The Call to Love - Jillian McClendon 2013-09-16

Do you struggle with the notion of loving people the way God has called you to? It is well known that God asks His children to love one another, yet living a life of love proves to be difficult in a society imbued with selfishness. Theology on the topic of love is not lacking; even non-Christians will freely speak about love. Almost everyone in today's society speaks of love with great conviction, but their behavior speaks of selfishness. Why is it so hard to live in a loving way when we talk so freely about it? Why is it that we can say we love our neighbors, and yet our neighbors don't actually feel loved by us? Jillian recognizes that there is a genuine need to have real-world advice on implementing God's call to love. The Call to Love lays out practical steps that can help you make vital changes in your life—changes that can help you shift your perspective and arrive at a place where you have more love to share. You may find yourself seeing others in a different light and feeling more able to love your neighbor with a true, godly love—and not just on Sunday morning! You already know the theology. The Call to Love shows you how to live it! Take the plunge and go from talking about love to living a life of love. You can be the change that society is longing for. Get ready to change your life and your world.

No More Sunday Mornings - Cheryl Joyner-Clark 2009-10

"Put your hands together, everybody say Sunday Morning!" No! The Blackwell's want nothing more to do with Sunday Mornings or God which is not the way Ruth Blackwell raised her children. Ruth trained up her children in the church but when she died suddenly from cancer it seemed everything she taught them died with her. She left behind three precious bibles and a prayer that they will one day find their way back to God. It is true every man when he is driven away it is of his own lust and entice. Each Blackwell is driven by something. Jade, the youngest, is driven by love and surely she should be able to find it at church? When she finds herself alone and pregnant after the death of her mother, it is the church that cast her out like the woman wearing the scarlet letter. Determined to never return again she seeks for the love that's been missing in the arms of a man only to find rejection and another child. Her only source of

freedom now is the club life. No longer cleaving to what she was taught but now must make her own choices her own way. Alexandria, the middle child, is driven by bitterness of the past and resolves to better her own life. Seeking for fame as a fashion designer, she is determined to make her mark in the world. She doesn't need any distractions to stand in her way. Not her needy sister, looser brother, not fine Trent Tyler, and definitely not God. Jasper, the oldest, is driven by riches but his search keeps landing him in jail. All he could remember while sitting behind prison walls was what his mother used to say "You can't hide from God." He's wasn't hiding he just wanted to do what he wanted to do? Free from prison he vows to do it the legal way but definitely not God's way. How long will the Blackwell's stop seeking a legacy and embrace the one Ruth left behind? How long will they continue to cry, No More Sunday Mornings?

And yet, they overcame the family rivalry, the deadly competition which led to Faith's parents death, the criminal activities which risk life and limb. Or did they? One death leads to the downfall of everything Faith and Cameron dreamed of. Everything they wanted. And now, the promise of new life can lead to the end of it. Or can they find a new beginning?

Knowing Who I Am - NIANELL 2012-10-15

Wherever she goes the popular South African recording artist and celebrity Nianell offers this important, inspiring message: Every one of us should love ourselves. When we learn how to love ourselves unconditionally, we will be able to experience a life worth living and also inspire and touch the people around us. Then we not only make a difference in our own lives, but also in the lives of others. In her first book, *Knowing Who I Am*, Nianell tells how she has learned to love herself. She takes the reader on a journey through her life, from being a shy, withdrawn schoolgirl to becoming the acclaimed singer/songwriter she is today. Like most people, Nianell has had to face challenges, and she offers an honest and unpretentious account of her personal experience of suffering, the struggle to belong, love, womanhood, being a mother of triplets, and being a star. Her personal stories, many shared with the public for the first time, illustrate how she discovered who she really is and how she came to the point of accepting herself and her worth. Nianell's descriptions of her experiences will touch your heart,

inspire you, and help you realize the value of accepting and loving yourself as you are. *Knowing Who I Am* is an enjoyable combination of biography and inspiration. It is a reading and growing experience that will remain with you long after you have finished the book. The eBook comes with a special link so you can download some of Nianell's most inspiring songs.
