

# Elmer Kelton And West Texas A Literary Relationship Texas Writers Series Number One

The Time it Never Rained -

Elmer Kelton 1984

Repub. of Doubleday 1973  
edition, with new introductions  
by Kelton and an afterword.

*Benjamin Capps and the South  
Plains* - Lawrence Clayton 1990

Benjamin Capps has been  
called the Texas author whose  
work will be read 100 years  
from now, but Clayton notes  
that Capps has not been the  
frequent subject of nationally  
disseminated critical  
interpretation, perhaps  
because he is an anomaly—a  
writer of serious, literary  
fiction set in the West. Notable  
are Capps's perceptive  
characterizations and his use of  
historical background and  
folklore.

**Western American  
Literature** - 1995

**Rivers of Texas** - Verne Huser  
2004-03-31

Explores the landscape,  
history, geology, and  
recreational opportunities  
afforded by the rivers of Texas,  
presenting information about  
each river's size, location,  
tributaries, discharge, and  
special sites.

## Elmer Kelton And West Texas A Literary Relationship Texas

### Writers Series Number One

~~Texas~~ - Judy Alter 1989

Annotation-- First volume in the new series. It explores the body of work of Elmer Kelton, son and grandson of working cowboys, who writes of the lives and settings he knows best--the people and landscapes of West Texas.

Annotation copyrighted by Book News, Inc., Portland, OR.

**Let's Hear It** - Sylvia Ann Grider 2003

A collection of 22 stories by Texas women writers that weave a story of their own: the story of women's writing in the Lone Star State, from 1865 to the present. Authors include Berverly Lowry, Carolyn Osborn, Annette Sanford, Denise Chavez, Katherine Anne Porter, Judy Alter and Joyce Gibson Roach.

**Badmen, Bandits, and Folk**

**Heroes** - Juan JosŽ Alonzo  
2009-09-15

Badmen, Bandits, and Folk Heroes is a comparative study of the literary and cinematic representation of Mexican American masculine identity from early twentieth-century adventure stories and movie

~~Westerns through~~

contemporary self-representations by Chicano/a writers and filmmakers. In this deeply compelling book, Juan J. Alonzo proposes a reconsideration of the early stereotypical depictions of Mexicans in fiction and film: rather than viewing stereotypes as unrelentingly negative, Alonzo presents them as part of a complex apparatus of identification and disavowal. Furthermore, Alonzo reassesses Chicano/a self-representation in literature and film, and argues that the Chicano/a expression of identity is characterized less by essentialism than by an acknowledgement of the contingent status of present-day identity formations. Alonzo opens his provocative study with a fresh look at the adventure stories of Stephen Crane and the silent Western movies of D. W. Griffith. He also investigates the conflation of the greaser, the bandit, and the Mexican revolutionary into one villainous figure in early Western movies and, more

broadly, traces the development of the badman in Westerns. He newly interrogates the writings of Américo Paredes regarding the makeup of Mexican masculinity, and productively trains his analytic eye on the recent films of Jim Mendiola and the contemporary poetry of Evangelina Vigil. Throughout *Badmen, Bandits, and Folk Heroes*, Alonzo convincingly demonstrates how fiction and films that formerly appeared one-dimensional in their treatment of Mexicans and Mexican Americans actually offer surprisingly multifarious and ambivalent representations. At the same time, his valuation of indeterminacy, contingency, and hybridity in contemporary cultural production creates new possibilities for understanding identity formation.

*The American Humanities Index* - Stephen H. Goode 1991

*Twentieth-century American Western Writers* - Richard H. Cracroft 2002

~~Essays on authors of American~~ Western literature suggesting the enormous diversity of North America's Western peoples, visions and possibilities. These writers share a common awe of the immensity of the West while also exhibiting a wide range of individual, cultural and ethical literary responses to the nature and meaning of the Western experience.

*William Humphrey* - Bert Almon 1998

This is the first full-length study of the life and writings of the Texas novelist, William Humphrey, who died August 21, 1997. Based on research in Humphrey's vast archives at the University of Texas, it provides the first full picture of his life and identifies many untraced sources of his work. The guiding principle is an exploration of Humphrey's satire on life-destroying myths: the myths of the hunter, the South, the cowboy hero, the Depression-era outlaw, and, supremely, the myth of Texas. To his dismay, Humphrey was often seen as a celebrator of
