

Forever My Love A Willow Valley Wedding

Love, Lucas Chantele Sedgwick 2015-05-05 A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Return to Us Corinne Michaels 2021-02-23 From New York Times Bestselling author Corinne Michaels comes a new second chance standalone love story. At eighteen, I walked away from Willow Creek Valley for good. I was young, scared, and stupid, and it cost me the love of my life-Grayson Parkerson. Fourteen years later, a crash sends me back home to recover. Back to where we met, fell in love, and planned a future. The one he's now living as a single dad to his daughter. Working at The Park Inn together gives us a chance to reconnect, and seeing him with his little girl makes me long for the days when he was mine. One look in his gorgeous blue-green eyes, and it's like I never left. One kiss, and my world is upside down. One night together, and I know without a doubt, in his arms is where I belong. I'm not the girl I was-intimidated by his wealthy family and desperate to escape our small town. I can imagine a new life for us here. But he's learned to guard his heart, and trust won't come easily. How can I convince him to give first love a second chance?

Rockaway Bride Pippa Grant 2021-02-26 Kidnapping the bride seemed like a good idea at the time. Her fiancé stole my fortune, so I stole his woman. Tit for tat. Or tat for tit. However you want to look at it. The one thing I didn't expect? Willow Honeycutt, preschool teacher, boy band super fan, is completely crazy. And somehow she's turned the tables on me. Now, she's holding me hostage, and she won't let me go until we hit every item on her sparkly new, completely insane bucket list. And that last item? That last item might cost me more than any fortune. It very well might cost me my heart. Rockaway Bride is a romping fun romance between a down-on-his-luck rock star and a boy band-loving preschool teacher, complete with a road trip, handcuffs, and fun with nuns. This romantic comedy stands alone with no cheating or cliffhangers and ends with a rockin' awesome happily ever after.

Sunset Thunder Shannyn Leah 2016 Violet Caliendo escorts couples into the illusion of "happily ever after" as wedding coordinator at Willow Valley's five-star Caliendo Resort. But Violet doesn't believe in love or "happily ever after" anymore. She's guarded herself from love so deeply since her divorce that some even call her the "Ice Queen." When she has to plan her ex-husband's wedding, even her Ice Queen persona takes a hit. With her emotions in high gear, she takes out her frustrations by having sex with her ex's best man, Ryder Carlex. Ryder is a playboy type and Violet figures it's a simple one-time fling. But Ryder actually is attracted to Violet in a way he's never known before. Neither of them ever imagines that the sparks between them will ignite a fire hotter than anything they've ever encountered - slowly breaking down both their walls. Will Violet be able to let go of her past and embrace a possible future with Ryder? Will Ryder let Violet into his own deep, dark secrets? Or will their trust issues forever doom them both from achieving their own "happily ever after"? This book can be read as a STAND ALONE, but for more enjoyment read them in the order of the series, as all the characters appear in future books. "Ms. Leah's ability to create romantic scenes that are like wispy clouds, not clearly defined, not graphically detailed, but hinted at and fleeting after she has set the warm up scenes to intense passion. I always trust my imagination, and with Shannyn Leah's guidance, it was sparking and sighing and once again, melting down. That is romance. That is sensual heat. Give us a tease and cut our minds and hearts loose to make the best scenes ever! Kind of brings out our own personal melting point, as if she wrote each scene specifically for each reader." ~Dii Tometender~ Read the full BY THE LAKE SERIES: THE CALIENDO RESORT BOOK 1: Sunset Thunder BOOK 2: Sunset Rivalry BOOK 3: Sunset Sail (2016) BOOK 4: Sunset Slopes (2016) BOOK 5: Sunset Shelter (2016) Other books in the By The Lake Series: THE MCADAMS SISTERS BOOK 1: Lakeshore Secrets BOOK 2: Lakeshore Legend BOOK 3: Lakeshore Love BOOK 4: Lakeshore Candy BOOK 5: Lakeshore Lyrics

A Chance for Us - Special Edition Corinne Michaels 2022-02-15 New York Times Bestselling author Corinne Michaels returns to the small town of Willow Creek Valley in this stunning fake marriage romance. My marriage started as a lie. But some lies are worth telling. My father's dying wish was to walk me down the aisle, and I'd do anything for him. Even marry a man I don't love. So when my fiancé jilts me only days before the ceremony, I turn to my college friend, Oliver Parkerson, and convince him to marry me. My family hasn't met either man, so I'm confident we can pull this off. But the feelings, our touches, the way my heart beats for him... none of it feels pretend. The way he holds me at night and carries me through loss tells me he's not acting either. I didn't mean to fall for my fake husband, but real love was the one thing I couldn't predict. Except, nothing built on lies can last-I know that better than anyone. But the truth might tear us apart forever.

Could Have Been Us Corinne Michaels 2021-04-27 New York Times Bestselling author Corinne Michaels returns to the Willow Creek Valley Series in this stunning small town, brother's best friend romance. Fifteen years ago, I fell for Jack O'Donnell. I was just a girl, but I knew my brother's best friend was the only man I'd ever love. On my eighteenth birthday, when I asked him to kiss me, I never imagined it would change my life so completely. I gave Jack everything that night. In order to move on, we had to go our separate ways and pretend like nothing happened... as though it wasn't the greatest moment of my life. But even that wasn't as heartbreaking as the secret we were forced to keep. I've tried not to think about how much I still love him. How I long to be back in his strong arms or the way his hazel eyes make my heart race. Until he kisses me again. And this time there's no turning back. This time I know what it means. We belong together and there's no use denying it any longer. But our feelings aren't the only thing that won't stay buried, our past resurfaces and threatens to destroy our second chance at happiness. When our love is tested once again, will we be strong enough to stand together?

Kenny Hall's Music Book: Old Time Music - Fiddle & Mandolin KENNY HALL 2011-03-04 Since the 1960's here has been an extraordinary revival of old-time string band music in California, and indeed throughout the American West. Despite being born blind, Kenny Hall has been a mainstay of many fiddle festivals and of the Western fiddle and string band revival in general. Kenny's musical style is passionate and energetic. This book is a helpful guide to his vast repertoire learned through years of careful listening. It is also a wonderful addition to the fiddler's bookshelf and a fitting tribute to a man who, for many an aspiring fiddler, has been a friend, guide, exemplar, and patron. Many of the tunes includes nonsense lyrics that Kenny used to help him remember the melody, and each tune is accompanied by Kenny's comments. the book is divided into five chapters: fiddle- based tunes (Fiddle Faddle), mandolin-based tunes (Rags, Tags, and Wags), Waltzes, tunes from an origin other than the United States or the British Isles (Kenny's Rambles); and vocal-based pieces including lyrics (Songs, Ballads, Ditties). Some of the transcriptions are written primarily for fiddle or mandolin, but most tunes can be performed on either instrument. This deluxe guide to Kenny Hall's vast repertoire offers fans of old-time music a great way to get to know Kenny and his music.

(Oliver James, Contact Magazine) A novel and comprehensive approach to transferring from the C to F instrument. 430 music examples include folk and national songs (some in two parts), country dance tunes and excerpts from the standard treble repertoire of Bach, Barsanti, Corelli, Handel, Telemann, etc. An outstanding feature of the book has proved to be Brian Bonsor's brilliantly simple but highly effective practice circles and recognition squares designed to give, in only a few minutes, concentrated practice on the more usual leaps to and from each new note and instant recognition of random notes. Quickly emulating the outstanding success of the descant tutors, these books are very popular even with those who normally use tutors other than the Enjoy the Recorder series.

Yodelling Boundary Riders: Country Music in Australia since the 1920s Toby Martin 2015-02-01 This landmark book tells the story of one of the most enduring forms of popular culture in Australia. Prior to the 1950s, country music was called hillbilly music. Hillbilly was the rock 'n' roll of its day. The latest craze, straight from America, it was young, exciting and glamorous. This book traces the journey hillbilly took to become country: the rural nationalistic form it is known as today. Yodelling Boundary Riders is the first book to contextualise country music into a broader story about Australian history. Not just concerned with the development of music itself, it is also a history of the ways in which Australians have responded to the rapid rate of change in the twentieth century and the global fascination with "authenticity". True to its subject matter, the writing is colourful and entertaining. Along the way Martin introduces some wonderful characters and events: yodelling stockmen, singing cowgirls, sentimental cowboys, coo-ees in Nashville, hobos on the mail train, the Sheik of Scrubby Creek and Australia's craziest hillbillies.
