*Taking It Off* - Claire Kent

2015-11-24

Can't get enough Magic Mike?

Let bestselling author Claire Kent introduce you to Matt Stokes, the sexy-as-sin male stripper and club owner who knows what it really means to bare everything. Preschool teacher Elizabeth Marks isn't exactly thrilled to be attending a college friend's bachelorette party at a male strip joint. The sights—screaming women, half-naked hunks—are just as sleazy as she expected, with one exception: the man standing at the back, radiating sensual heat despite being fully clothed. When Elizabeth takes

refuge outside, he chases her down and dares her to stay. It turns out that her mystery man is the owner—and, as tonight's headliner, the one guy Elizabeth wouldn't mind seeing naked. Matt Stokes lives his life one day, one dance at a time. But as he challenges Elizabeth to get in touch with the passionate, impulsive woman behind her prim façade, she brings out another side of him as well. This girl isn't just another pretty face—or paying customer—and Matt can't help wanting more. Onstage, he's used to exposing his body. Now Matt will have to expose his heart. Because when it comes

And now even Gabe has settled into a relationship with a woman who gives him everything he needs, leaving Ash feeling restless and unfulfilled. Then Ash meets Josie, who seems immune to his charms and his wealth. Intrigued, he begins a relentless pursuit, determined she won't be the one who got away. He never imagined the one woman to tell him no would be the only woman who'd ever drive him to the edge of desire.

Readers can also bank on more going on between the sheets than on the stage, which makes for a sexy and titillating read.”—Library Journal “It’s hot, and it’s filled with sexy strippers, steamy sex and some romance thrown in to boot!”—Thoughts of a Blonde Includes a special message from the editor, as well as an excerpt from another Loveswept title.

Thorne 2016-08-09

Now a movie starring Lucy Hale and Austin Stowell, USA Today bestselling author Sally Thorne's hilarious and sexy workplace comedy all about that thin, fine line between hate and love. Nemesis (n.) 1) An opponent or rival whom a person cannot best or overcome. 2) A person's undoing 3) Joshua Templeman Lucy Hutton and Joshua Templeman hate each other. Not dislike. Not begrudgingly tolerate. Hate. And they have no problem displaying their feelings through a series of ritualistic passive aggressive maneuvers as they sit across from each other, executive assistants to co-CEOs of a publishing company. Lucy can't understand Joshua's joyless, uptight, meticulous approach to his job. Joshua is clearly baffled by Lucy's overly bright clothes, quirkiness, and Pollyanna attitude. Now up for the same promotion, their battle of wills has come to a head and Lucy refuses to back down when their latest game could cost her her dream

job... But the tension between

Lucy and Joshua has also reached its boiling point, and Lucy is discovering that maybe she doesn't hate Joshua. And maybe, he doesn't hate her either. Or maybe this is just another game.

My hysterical confessions didn't faze the muscular stranger that sat beside me. In fact, he promised if we survived, he'd give me my first orgasm. We survived. I came. And then he left without telling me who he was. On the first day of my job, I stood in front of the Vancouver Wolves hockey team and called out a number. #33. Imagine my shock when he skated forward. **Insatiable Wives** - David J. Ley 2012-01-16

"This enlightening work investigates the history, incidence, and causes of a unique sexual lifestyle pursued by increasing numbers of couples. The most common terms used to describe it are 'hotwife/cuckold lifestyle.' This sexual practice, a form of sexual nonmonogamy, is

and polyamory in that the husband rarely seeks sexual contact outside the marriage except for participation in group sex with his wife and other men, while the wife is permitted, and often encouraged, to pursue unrestrained sexual encounters with other men. The author includes interviews and comments from couples living the lifestyle throughout the United States and presents the stories in an attempt to determine the history of this sexual practice and evolutionary underpinnings of this uncommon and socially taboo behavior in an effort to make it more comprehensible to those engaged in the lifestyle and those who are just curious." -- page 4 of cover.
