"I live miserable from the thought I killed my parents! All my life I was insulted, mocked, accused and dethroned! And then, I discovered it was all done by my stepbrother and your father?! Embrace yourself! I will wipe out all your kind," I roared. "You can't do it," A playful smirked form on my lips. "C'mon, darling... I can," "I thought you love me?" she asked while tears streaming down her face. I stopped in my trance and gulped hard. An excruciating pain kicked in inside my chest. "Yes! It's all fucking true! But hatred is much stronger than this shit feeling I felt for you! Today, you are nothing to me but a whore!" I spat, trying to fool myself. She burst into tears and held her chest that was aching. "Choose, William...

Me or revenge?" she asked with her hopeful eyes. Instead of answering it, I stood firm and looked into her eyes intently. "I, Alpha King William, rejected you Mira to be my mate. Get ready... This town will bathe in blood." I heartlessly said before turning my back and leaving her in tears.
