from the Zen tradition with clinical studies, discussions of current psychotherapy theory and forays into art, film, literature and philosophy, Manu Bazzano integrates Zen Buddhist practice with psychotherapy and psychology. This book successfully expands the existing dialogue on the integration of Buddhism, psychology and philosophy, highlighting areas that have been neglected and bypassed. It explores a third way between the two dominant modalities, the religious and the secular, a positively ambivalent stance rooted in embodied practice, and the cultivation of compassion and active perplexity. It presents a life-affirming view: the wonder, beauty and complexity of being human. Intended for both experienced practitioners and beginners in the fields of psychotherapy and philosophy, Zen and Therapy provides an enlightening and engaging exploration of a previously underexplored area.

Artisanal Theology Lisa M. Hess 2009-01-15 Paradox and surprise face those who pursue deeper spiritual practice, theological wisdom, and even a religious calling into the ministry.

Unbeknownst to incoming students, the pursuit of theological education in established institutions today furthers a faith that is recognizable in delight and compassion, even as it may just as easily deform it into a moral duty and autonomous professionalism so divisive in today's religious ecology. How may those drawn into ministry formation today receive its deep theological treasures and sustain a vibrant faith with a theologically expressive delight able to companion the suffering of self and others? Artisanal Theology explores the paradoxes and surprises that await those walking in the worlds of theological education--the local congregation, the academy, the tradition/denomination. Part handbook, part witness, it offers

guidance for the path of intentional formation within contemporary institutions of theological education, whose riches may be mined in a disciplined spiritual stewardship and grounded in radically covenantal companionship. Just like artisanal bread blends the classical methods of bread-baking with modern conveniences, so an artisanal theology relies upon the personal and communal touch of human relationship amidst the contemporary forms of programmatic theological education. An artisanal theology offers an articulate and traditionally-rooted faith perspective grounded in covenantal companionships sustained in contexts of church, tradition, and, most importantly, practice. Ultimately, an artisanal theology witnesses beyond the anticipated political divides to the Triune God-among-us, known in a theologically expressive delight, able to companion the suffering of self and others.

Buddhism Observed Peter Moran 2003-09-02 This anthropological study examines the encounter between Western travellers and Tibetan exiles in Bodhanath, on the outskirts of Kathmandu and analyses the importance of Buddhism in discussions of political, cultural and religious identity.

Wild Awakening Dzogchen Ponlop 2003-12-16 Mahamudra and Dzogchen are perhaps the most profound teachings within all of Tibetan Buddhism. The experience of Mahamudra, or "great symbol," is an overwhelming sense of extraordinary clarity, totally open and nondualistic. Dzogchen, or "great perfection," is the ultimate teaching according to the Nyingma tradition and also represents the pinnacle of spiritual development. These are the two paths that provide practitioners with the most skillful means to experience the fully awakened state and directly taste the

reality of our mind and environment. And yet these concepts are notoriously difficult to grasp and challenging to explain. In *Wild Awakening*, Tibetan Buddhist master Dzogchen Ponlop Rinpoche presents these esoteric teachings in a style that reveals their surprising simplicity and great practical value, emphasizing that we can all experience our world more directly, with responsibility, freedom, and confidence. With a straightforward approach and informal style, he presents these essential teachings in a way that even those very new to Tibetan Buddhism can understand.

The Guru Drinks Bourbon? Dzongsar Jamyang Khyentse 2016-11-22 An enlightening, accessible, and highly entertaining guide to the guru-disciple relationship, the heart of Tibetan Buddhism The humility and compassionate activity of the Dalai Lama is something many people can connect with, but how can one understand the stories about some other Buddhist teachers' unorthodox behavior? The centrality of and reliance on a guru is one of most misunderstood elements of Tibetan Buddhism—and one that is most often veiled in mystery. Because the guru can and will use whatever means it takes to wake us up, this relationship may require us to drop our most deeply held beliefs and expectations. Dzongsar Jamyang Khyentse addresses some of the most misunderstood aspects of this powerful relationship and gives practical advice on making the most of this precious opportunity for transformation. Through stories and classical examples, he shows how to walk the path with eyes wide open, with critical-thinking skills sharpened and equipped to analyze the guru, before taking the leap.

The Teacher-Student Relationship Jamgon Kongtrul 2018-01-09 It is crucial for students of Vajrayana Buddhism to find an authentic wisdom teacher and know how to properly rely upon that teacher in order to awaken to their buddha nature and thereby attain full enlightenment. Fortunately, the topic has been thoroughly explored by Jamgon Kongtrul in the tenth chapter of *The Treasury of Knowledge*. This essential text clearly lays out what credentials and qualities one should look for in a wisdom teacher, why a wisdom teacher is necessary, and how the relationship between this teacher and disciple best develops once it is established.

Self and No-Self Dale Mathers 2013-12-16 This collection explores the growing interface between Eastern and Western concepts of what it is to be human from analytical psychology, psychoanalytic and Buddhist perspectives. The relationship between these different approaches has been discussed for decades, with each discipline inviting its followers to explore the depths of the psyche and confront the sometimes difficult psychological experiences that can emerge during any in-depth exploration of mental processes. *Self and No-Self* considers topics discussed at the *Self and No-Self* conference in Kyoto, Japan in 2006. International experts from practical and theoretical backgrounds compare and contrast Buddhist and psychological traditions, providing a fresh insight on the relationship between the two. Areas covered include: the concept of self Buddhist theory and practice psychotherapeutic theory and practice mysticism and spirituality myth and fairy tale. This book explains how a Buddhist approach can be integrated into the clinical setting and will interest seasoned practitioners and theoreticians from analytical psychology, psychoanalytic and Buddhist backgrounds, as well as novices in these fields.

Dangerous Friend Rig'dzin Dorje 2001-11-06 Although Tibetan Buddhism continues to grow in popularity, the crucial

relationship between teacher and student remains largely misunderstood. *Dangerous Friend* offers an in-depth exploration of this mysterious and complex bond, a relationship of paramount importance in Tibetan Buddhist practice. According to Tibetan Buddhist tradition, the student must have complete trust in the teacher (the "dangerous friend") if he or she is to achieve any understanding. It is the teacher's responsibility to uphold the integrity of the tradition, the basis of which is compassion for all beings, by transmitting it properly to an appropriate student. Likewise, it is the student's responsibility to meet the challenge of carrying on the lineage of teachings. By entering such a relationship, both teacher and student accept the burden of protecting those teachings by understanding them completely and correctly, by practicing them fully and faultlessly, and by transmitting them without omission. *Dangerous Friend* includes discussions of the following topics: • Meeting and recognizing an appropriate teacher. • Understanding the gravity of entering the teacher-student relationship. • Shifting one's approach from spiritual materialism to genuine Buddhist practice. • Accepting the challenge of being truly kind, honest, and courageous.

Holy Madness Georg Feuerstein 2013-10-09 This book traces the shadowy tradition of "holy madness/crazy wisdom" from the Holy Fools of early Christianity, through the great adepts of India and Tibet, up to the controversial gurus of today. In our day, when even the Dalai Lama has warned Western seekers to choose their teachers carefully, Feuerstein provides an intelligent and cautionary guidebook to the guru-disciple relationship, plus a comprehensive analysis of the principles of authentic spirituality.

Identity, Ritual and State in Tibetan Buddhism Martin A. Mills 2013-11-05 This is a major anthropological study of contemporary Tibetan Buddhist monasticism and tantric ritual in the Ladakh region of North-West India and of the role of tantric ritual in the formation and maintenance of traditional forms of state structure and political consciousness in Tibet. Containing

detailed descriptions and analyses of monastic ritual, the work builds up a picture of Tibetan tantric traditions as they interact with more localised understandings of bodily identity and territorial cosmology, to produce a substantial re-interpretation of the place of monks as ritual performers and peripheral householders in Ladakh. The work also examines the central and indispensable role of incarnate lamas, such as the Dalai Lama, in the religious life of Tibetan Buddhists.

The Four Noble Truths of Love Susan Piver 2018-06-01 "Susan Piver consistently offers what so many of us seek: A generous, caring, loving teacher, someone with an open heart and a clear mind, eager to help us find our own way forward." —Seth Godin, author of *Linchpin* Broken hearts, resentment, affairs, divorce. Why is it so hard to make relationships work? New York Times bestselling author and mindfulness expert Susan Piver applies classic Buddhist wisdom to modern romance, including her own long-term relationship, to show that ancient philosophies have timeless—and unexpected—wisdom on how to love. *The Four Noble Truths of Love* will challenge the expectations you have about dating, sex, and romance, liberating you from the habits, traumas, and expectations that have been holding back your relationships. This mindful approach toward love will help you open your heart fearlessly, deepen communications with your partner, increase your compassion and resilience, and lead you toward a path of true happiness. You have nothing to lose and

everything to gain: expansive, real love for yourself and others.

Gypsy Gossip and Other Advice Thinley Norbu 2016-02-16

Thinley Norbu addresses questions of interest to Western and Eastern students of Tibetan Buddhism, ranging from matters of everyday practice to esoteric philosophy. Young practitioners of Tibetan Buddhism from Asian and Western cultures have similar questions and concerns, such as the conflicts between traditional values and the influence of modern materialism. In four thoughtful commentaries (described below), Thinley Norbu addresses contrasting cultural perspectives on topics ranging from everyday practice to esoteric Buddhist philosophy. **Gypsy Gossip:** How should Westerners understand the rituals of Tibetan Buddhism, the teachings of karma and rebirth, monastic discipline, devotion to the guru, and the importance of keeping vows? Do Vajrayana practitioners need a consort? What is the Buddhist stand on male supremacy? These are just a few of the wide-ranging questions of Western students that are answered here by Kyabje Thinley Norbu Rinpoche in an atmosphere of spiritual friendship. **Buddhism in the West:** In this never-before-published interview conducted by Melvin McLeod, editor of Shambhala Sun and Buddhadharma magazines, Rinpoche gives an extensive commentary on how cultural differences have affected the adoption of Tibetan Buddhism in the West. For example, Western children are raised to develop a strong sense of selfhood instead of humility, to be preoccupied with materialistic ideas about what is apparent to the five senses, and to embrace eternalist religion. Because of misapplied ideals of egalitarianism and individual freedom, many Western Buddhists are skeptical of traditional doctrines like karma and rebirth, devotion to the guru, and the importance of lineage. Rinpoche explains that Buddhism can flourish in the West through a greater development of faith and belief. **A Message for Young Bhutanese:** Rinpoche had a close personal connection with the kingdom of Bhutan. In this message he urges young Buddhists to preserve their spiritual heritage and

carry its blessings onward amid the modern influences of materialism. He warns against introducing foreign nihilistic beliefs into Bhutan and creating sectarian conflicts between its indigenous lineages. These words of advice were written for an organization called the Young Bhutanese Buddhist Association. An Introduction to Dharma Dance Offerings: The Dharma dances of Tibet, which manifest the enlightened activities of peaceful and wrathful deities, are contrasted with ordinary dancing that expresses the passions of material reality and lacks the positive influence of wisdom. Thinley Norbu Rinpoche was himself an accomplished practitioner and teacher of sacred dance. This commentary was written in connection with several teaching films directed by Rinpoche, in which Dharma dances are performed by some of his young students.

Roaring Silence Ngakpa Chogyam 2002-12-03 A practical guide to the Tibetan Buddhist tradition of Dzogchen—or the direct experience of enlightenment—complete with meditation techniques by two Vajrayana teachers In Roaring Silence, Vajrayana teachers Ngakpa Chögyam and Khandro Déchen walk the reader through the meditation techniques that "enable us to side-step the bureaucracy of intellectual processes and experience ourselves directly"—to discover this direct experience of enlightenment that is the mind of Dzogchen. Surprisingly, the approach is very pragmatic. Offering an investigation of the necessary steps, the authors begin with how to prepare for the journey: the lama is essential; as are a sense of humor, inspiration, and determination. They continue by describing the path of Dzogchen from sitting meditation to the direct perception of reality. The chapters include exercises for sharpening the presence of our awareness, for simple visualizations, and for investigating how to "remain uninvolved" with mental activity for a period—with follow-up guidance on how to view our experiences. Both practical and inspirational, the authors' exquisitely precise guidance is all presented with the caveat, "be

kind to yourself, don't push yourself beyond your limits."

Fragrant Rivers of Wisdom A. Christian van Gorder 2021-12-09
Buddhism and Christianity are ancient, rich, and multivalent wisdom spirituality traditions that often have insightful similarities as well as distinct perspectives from entirely different starting points. *Fragrant Rivers of Wisdom* explores some of these paths and encourages readers to gain, as far as is possible, a participant's appreciation of another faith. This book aims to help readers celebrate and enjoy the rich wisdom legacies of a teacher revealing a pure lotus blossoming from mud and the legacies of a peasant Jewish carpenter from Galilee revealing love on a cross. Both teachers share the power of love, the joys of healing encouragement, and the creative resources of spirit-filled living. Their ancient words and their modern communities still following these paths are dynamically relevant for our modern context of confusion and challenge.

Secret of the Vajra World Reginald A. Ray 2002-07-23
This book provides an entrée into the Tantric (or Vajrayana) Buddhism of Tibet, as conveyed by Tibetan masters teaching in the West, and as received by their Western students. The Tantric tradition is a unique collection of lesser-known texts, concepts, and meditation practices that are usually made available only to experienced and specially initiated practitioners. The "Vajra World" (vajradhatu in Sanskrit) is a realm of indestructibility, the level of reality beyond all thought and imagination, all impermanence and change, which a fully realized person knows and inhabits. Used metaphorically, "Vajra World" refers to the traditional culture of Tibet and the unique spirituality that is its secret strength. Topics include: The tantric view of human nature and the external world The special role of the guru, or tantric mentor The preliminary practices that prepare the student for full initiation The major dimensions of Vajrayana practice, including visualizations, liturgies, and inner yogas The tradition of the tulku, or incarnate lama The lore surrounding the death of

ordinary people and of saints The practice of solitary retreat, the epitome of traditional Tibetan Buddhism Secret of the Vajra World is the companion volume to the author's earlier book, Indestructible Truth: The Living Spirituality of Tibetan Buddhism. While that book focuses on the history, cosmology, philosophy, and practice of the more public, exoteric side of Tibetan Buddhism, this work treats its more hidden and esoteric aspects as they take shape in Vajrayana. Together, the two volumes provide a broad introduction to the major traditions of Tibetan Buddhism.

Losing the Clouds, Gaining the Sky Doris Wolter 2007-05-16 "This collection of thirty-one essays by contemporary teachers of Tibetan Buddhism, both Western teachers and Tibetan lamas, provides readers a multifaceted glimpse of the Buddhist practice within the Dzogchen tradition, from its biggest authorities. Sogyal Rinpoche, the author of the bestselling Tibetan Book of Living and Dying, is the primary contributor, contributing seven of the teachings included here, but the collection also includes teachings from the Dalai Lama, Ringu Tulku, Francesca Fremantle, Chökyi Nyima Rinpoche, Dzogchen Pönlop Rinpoche, Dzigar Kongtrul Rinpoche, and many others. From basic advice on turning the mind toward spiritual concerns through expressions of the highest insights on mind and reality, readers will discover how to integrate Buddhist ideas and practices with the activities and experiences that make up our day-to-day lives. Fallout Tahlia Newland 2019-07-20 Fallout is the story of a woman's journey from ignorance of the alleged abuse perpetrated by Sogyal Rinpoche, head of the Rigpa Tibetan Buddhist community, to the realisation of the extent of the abuse, the depth of the trauma suffered by survivors, and how certain beliefs and assumptions enabled the abuse. It's also the inspiring story of a Facebook support group for the survivors of spiritual abuse in Rigpa as they help each other to process the issues raised by the abuse and heal from their experiences. Tahlia Newland shares insights she gained during her role as facilitator of the What Now? Facebook group and blog, the challenges she and others faced, and the realisations they came to in light of their discoveries. The book is a testimony to the resilience, spiritual strength, compassion and wisdom of members of the What Now? group as they navigate uncharted waters together.

Journey Without Goal Chogyam Trungpa 2000-10-17 Based on the author's talks at Naropa University, this volume introduces the reader to the principles of tantra, based on the practice of

meditation, which leads to the discovery of egolessness. Trungpa Rinpoche provides a direct and experiential picture of the tantric world, explaining the importance of self-existing energy, the mandala principle, the difference between Buddhist and Hindu tantra—stressing the nontheistic foundation of Buddhism. The role of the teacher and the meaning of tantric transmission are also presented. Written for the student of Buddhism rather than the scholar, *Journey without Goal* demystifies the vajrayana and at the same time affirms the power and sacredness of its ancient teaching.
