**God and the Gay Christian** - Matthew Vines 2014-04-22

"God and the Gay Christian is a game changer. Winsome, accessible, and carefully researched, every page is brought to life by the author's clear love for Scripture and deep, persistent faith. With this book, Matthew Vines emerges as one of my generation's most important Christian leaders, not only on matters of sexuality but also on what it means to follow Jesus with wisdom, humility, and grace. Prepare to be challenged and enlightened, provoked and inspired. Read with an open heart and mind, and you are bound to be changed." — Rachel Held Evans, author of *A Year of Biblical Womanhood* and *Faith Unraveled* As a young Christian man, Matthew Vines harbored the same basic hopes of most young people: to someday share his life with someone, to build a family of his own, to give and receive love. But when he realized he was gay, those hopes were called into question. The Bible, he'd been taught, condemned gay relationships. Feeling the tension between his understanding of the Bible and the reality of his same-sex orientation, Vines devoted years of intensive research into what the Bible says about homosexuality. With care and precision, Vines asked questions such as: • Do biblical teachings on the marriage covenant preclude same-sex marriage or not? • How should we apply the teachings of Jesus to the gay debate? • What does the story of Sodom and Gomorrah really say about human relationships? • Can celibacy be a calling when it is mandated, not chosen? • What did Paul have in mind when he warned against same-sex relations? Unique in its affirmation of both an orthodox faith and sexual diversity, *God and the Gay Christian* is likely to spark heated debate, sincere soul searching, even widespread cultural change. Not only is it a compelling interpretation of key biblical texts about same-sex relations, it is also the story of a young man navigating relationships with his family, his hometown church, and the Christian church at large as he expresses what it means to be a faithful gay Christian.

**Temple of the Winds** - Terry Goodkind 2015-03-24

Spells and prophecies sew havoc in the fight for humankind in the 4th novel of the #1 New York Times bestselling author's epic fantasy series. Having taken his rightful place as Lord Rahl, ruler of D'Hara, Richard must once again postpone his wedding to Kahlan Amnell in order to face the fearsome Imperial Order in a fight for the New World and the freedom of humankind. But while Richard has the brave people of D'Hara at his command, Emperor Jagang of the Imperial Order has a significant advantage: he doesn't fight fair. Jagang invokes a prophecy that binds Richard and Kahlan to a fate of pain, betrayal, and a path to the Underworld. At Jagang's behest, a Sister of the Dark gains access into the fabled Temple of the Winds and unleashes a plague that sweeps across the lands like a firestorm. To stop the plague, Richard and Kahlan must risk everything they have—and everything they've hoped for.

[I Love Jesus, But I Want to Die](#) - Sarah J. Robinson 2021-05-11

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

**The Precipice** - Toby Ord 2020-03-05

What existential threats does humanity face? And how can we secure our future? 'The Precipice is a powerful book . . . Ord's love for humanity and hope for its future is infectious' Spectator 'Ord's analysis of the science is exemplary . . . Thrillingly written' Sunday Times We live during the most important era of human history. In the twentieth century, we developed the means to destroy ourselves - without developing the moral framework to ensure we won't. This is the Precipice, and how we respond to it will be the most crucial decision of our time. Oxford moral philosopher Toby Ord explores the risks to humanity's future, from the familiar man-made threats of climate change and nuclear war, to the potentially greater, more unfamiliar threats from engineered pandemics and advanced artificial intelligence. With clear and rigorous thinking, Ord calculates the various risk levels, and shows how our own time fits within the larger story of human history. We can say with certainty that the novel coronavirus does not pose such a risk. But could the next pandemic? And what can we do, in our present moment, to face the risks head on? A major work that brings together the disciplines of physics, biology, earth and computer science, history, anthropology, statistics, international relations, political science and moral philosophy, *The Precipice* is a call for a new understanding of our age: a major reorientation in the way we see the world, our history, and the role we play in it.

**The Yearning of Yahveh** - Jacob Van Zyl 2008-08

THE YEARNING OF YAHVEH In terms of man's morality, the Old Testament is an account of tragic failure. Israel strayed repeatedly from the path mapped out by God, and He corrected them repeatedly with tough-love discipline. From the viewpoint of God's love, the Old Testament is a journal of immense compassion. Despite Israel's failures, God kept yearning for their genuine trust and love. He refused to give up on them and called them back by His prophets who relentlessly declared, "Thus says the LORD." The LORD is a translation of the Hebrew name Yahveh, God's personal name He revealed to Moses at the burning bush. The Yearning of Yahveh takes the reader on an exciting one-page-per-day journey through the Old Testament. Join the tour and discover the gospel in the scrolls of Hebrew Scripture.

**The Muslim World in the 21st Century** - Samiul Hasan 2012-01-15  
Islam is not only a religion, but also a culture, tradition, and civilization. There are currently 1.5 billion people in the world who identify themselves as Muslim. Two thirds of the worldwide Muslim population, i.e. approximately a billion people, live in forty-eight Muslim majority countries (MMC) in the world- all of which except one are in Africa and Asia. Of these MMCs in Africa and Asia, only twelve (inhabited by about 165 million people) have ever achieved a high score on the Human Development Index (HDI), the index that measures life expectancy at birth, education and standard of living and ranks how "developed" a country is. This means that the majority of the world's Muslim population lives in poverty with low or medium level of human development. The contributions to this innovative volume attempt to determine why this is. They explore the influence of environment, space, and power on human development. The result is a complex, interdisciplinary study of all MMCs in Africa and Asia. It offers new insights into the current state of the Muslim World, and provides a theoretical framework for studying human development from an interdisciplinary social, cultural, economic, environmental, political, and religious perspective, which will be applicable to regional and cultural studies of space and power in other regions of the world.

**The Cambridge Companion to the Age of Nero** - Shadi Bartsch 2017-11-09

A lively and accessible guide to the rich literary, philosophical and artistic achievements of the notorious age of Nero.

*Things Hidden Since the Foundation of the World* - René Girard 2016-02  
Things Hidden Since the Foundation of the World presents a highly original global theory of culture. Here, in his greatest work, René Girard explores the function of violence, mimetic desire and the mechanism of the scapegoat, in the history of society and religion. Girard's vision is a brilliant and devastating challenge to conventional views of literature, anthropology, philosophy and psychoanalysis.

**Murder in the Bible** - Others

*Sharia Law and the Death Penalty* - Michael Mumisa 2015

Cold-Case Christianity - J. Warner Wallace 2013-01-01

Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator.

Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

*Wise Blood* - Flannery O'Connor 2015-02-12

Wise Blood, Flannery O'Connor's first novel, is the story of Hazel Motes who, released from the armed services, returns to the evangelical Deep South. There he begins a private battle against the religiosity of the community and in particular against Asa Hawkes, the 'blind' preacher, and his degenerate fifteen-year-old daughter. In desperation Hazel founds his own religion, 'The Church without Christ', and this extraordinary narrative moves towards its savage and macabre resolution. 'A literary talent that has about it the uniqueness of greatness.' Sunday Telegraph 'No other major American writer of our century has constructed a fictional world so energetically and forthrightly charged by religious investigation.' The New Yorker 'A

genius.' New York Times

The History of the Franks - Saint Gregory (Bishop of Tours) 1927

*International Journal of Religious Education* - 1967

*Reply to Faustus the Manichaeon* - St. Augustine 2018-08-04

Written about the year 400. [Faustus was undoubtedly the acutest, most determined and most unscrupulous opponent of orthodox Christianity in the age of Augustin. The occasion of Augustin's great writing against him was the publication of Faustus' attack on the Old Testament Scriptures, and on the New Testament so far as it was at variance with Manichæan error. Faustus seems to have followed in the footsteps of Adimantus, against whom Augustin had written some years before, but to have gone considerably beyond Adimantus in the recklessness of his statements. The incarnation of Christ, involving his birth from a woman, is one of the main points of attack. He makes the variations in the genealogical records of the Gospels a ground for rejecting the whole as spurious. He supposed the Gospels, in their present form, to be not the works of the Apostles, but rather of later Judaizing falsifiers. The entire Old Testament system he treats with the utmost contempt, blaspheming the Patriarchs, Moses, the Prophets, etc., on the ground of their private lives and their teachings. Most of the objections to the morality of the Old Testament that are now current were already familiarly used in the time of Augustin. Augustin's answers are only partially satisfactory, owing to his imperfect view of the relation of the old dispensation to the new; but in the age in which they were written they were doubtless very effective. The writing is interesting from the point of view of Biblical criticism, as well as from that of polemics against Manichæism.--A.H.N.]

*Unholy Writ*: - T. Joyner Drolsum 2011-11-07

During our brief and perilous journey ex irritum ad irritum, how are we to find, what the German philosopher Martin Heidegger (Sein und Zeit) would call, the true approach to being? How do we answer the question posed by the Apostle Thomas when he asked how can we know the way (Jn. 14:5)? In other words, how should we fill that parenthesis of infinitesimal brevity, which James Joyce (Ulysses) maintained, demarcates each of our lives? The Bible has often been put forth as a supposedly infallible guidebook charting the correct path to an authentic existence (e.g. 2 Tim. 3:16-17). According to its proponents, Scripture is an absolutely dependable life-manual because it is the word of God (Summa Theologica, First Part, Q. 1, Art. 10). However, close inspection of the Bible calls into question its divine authorship; and, thus, its reliability as an accurate roadmap for the soul. In fact, under close examination it proves to be nothing more than a mundane and cobbled together collection of archaic superstitions beginning with the outlandish speculations of Moses concerning the creation of the world and ending with the maniacal ravings of John regarding its destruction. Exposing the true nature of Holy Writ was the main purpose for writing Unholy Writ. The modus operandi for this expos involved a thoroughgoing critical analysis of Scripture. The results from such a careful consideration of its contents clearly demonstrated that any claim that the Bible is some sort of sacrosanct ethical vade mecum is completely invalid. Specifically, the multiple contradictions and absurdities contained in the Bible confer an unreliability upon it that undermines its function as a guide for anything, let alone as some sort of moral map for the journey through life. Furthermore, many of the ideas that are promoted in Holy Writ are actually spiritually harmful. In addition, unless the condoned misogyny, violence, intolerance, injustice, and cruelty can be removed, then it is difficult to view the Scriptures as anything like an unwavering celestial beacon that clearly lights the way through the moral fog that at times engulfs our lives. Moreover, the many errors that it contains, including those about the natural world, undermine the pivotal claim that the Bible is divinely inspired.

**False Prophets Can Kill You** - Tony C. Little 2014-12-01

Karen Little's desire for more of God led to these events. Her main focus was on signs, wonders, and miracles. She followed the wrong crowd, which led her into a deep depression, causing stress. I thought she was taking us in the right direction. She was not. We were subjected to mind control, brain washing, and extortion. Strange things happened at our church. They became disgusting. We were influenced by bad suggestions, emotions and witchcraft. We saw things that didn't exist. False teachings were exposed in our religion and others. Karen died in my arms of a heart attack. Later, someone accused me of having an affair with a woman. They said I killed her husband, another man, and my wife. I forgive them.

**False Prophets Can Kill You** - Tony C. Little 2014-12

Karen Little's desire for more of God led to these events. Her main focus was on signs, wonders, and miracles. She followed the wrong crowd, which led her into a deep depression, causing stress. I thought she was taking us in the right direction. She was not. We were subjected to mind control, brain washing, and extortion. Strange things happened at our church. They became disgusting. We were influenced by bad suggestions, emotions and witchcraft. We saw things that didn't exist. False teachings were exposed in our religion and others. Karen died in my arms of a heart attack. Later, someone accused me of having an affair with a woman. They said I killed her husband, another man, and my wife. I forgive them.

*Music in the Old Bones* - Janet Howe Gaines 1999

"Music in the Old Bones is a guide to the eternal Jezebel story. The first part of this illustrated study is a detailed analysis that explores the biblical tale from traditional and feminist points of view. Gaines then analyzes the ways authors through the centuries have treated Jezebel."--  
BOOK JACKET.

*NIV, Discover God's Heart Devotional Bible* - Walk Thru the Bible,  
2014-09-09

Experience a more intimate walk with God As you journey through this Bible from cover to cover, the NIV Discover God's Heart Devotional Bible will help you through tough spots such as Numbers and Leviticus while giving you deeper understanding of the Scriptures and connecting you with the heart of its Author. You'll experience rich insights into the original contexts of Scripture, and God's heart will be unveiled in new ways. This Bible includes 312 engaging devotions to serve as your tour guide, walking you through Genesis to Revelation in manageable portions. Each devotion includes a summary section of the Scripture passage, an application section that reveals God's good heart, and an insight section that ties each passage into the rest of God's great story. As you experience God's Word through this NIV devotional Bible, you'll see his divine fingerprints from beginning to end, even in the most unexpected places - and you'll encounter a deeper, fuller picture of the Jesus you thought you knew. Whether you are starting out on your first steps or a seasoned traveler, let the NIV Discover God's Heart Devotional Bible open your eyes to God's good heart. Features: Complete text of the accurate, readable, and clear New International Version (NIV) 312 engaging devotions
