The Sex-Starved Wife - Michele Weiner Davis
2008-01-01

In 2003, bestselling author and relationship expert Michele Weiner Davis' groundbreaking book, *The Sex-Starved Marriage* described the problems that occur in marriage when one spouse is vastly more interested in sex than the other and more importantly, what the couple could do to fix things. The book created quite a stir, but no one expected what happened next. Weiner Davis was flooded with e-mails, letters, and phone calls from women, not with "headaches" and other predictable excuses for avoiding sex, but from women who were desperately unhappy because their husbands weren't the least bit interested in sex. Nothing

these women said or did got their men to understand the pain and isolation that comes from a sexual void, and despite heartfelt pleas, they were unable to convince their husbands to seek professional help. Add to this the unspoken taboo about discussing low libido in men, and these women were left to believe that they were the only ones dealing with this problem. If this sounds like your situation, Weiner Davis wants to tell you that you are not alone, and it is not your fault: there is a whole host of reasons why your husband might be experiencing low desire. Although Weiner Davis explains reasons men lose interest in sex--biological issues, personal troubles, and relationship problems--she's convinced that understanding the cause of a

problem won't make your sex life any juicier; doing something about it will. The Sex-Starved Wife gives you the tools you need to present the information in the book so that your husband will not become defensive. You'll even learn methods for overcoming sexual dysfunctions such as performance anxiety, premature ejaculation, and effective ways for dealing with pornography or infidelity. If you and your spouse need additional support, Weiner Davis offers concrete advice on how to get your man to visit his doctor or seek other professional help. When it comes to marriage, Weiner Davis has seen it all. She knows how important loving, satisfying sex is to a healthy marriage. The straightforward, psychobabble-free advice in this book will help you create the intimacy and connection for which you've been longing.

Fight Less, Love More - Laurie Puhn

2012-09-18

A Harvard-trained lawyer and mediator shows busy couples how to stop fighting and start

communicating. In *Fight Less, Love More*, readers will learn how to identify the bad verbal habits, instinctive responses, and emotional reasoning that can cloud judgment and ultimately lead to the deterioration of otherwise healthy relationships. With exercises, examples, and sample scripts, Puhn's modern voice presents simple 5-minute strategies create immediate, positive changes and provide long-lasting communication skills that couples can continually employ when faced with conflict.

On War - Carl von Clausewitz 2018-11-09

On War is a treatise about a military art which Prussian officer Carl Philipp Gottlieb von Clausewitz had been working on for 15 years. It is commonly believed that Clausewitz's treatise had a greater impact on military leaders of the

late XIX and XX centuries than any other book. In reality, this book is an overturn in the war theory. The work is notable for its brightness, narration details as well as hard criticism of many war events. The author dedicates a special place in his work to politics, its influence on the war events, the dependence how the war finishes on powers and weaknesses of particular politicians and military leaders. There is a good reason why his famous phrase "the war is the continuation of the politics, but with other, strong arm methods" is still relevant.

The Art of War - Sun Tzu 2020-10-08

The ultimate Chinese classic. "The Art of War" helps in finding decisions.

Bulletin of the Atomic Scientists - 1997-01

Lord of the Flies - William Golding 2012-09-20
A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, *Lord of the Flies* is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students.

The Truth about Us - Janet Gurtler 2015-04-07

A powerful and gripping contemporary YA from the author of I'm Not Her that's "Just right for fans of Sarah Dessen and Jodi Picoult."-Booklist
The truth is that Jess knows she screwed up. She's made mistakes, betrayed her best friend, and now she's paying for it. Her dad is making her spend the whole summer volunteering at the local soup kitchen. The truth is she wishes she was the care-free party-girl everyone thinks she is. She pretends it's all fine. That her "perfect" family is fine. But it's not. And no one notices the lie...until she meets Flynn. He's the only one who really sees her. The only one who listens. The truth is that Jess is falling apart and no one seems to care. But Flynn is the definition of "the wrong side of the tracks." When Jess's parents look at him they only see the differences-not how

much they need each other. They don't get that the person who shouldn't fit in your world... might just be the one to make you feel like you belong.

Fight Your Way to a Better Marriage - Greg Smalley 2013-07-02

In this counter intuitive book, author Dr. Greg Smalley maintains that fighting is actually good for a marriage. Couples will learn how to fight their way to a better marriage, using the skills, concepts, and exercises shared in this remarkable book.

The Smart Couple Quote Book - Jayson Gaddis 2017-08

Real, Actionable Relationship Advice Without the Fluff Real relationships aren't just filled with romance, great sex, and warm, fuzzy feelings forever. All romantic relationships get stressful and challenging. After the honeymoon phase is over, maintaining a loving relationship can get downright hard, and even painful. How you handle the daily challenges of life (alone and

together with your partner) will determine whether your relationship gets better or goes down the shitter. The difference between a struggling couple and a smart couple is the smart couple learns how to handle interpersonal stress and relationship challenges with the right map and tools. Discover the Tools for Building a Loving Relationship That Gets Even Better Year After Year In this relationship book for couples and individuals, you will discover the tools you need to create and maintain an incredible relationship-one that gets stronger over time instead of drifting apart. The lessons and love quotes in this book will help you deepen your relationship instead of running away, blaming, or staying stuck in an unfulfilling partnership. Most marriage books try to sell you a "happily ever after" life while skipping over the pain and struggle that comes in all long-term relationships. While avoiding pain may feel good in the short-term, these bad habits will destroy your relationship in the long run. This book will

help you squash those fantasies and remind you a fulfilling marriage is earned, not given. Relationship teacher Jayson Gaddis will challenge you and inspire you to think differently about how you deal with the inevitable relationship problems that arise. Instead of viewing every issue or confrontation as an attack to be afraid of, you will learn to lean into the deepest parts of yourself in order to grow, heal, and reconnect with your partner. From Wound Mates to Soul Mates The smart couple learns to move from wound mates to soul mates that inspire the very best in each other. When you make this move, you become a love warrior, destined for a strong partnership over many years. It's not an easy path, but it's the path you must take if you want to create a fulfilling, lasting relationship. Contrary to popular belief, "just loving each other" is not enough to make a relationship last forever. It takes two people who are willing to grow, learn, and challenge each other to rise together in partnership. A loving

relationship is a path that demands you gain more self-awareness and self-responsibility so that you can attend to the amazing fire of your connection. A great relationship is designed to get you to grow up and grow into yourself, and a strong, loving relationship has the power to help you accomplish and achieve more in your life. Strap Yourself in for the Ride of a Lifetime There is nothing quite like having a lover, a best friend, and a co-pilot on this crazy ride called life. When you learn the tools that make relationships work, you will indeed become a couple that side-steps the pointless fights, gets stronger through conflict, and has more connected sex, as you become an unstoppable couple that lights up a room. The love quotes found in this relationship book are a gold mine. Read slowly and digest each sentence. You can ponder each one alone and together. You might have to discuss, disagree, and work through a quote, just like you would a normal difference in your own lives. Doing so will be considered "practice" for your

relationship or marriage (you can even share your wins and challenges in our private community of Smart Couples). You reap what you sow each day in your relationship, and my strong wish is for you to take good care of your precious relationship by attending to it daily. May these quotes help guide you into a more realistic and magnificent love that lasts.

Optimal Outcomes - Jennifer Goldman-Wetzler
2020-02-25

An award-winning conflict consultant offers a new path to take when agreement and collaboration seem impossible, and teaches us that when conflict resolution fails, we can achieve freedom instead—even without others' cooperation. A founding CEO and his top salesperson are engaged in a heated clash over her compensation package. A mother and daughter are locked in a nasty cycle of blame and attack. A high-profile executive team is struggling with aggressive political infighting. In all these cases, every effort to talk it out has

been unsuccessful. Where can you turn when your attempts to resolve conflict fail? Most approaches emphasize collaboration. You are supposed to sit down, calmly talk through your differences, and find a solution. But what if nothing seems to work, no matter what you do? When situations resist resolution, the Optimal Outcomes Method teaches us conflict freedom. This innovative method, based on Dr. Jennifer Goldman-Wetzler's training at the Program on Negotiation at Harvard Law School, two decades as a consultant to Fortune 500 and high-growth CEOs and senior teams, grassroots work with Middle East leaders, US government-funded research on terrorism, and her popular course at Columbia University, Optimal Outcomes reveals eight groundbreaking practices proven to help people everywhere free themselves from conflict. With inspiring stories from clients, students, and Dr. Goldman-Wetzler's own life lighting the way, you'll learn to observe complex situations with clarity, access your shadow

values (things you really care about but have been unwilling to admit), and take bold, simple, surprising action. Optimal Outcomes blends mindfulness, Jungian psychology, and practical, step-by-step advice to free anyone from seemingly impossible conflict. Applying the practices, you'll reach your Optimal Outcome—which may be vastly different from what you originally imagined, but more satisfying than you ever dreamed possible.

and luminous parable of the dark side of adolescence. Gene is a lonely, introverted intellectual. Phineas is a handsome, taunting, daredevil athlete. What happens between the two friends one summer, like the war itself, banishes the innocence of these boys and their world.

The 48 Laws of Power - Robert Greene
2000-09-01

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T.

Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Happy Wives Club - Fawn Weaver 2014-01-14
A New York Times Bestseller! One woman undertakes a worldwide search to learn the secrets of a great marriage—and finds one foundational truth that could change everything. Fawn Weaver was a happily married woman running a successful business—and then something happened. Maybe it was divorce rate reports on the evening news, *The Real Housewives of Orange County*, or any daytime talk show where husbands and wives

dramatically reveal their betrayals. Everywhere she looked, Fawn saw negative portrayals of marriage dominating the airwaves and dooming everyone to failure. Looking at Keith, the love of her life, she knew that wasn't true. She was determined to find and connect with women just like her—happy and optimistic about marriage, deeply in love with her spouse, and committed to building a strong marriage that stands the test of time. On a whim, she started the blog HappyWivesClub.com and sent the link to a few of new friends. What started as a casual invitation to five women exploded into an international online club with 150,000 members in more than 100 countries. Happy Wives Club is Fawn's journey across the world to meet her friends and discover what makes their marriages great. Join her on this exciting, exotic trip across six continents and through more than eighteen cities. Walk the streets of Mauritius, the historic ruins in Italy, and the vistas of New Zealand and Australia. Go from Cape Town to London, Manila

to Buenos Aires, Winnipeg to Zagreb. Along the way, you will meet everyday women whose marriage secrets span cultures. You will hear their stories, witness their love, and be inspired by the proof that happy, healthy marriages do exist—and yours can be one of them! It turns out great marriages are all around us—when we look for them. Go on a trip with Fawn and learn the best marriage secrets the world has to offer. [Beyond Order](#) - Jordan B. Peterson 2021-03-02 The inspirational sequel to 12 RULES FOR LIFE, which has sold over 5 million copies around the world - now in paperback In 12 Rules for Life, acclaimed public thinker and clinical psychologist Jordan B. Peterson offered an antidote to the chaos in our lives: eternal truths applied to modern anxieties. His insights have helped millions of readers and resonated powerfully around the world. Now in this long-awaited sequel, Peterson goes further, showing that part of life's meaning comes from reaching out into the domain beyond what we know, and

adapting to an ever-transforming world. While an excess of chaos threatens us with uncertainty, an excess of order leads to a lack of curiosity and creative vitality. *Beyond Order* therefore calls on us to balance the two fundamental principles of reality - order and chaos - and reveals the profound meaning that can be found on the path that divides them. In times of instability and suffering, Peterson reminds us that there are sources of strength on which we can all draw: insights borrowed from psychology, philosophy, and humanity's greatest myths and stories. Drawing on the hard-won truths of ancient wisdom, as well as deeply personal lessons from his own life and clinical practice, Peterson offers twelve new principles to guide readers towards a more courageous, truthful and meaningful life.

Everybody Fights - Kim Holderness 2022-08-30
A USA Today and Wall Street Journal bestseller!
Learn how to fight better and end your arguments with your partner feeling closer,

more loved, and better understood. We take our cars in for oil changes. We mow our lawns and pull weeds. Why don't we do maintenance on our marriages? This relationship is the most important one we will ever have, so why not get better at it? For the last several years, Penn and Kim Holderness of *The Holderness Family* have done the hard maintenance and the research to learn how to fight better. With the help of their marriage coach Dr. Christopher Edmonston, they break down their biggest (and in some cases, funniest) fights. How did a question about chicken wings turn into a bra fight (no, not a bar fight or a bra fight)? How did a roll of toilet paper lead to tears, resentment, and a stint in the guest bedroom? With their trademark sense of humor and complete vulnerability, Penn and Kim share their 10 most common Fight Fails and how to combat them. Throughout the book, they offer scripts for how to start, continue, and successfully close hard conversations. Couples will emerge equipped to engage and understand,

When trying to share your feelings, does it end up in a fight more times than not? Do you want constructive discussions with your partner that lead to deeper connection and a healthier relationship? Most of us never learned to effectively share our own feelings or how to receive the feelings of our partner. The good news is that it's a skill you can learn--and if you're in a relationship, it's a necessary skill. Being in a relationship without knowing how to share your feelings and receive your partner's

feelings in useful ways is like jumping into a pool without knowing how to swim. You can flail around all you want, but it's not going to keep you afloat for very long--you need to be able to move in any direction at will. Like swimming, knowing how to share your feelings and respond to your partner's feelings will move your relationship in the direction you want: more intimacy, closeness, connection, and trust. In "Communicate Your Feelings (without starting a fight)", you'll get: Ways to avoid escalation, so you can be unafraid of a discussion spinning out of control The happiness and assurance that comes with knowing your relationship is heading in the right direction Ways to respond to your partner's feelings, so you can gain their trust once again 13 Communication Techniques, so you can be confident approaching discussions with your partner Ways to clarify your thoughts and feelings, increasing the likelihood that your partner will understand you Now is the time to have a happier relationship, so begin applying
