Same Sex, Different Cultures - Gilbert H Herdt 1998-04-24

Because homoerotic relations can be found in so many cultures, Gilbert Herdt argues that we should think of these relations as part of the human condition. This new cross-cultural study of gays, lesbians, and bisexuals around the world, *Same Sex, Different Cultures* provides a unique perspective on maturing and living within societies, both historical and contemporary, that not only acknowledge but also incorporate same-gender desires and relations. Examining what it means to organize "sex" in a society that lacks a category for "sex," or to love someone of the same gender when society does not have a "homosexual" or "gay/lesbian" role, Herdt provides provocative new insights in our understanding of gay and lesbians lives. Accurate in both its scientific conceptions and wealth of cultural and historical material, examples range from the ancient Greeks and feudal China and Japan to the developing countries of Africa, India, Mexico, Brazil, and Thailand, from a New Guinea society to contemporary U.S. culture, including Native Americans. For all of these peoples, homoerotic relations emerge as part of culture—and not separate from history or society. In many of these groups, loving or engaging in sexual relations is found to be the very basis of the local cultural theory of "human nature" and the mythological basis for the cosmos and the creation of society. The mistake of modern Western culture, Gilbert contends, is to continue the legalization of prejudice against lesbians and gays. In this light, the book addresses the issue of "universal" versus particular practices and reveals positive role models that embrace all aspects of human sexuality. Finally, it offers knowledge of the existence of persons who have loved and have been intimate sexually and romantically with the same gender in other lands through divergent cultural practices and social roles. The most important lesson to learn from this cross-cultural and historical study of homosexuality is that there is room for many at the table of humankind.

It's Christmastime and Santa Discovers He's Gay - Ralph Michael Roberts 2019-10-25

Yay! You're Gay! Now What? - Riyadh Khalaf 2019-04-16

Yay! You're gay! Or maybe you're bi. Or maybe you just feel different... in time, that difference will become the greatest gift you could ask for. It will bring you love, a sense of identity, a new community, and eventually the freedom to be yourself. I promise! In this personal, heartfelt go-to guide for young queer guys, YouTuber and presenter Riyadh Khalaf shares frank advice about everything from coming out to relationships, as well as interviews with inspirational queer role models, and encouragement for times when you're feeling low. There's a support section for family and friends written by Riyadh's parents and LOADS of hilarious, embarrassing, inspiring and moving stories from gay boys around the world. Includes chapters on: • Labels - what does it mean to be gay, bi, trans or queer? • Coming out • Your first crush • Dealing with bullies • Learning to love your body • Sex ed for gay guys • Coping with embarrassing moments • Finding your tribe

The Joy of Gay Sex - Charles Silverstein 2009-03-17

For a new century and a new generation of readers comes a fully revised and expanded edition of a classic guide to gay sex, love, and life. Featuring 50 new illustrations. One of the touchstones of the emerging gay consciousness when it was first published in the 70's, and a standard reference for gay men throughout the 80's and 90's, *The Joy of Gay Sex*

has informed countless men about the ins and outs of gay life, love, and pleasure. A full decade has now passed since the last update, and while the gay community has seen improved treatments for AIDS, more positive media coverage, new forums for the expression of community, and more favorable laws, there continues to be an urgent need for this book's brand of positive and responsible advice. Invaluable not only as a sex guide but as a resource on building self-esteem, and a coming out guide for young gay men, *The Joy of Gay Sex* addresses the many emotional and relationship-oriented issues in gay life, from long-term couples and one-night stands, to loneliness and growing older. It also serves as a general reference on a number of diverse topics, including living wills and insurance.

Sex Gay Men & Aids - Peter M. Davies 2013-10-31

First published in 1993. Routledge is an imprint of Taylor & Francis, an informa company.

The Ins and Outs of Gay Sex - Stephen E. Goldstone 1999-05-18

Finally--the book for every gay man's bedside table. At last! Answers to the questions you're too embarrassed to ask--but always wanted to know! Why does it hurt down there? Is it really safe to do that? What does it mean when something looks like this--and how do I make it go away? Chances are you never learned anything about gay intimacy from your parents, your school, or your family physician. Here, at last, is reliable, comprehensive information on a wide spectrum of gay medical concerns, written by an eminent surgeon and recognized authority on gay health issues. With up-to-date facts, interviews, and case studies from the author's practice, *The Ins and Outs of Gay Sex* goes far beyond HIV concerns, combining a complete education about the safe and pleasurable practices of male-male sexuality with a comprehensive medical volume. Here are the facts about what you need to know to keep your sex life hot and healthy, including: The rules of safe anorectal stimulation. Symptoms to send you running to the doctor. Foreplay, sex toys, and other accessories. Viral and nonviral STDs--don't wake up with an unpleasant surprise! Treatments for impotence and other sexual dysfunctions. Diseases that can be spread without penetration. Drugs...relationships...doctors (how to find the right one for you), and much more.

Male Prostitution - Donald James West 1992

Verslag van een onderzoek in Londen

The New Joy of Gay Sex - Charles Silverstein 1993

Not Gay - Jane Ward 2015-07-31

A different look at heterosexuality in the twenty-first century A straight white girl can kiss a girl, like it, and still call herself straight—her boyfriend may even encourage her. But can straight white guys experience the same easy sexual fluidity, or would kissing a guy just mean that they are really gay? *Not Gay* thrusts deep into a world where straight guy-on-guy action is not a myth but a reality: there's fraternity and military hazing rituals, where new recruits are made to grab each other's penises and stick fingers up their fellow members' anuses; online personal ads, where straight men seek other straight men to masturbate with; and, last but not least, the long and clandestine history of straight men frequenting public restrooms for sexual encounters with other men. For Jane Ward, these sexual practices reveal a unique social space where straight white men can—and do—have sex with other straight white men;

in fact, she argues, to do so reaffirms rather than challenges their gender and racial identity. Ward illustrates that sex between straight white men allows them to leverage whiteness and masculinity to authenticate their heterosexuality in the context of sex with men. By understanding their same-sex sexual practice as meaningless, accidental, or even necessary, straight white men can perform homosexual contact in heterosexual ways. These sex acts are not slippages into a queer way of being or expressions of a desired but unarticulated gay identity. Instead, Ward argues, they reveal the fluidity and complexity that characterizes all human sexual desire. In the end, Ward's analysis offers a new way to think about heterosexuality—not as the opposite or absence of homosexuality, but as its own unique mode of engaging in homosexual sex, a mode characterized by pretense, dis-identification and racial and heterosexual privilege. Daring, insightful, and brimming with wit, *Not Gay* is a fascinating new take on the complexities of heterosexuality in the modern era.

[Gay Male Pornography](#) - Christopher N. Kendall 2004

The 2000 case of *Little Sisters Book and Art Emporium v. Customs Canada* provided Canada's highest court with its first opportunity to consider whether the analysis set out in *R. v. Butler* - in which the Supreme Court identified pornography as an issue of sex discrimination - applies to pornography intended for a lesbian or gay male audience. The Court held that it did, finding that, like heterosexual pornography, same-sex pornography also violates the sex equality interests of all Canadians. Christopher Kendall supports this finding, arguing that gay male pornography reinforces those social attitudes that create systemic inequality on the basis of sex and sexual orientation - misogyny and homophobia alike - by sexually conditioning gay men to those attitudes and practices. The author contends that as a result of litigation efforts like those brought by lesbian and gay activists in the *Little Sisters* case, the notion of empowerment and the rejection of those values that daily result in all that is anti-gay have been replaced with a misguided community ethic and identity politic that encourages inequality. This is best exemplified in the gay male pornography defended in *Little Sisters* as "liberation" and "central to sexual freedom." *Gay Male Pornography* rejects the equality claims of gay male pro-pornography advocates and argues that there is little to be gained from sexualized conformity. To date, no one has taken the position that gay male pornography violates the legal right to sex equality. This book does that and, as such, it will be of value to scholars of law, sociology, and gender studies, as well as to all who have an interest in equality and justice.

[Men Like Us](#) - Daniel Wolfe 2000

For nearly two decades, GMHC has provided vital support, education, and health information to gay men. Now, with "Men Like Us", their guidance -- and the insights of hundreds of gay men across America -- will help readers everywhere. Practical, down-to-earth, and accessible, this authoritative health resource covers such topics as: -- body basics -- exercise and diet-- relationships and intimacy-- sexual pleasure-- medical care -- prevention and healing-- mental health and therapy-- spirituality and community-- and much, much more Filled with expert advice -- from leading doctors, lawyers, therapists, and fitness instructors to "ordinary gay men" whose stories provide important voices of experience -- "Men Like Us" opens a window onto the ways gay men, in all their diversity, care for themselves and each other.

The Bible of Gay Sex - Stephan Niederwieser 2013-03-19

Hallelujah! Finally there is a book that tells you ALL you need to know about gay sex. For let's be honest: Talking sex is only easy as long as you can play the part of the experienced lover. Stephan Niederwieser-author of various sex guides-informs you about everything you need to know, whether it's dating, health, the best ways to relax or the responsible use of stimulants. *The Bible of Gay Sex* is richly illustrated; it's a competent and entertaining book about everyone's favorite pastime.

Terry Sanderson's A-Z of Gay Sex - Terry Sanderson 1994

Gay People, Sex, and the Media - Michelle Wolf 2014-06-11

Here is a provocative book that examines precisely how and why mass communication has an impact upon the sexual realities of our lives. Written in response to a demand for information that cuts across many of the boundaries found in more traditional books on sexuality and mass communication, *Gay People, Sex, and the Media* covers a broad range of sexual identity, socialization, and mass communication issues and represents a variety of theoretical and methodological orientations. Although the chapters are diverse, they all focus on how the mass media--television, radio, films, newspapers, magazines, and recorded music--contribute significantly to the very definitions we form of ourselves and

of each other. In part, this informative volume discusses and analyzes several concerns regarding minority perspectives in the context of the the study of mass media content and effects; analyzes mediated information about AIDS and highlights the responsibility of the mass media to disseminate more accurate information; addresses the relationships between mass media content (primarily television) and sexual socialization; explores issues confronted by individuals whose sexual orientations are generally perceived as falling out of the mainstream; and provides a selective bibliography of print, aural, and visual resources on gay men, lesbians, and the mass media. Unique in contrast to other books of research on human sexuality and mass communication, *Gay People, Sex, and the Media* gives more than a passing reference to issues concerning sexual identity and gay and lesbian concerns. Scholars and students of human sexuality, especially those who wish to explore their field from a communications perspective, will find this to be a valuable book. It is also useful to communications researchers and teachers, particularly those studying mediated communications in society, media ethics, and sex and the media. Finally, for professionals involved in creating or monitoring media content or forging public policy and community action programs in response to these issues, this volume serves as an essential sourcebook.

[...And Then I Became Gay](#) - Ritch Williams-Savin 2013-09-05

"...And Then I Became Gay is about the lives of young men who express the complications, adversities, and satisfactions of being a sexual outsider in North America during the 1980s and 1990s. Consisting of narratives which chronicle developmental progression from first memories of being attracted to other males to a subsequent integration of their sexual identity with a personal identity, this book is also unique in its cross-section of men from different ethnic backgrounds. Although each story in this volume has a personal meaning to the individual youth disclosing it, aspects of these narratives can express a normative experience growing up gay or bisexual during the past two decades. For many of the contributors and readers, these stories may prove to be not only ones of coming out, but coming of age.

Gay Life Stories - Jón Ingvar Kjaran 2019-03-27

Drawing on ethnographic encounters with self-identified gay men in Iran, this book explores the construction, enactment, and veiling and unveiling of gay identity and same-sex desire in the capital city of Tehran. The research draws on diverse interpretive, historical, online and empirical sources in order to present critical and nuanced insights into the politics of recognition and representation and the constitution of same-sex desire under the specific conditions of Iranian modernity. As it engages with accounts of the persecuted Iranian gay male subject as a victim of the barbarism of the Islamic Republic of Iran, the book addresses interpretive questions of sexuality governance in transnational contexts and attends to issues of human rights frameworks in weighing social justice and political claims made by and on behalf of sexual and gender minorities. The book thus combines empirical data with a critical consideration of the politics of same-sex desire for Iranian gay men.

The Gay Report - Karla Jay 1979

"The Gay Report contains the results of the first comprehensive survey of the homosexual community. In 1977, Karla Jay and Allen Young distributed several hundred thousand copies of their survey to lesbians and gay men. Over five thousand of them, between the ages of fourteen and eighty-two, from all over the United States and Canada, filled out the extensive questionnaires about their lifestyles and sexual experiences. This book tells what they said."--Publisher's description.

Hello Sailor! - Paul Baker 2015-10-23

When gays had to be closeted, ships were the only places where homosexual men could not only be out but also camp. And on some liners to the sun and the New World, queens and butches had a ball. They sashayed and minced their way across the world's oceans. Never before has the story been told of the masses. These are the thousands of queer seafarers, mainly stewards, who sometimes even outnumbered the straight men in the catering departments of ships that were household names and the pride of the British fleet. *Hello Sailor!* uniquely shows what it was like to be queer at sea at a time when land meant straightness.

"--and Then I Became Gay" - Ritch C. Savin-Williams 1998

First Published in 1998. Routledge is an imprint of Taylor & Francis, an informa company.

Gay Sex, Gay Health - Dr Alex Vass 2011-05-31

With rates of sexually transmitted infections, including HIV, and sexual problems at an all time high *Gay Sex, Gay Health* is essential reading for all gay men, with informed advice on sexual, physical and emotional

problems, including practising safe sex and taking responsibility for oneself. Serious and authoritative in tone but also upbeat and informal in

style, the book also includes sections on gay sex and variations in sexual activities, recreational drugs associated with gay sex and up-to-date statistics and case studies.
