

Fool For Love And Other Plays

Staging Masculinity - Carla J. McDonough 2006-07-05

The men in plays such as Arthur Miller's *Death of a Salesman* or Sam Shepard's *True West* are often presented as universal; little attention is given to the gender dynamics involved in the characters. This work looks at how contemporary playwrights, including Miller, Shepard, Eugene O'Neill, David Mamet, and August Wilson, stage masculinity in their works. It becomes apparent that male playwrights return often to the issues of troubled manhood, usually masked in other issues such as war, business or family. The plays indicate both the attractiveness of the model of traditional masculinity and the illusive nature of this image, which all too often fractures and fails the characters who pursue it. O'Neill's play *The Hairy Ape* and the character Yank receive much attention.

Sam Shepard's Metaphorical Stages - Lynda Hart 1987-01-13

A wonderfully helpful survey of the drama of Sam Shepard. It is bound to find many eager readers among those who are either intrigued or baffled--or both--by the plays of this still-young playwright whom many think contemporary America's finest. Choice America's most highly acclaimed contemporary playwright continues to puzzle critics, even as his reputation grows and his imagination seeks new creative channels. Finding the dramatist difficult to classify, critics and scholars continue to search for the central direction of Shepard's creative development. Lynda Hart's study, which focuses on ten representative plays, is the first book to examine Shepard's growth and development as a dramatist within and against the historical tradition. Offering a unified critical perspective, the author considers the plays from both a literary standpoint and as texts for performance. Resources include a bibliography that offers the most complete listing of relevant critical

writings.

Popular Culture Icons in Contemporary American Drama - Konstantinos Blatanis 2003

The discussion addresses the task of theater images in a cultural field where the real is mistaken for its reflection, originality constantly played against seriality, at a moment when simulacra, clones, and emulations of selves and texts become firmly established as the norm. The accommodation of pop icons on stage and the results this framing yields constitute this work's primary interests and aims."--Jacket.

15 Plays by Sam Shepard - 1987-06-01

Sam Shepard - Harold Bloom 2009

Sam Shepard is one of America's most prolific dramatists, as well as a screenplay writer, memoirist, and successful film actor. His irreverent, satirical, and nostalgic treatment of American popular culture has attracted a cult following as well as the re

The Fool's Girl - Celia Rees 2011-04-04

Nominated for the Carnegie Medal 2011 Shakespeare in Love meets Twelfth Night - A gripping and evocative historical novel by bestselling Celia Rees

New Essays on American Drama - Gilbert Debuscher 1989

The American Play - Marc Robinson 2009-05-26

In this brilliant study, Marc Robinson explores more than two hundred years of plays, styles, and stagings of American theater. Mapping the changing cultural landscape from the late eighteenth century to the start of the twenty-first, he explores how theater has--and has not--changed and offers close readings of plays by O'Neill, Stein, Wilder, Miller, and

Albee, as well as by important but perhaps lesser known dramatists such as Wallace Stevens, Jean Toomer, Djuna Barnes, and many others. Robinson reads each work in an ambitiously interdisciplinary context, linking advances in theater to developments in American literature, dance, and visual art. The author is particularly attentive to the continuities in American drama, and expertly teases out recurring themes, such as the significance of visuality. He avoids neatly categorizing nineteenth- and twentieth-century plays and depicts a theater more restive and mercurial than has been recognized before. Robinson proves both a fascinating and thought-provoking critic and a spirited guide to the history of American drama.

The Unseen Hand and Other Plays - Sam Shepard 1986

Out of the Sixties - David Wyatt 1993-10-29

This study looks at the cultural legacy of the sixties through ten creative figures who came of age during the Vietnam War.

Dictionary of Midwestern Literature, Volume 1 - Philip A. Greasley 2001-05-30

The Dictionary of Midwestern Literature, Volume One, surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings. The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people, reflecting as well as shaping the evolving sense of individual and collective identity, meaning, and values. Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time. Philip A. Greasley's introduction fills in background information and describes the philosophy, focus, methodology, content, and layout of entries, as well as criteria for their inclusion. An extended lead-essay, "The Origins and Development of the Literature of the Midwest," by David D. Anderson, provides a historical, cultural, and literary context in which the lives and writings of individual authors can be considered. This volume is the first of an ambitious three-volume series sponsored by the Society for the

Study of Midwestern Literature and created by its members. Volume Two will provide similar coverage of non-author entries, such as sites, centers, movements, influences, themes, and genres. Volume Three will be a literary history of the Midwest. One goal of the series is to build understanding of the nature, importance, and influence of Midwestern writers and literature. Another is to provide information on writers from the early years of the Midwestern experience, as well as those now emerging, who are typically absent from existing reference works.

The Cambridge Companion to Sam Shepard - Matthew Roudané 2002-05-27

Few American playwrights have exerted as much influence on the contemporary stage as Sam Shepard. His plays are performed on and off Broadway and in all the major regional American theatres. They are also widely performed and studied in Europe, particularly in Britain, Germany and France, finding both a popular and scholarly audience. In this collection of seventeen original essays, American and European authors from different professional and academic backgrounds explore the various aspects of Shepard's career - his plays, poetry, music, fiction, acting, directing and film work. The volume covers the major plays, including *Curse of the Starving Class*, *Buried Child*, and *True West*, as well as other lesser known but vitally important works. A thorough chronology of Shepard's life and career, together with biographical chapters, a note from the legendary Joseph Chaikin, and an interview with the playwright, give a fascinating first-hand account of an exuberant and experimental personality.

Fool for Love - Sam Shepard 1984

The sad lament of Pecos Bill on the eve of killing his wife: Cast: gender - mixed; number - 1 male, 1 female; size - small; ages - adults.

Freedom Is, Freedom Ain't - Scott Saul 2009-06-30

In the long decade between the mid-fifties and the late sixties, jazz was changing more than its sound. The age of Max Roach's *Freedom Now Suite*, John Coltrane's *A Love Supreme*, and Charles Mingus's *The Black Saint and the Sinner Lady* was a time when jazz became both newly militant and newly seductive, its example powerfully shaping the social

dramas of the Civil Rights movement, the Black Power movement, and the counterculture. *Freedom Is, Freedom Ain't* is the first book to tell the broader story of this period in jazz--and American--history.

Fool for Love and Other Plays - Sam Shepard 1984

A collection of eight plays by Pulitzer prize-winning author Sam Shepard.

Cruising Paradise - Sam Shepard 2010-09-30

His first major book of fiction: lyrical, personal, mythical, hilarious and mesmeric stories that shed new light on both the US and the writer through whose eyes we access this compelling and resonant land.

Modern American Drama on Screen - William Robert Bray 2013-08-08

From its beginnings, the American film industry has profited from bringing popular and acclaimed dramatic works to the screen. This is the first book to offer a comprehensive account, focusing on key texts, of how Hollywood has given a second and enduring life to such classics of the American theater as *Long Day's Journey into Night*, *A Streetcar Named Desire* and *Who's Afraid of Virginia Woolf?* Each chapter is written by a leading scholar and focuses on Broadway's most admired and popular productions. The book is ideally suited for classroom use and offers an otherwise unavailable introduction to a subject which is of great interest to students and scholars alike.

Fool for Love - Sam Shepard 2005

Creating the Self in the Contemporary American Theatre - Robert J. Andreach 1998

"Exploring the theatre from the 1960s to the present, Robert J. Andreach shows the various ways in which the contemporary American theatre creates a personal, theatrical, and national self." "Andreach argues that the contemporary American theatre creates multiple selves that reflect and give voice to the many communities within our multicultural society. These selves are fragmented and enclaved, however, which makes necessary a counter movement that seeks, through interaction among the various parts, to heal the divisions within, between, and among them." --Book Jacket.

Mapping the Private Geography - Gerri Reaves 2001-01-10

This study of autobiographical writing and its reflection of personal and national identity analyzes the different ways in which these authors balance individual American identity with collective identities and reinvent their familial, cultural, and national engenderings. In each of the works discussed, a private geography - a psychological map, a myth, an ideology, or a fiction - is posited, while its author explores claims to the ownership of memory, history, and the self.
