Life is Funny - Arun 2018-02-15

We have all been conditioned to live life in a strangely serious manner while Arjun Kapoor has developed a sense of sight wherein he finds humor in every tiny fragment of the absurd world he is living in. While others around him are crazy about money, their careers and the conventional diplomatic ways of the society, he is on the quest for a true meaning in life. Will his world ever change from stupidly funny to sanely sensible? Will he ever be able to get himself freed of the pain he has been going through for so many years? Will he ever find a liberating truth? Will he survive with his straightforward ways in a world full of people having no sense of righteousness?

Funny Things Happened on My Way to the Cemetery - Hugh Robert MacDonald 2014-11-14

Ever been chased by a jealous husband swinging an axe? Or had your shoelaces and socks chewed by a cheetah while you couldn't move? What about having a doctor pass out beside you while he was delivering your child? If your answers are no, then you are lucky. If you want to find out how someone survived these wild and crazy adventures, read this book! The light-hearted autobiography of Hugh MacDonald recounts the laughable and unusual adventures and misadventures of a budding concert pianist, a minister of one of Canada's largest churches, a college professor, a radio talk-show host, a Paris tour guide, and a civil marriage commissioner. MacDonald tells of being carried down a main street in Montreal completely naked; walking a marathon with raw eggs squishing in his boots; being forced to eat beef stew, well-flavoured with cat hair;

inadvertently buying 3,125 condoms in preparation for his wedding; being marooned and coming close to death in a Northern Ontario blizzard; and so much more! MacDonald winds these yarns into an interesting account of his long and varied life. This book can be read in one sitting, or you can savour it as bedtime reading, enjoying one or two funny stories each night. Either way, you can't go wrong with this humorous telling of MacDonald's life.
