Home Girl - Brenda Bouw 2009-12-03

Statistics show that Canadian women now outnumber men in buying a house or condo. Women see the value in owning property. They are no longer waiting for, or expecting, a "Mr. Right" to come along before taking one of the key financial steps of their lives. Such is the case with the author of Home Girls: The Single Woman's Guide to Buying Real Estate in Canada Brenda Bouw's own experiences in buying and selling real estate, and those of other single women she interviewed for the book--as well as insights from real estate professionals--are built into this informative and entertaining guide. If you are looking at buying a first property, you'll find out about the pitfalls you need to avoid and the necessary steps you must take to make that purchase a success story. If you already own real estate, you might be interested in renovating

your house, buying an investment property or even becoming a landlord. Here are some of the key concepts: * How to tell if you're ready to own your own home * What to look for in a house * The role of a real estate agent * The offer, the deal, the closing and the aftermath * The dozens of little expenses that you might not be aware of before it's time to pay for them * What renovations to tackle yourself, and when it's time to call a pro * How to become a landlord--and if you really want to be one It is a truism that women tend to be more focused, organized and informed when it comes to making major purchases. Home Girl is the perfect book to give you an edge when it comes to understanding the process and negotiating your best deal. From thinking about buying a property, to getting the keys from your lawyer and popping the cork, Home Girl is the perfect companion to have along for the ride.

Blow Your House Down - Pat Barker

2016-10-27

A serial killer stalks prostitutes with profound and unexpected consequences in this riveting novel from the Booker Prize-winning author of *Ghost Road*. A city and its people are in the grip of a killer who is roaming the northern city, singling out prostitutes. The face of his latest victim stares out from every newspaper and billboard, haunting the women who walk the streets. But life and work go on. Brenda, with three children, can't afford to give up while Audrey, now in her forties, desperately goes on 'working the cars'. And then, when another woman is savagely murdered, Jean, her lover, takes desperate measures...

The Girl in the Glass House - Cheryl Rioux
2017-01-01

The novel takes place in the heart of Silicon Valley, where materialism thrives and acquisition is the heartbeat of the community. It opens with Katie LaFont preparing for her first appointment with a world renowned psychiatrist from Stanford University. After reluctantly agreeing to seek help she takes a step back and wonders how her life became an intractable mess. She questions what is missing as she takes one more inventory of her existence: devoted husband; beautiful kids; a successful business of her own; fine art; luxury cars; jewelry; and designer clothing. After checking off the final item on her list, her dream home, she finds herself at the precipice of losing it all. Shortly after moving in, a growing numbness leads her to reevaluate her own obsession with accumulation, wondering if this is all life has to offer. Katie begins to limp through the life she spent so much effort to create only to discover that it might be a facade.

Journee and Jordyn are back! It's a new year and things have shaken up a lot between The Bell twins after the untimely death of Kalena's husband Todd. Coming back alone from her honeymoon, discover if Kalena will find peace with Todd's death and happiness within her own life again. Jordyn's shocking secret only gets worst as it takes a turn down a path that leaves everyone more confused than before. Will Jordyn and Chris survive? Now that Jordyn's mayhem

has put Journee in middle of her and her two sisterhoods, Journee has to decide what's more important now, the friendship that the girls have shared for over twenty years or the relationship with her twin sister. Chelsea and Najah's lives have changed as well as Journee's when Drew comes home from prison. This is the moment that Journee has been waiting for but is she ready to leave her broken past behind and marry him? Has she really moved on from Jason? On vacation in Cabo San Lucas, things about him are uncovered and the truth is finally revealed to her. As you witness more drama and celebrations, follow Jordyn, Journee, Kalena, Najah and Chelsea as the year 2009 just might be their year after all.

Myriad Mirrors - Sanju Ramachandran 2003**Teen Haunted House Mysteries Bundle: Ghost Girl in Shadow Bay & Teen Ghost at Dead Lake** - R. Barri Flowers

Teen Haunted House Mysteries Bundle contains two complete YA ghost mystery novels by bestselling author R. Barri Flowers, including *Ghost Girl in Shadow Bay* and *Teen Ghost at Dead Lake*. *Ghost Girl in Shadow Bay* Three years after her father was killed, sixteen-year-old Peyton Delaney, her mother, Melody, and new stepfather, Vance McIntyre, relocate to Shadow Bay, Minnesota and move into an old Victorian. They are unaware of the house's dark history-- fifty years ago, a jealous husband snapped, murdering his wife, her lover, and sixteen-year-old daughter before killing himself. But when Peyton begins to have nightmares about the crime and is haunted by a ghostly teenage girl named Caitlyn, she begins to investigate with the help of the caretaker's cute son, Bryant. As the two delve into the supernatural mystery surrounding the house, they discover that the events that led to the tragedy of fifty years ago are somehow intertwined with the present. In other words, history is repeating itself and Peyton, Bryant, and their parents are being drawn into a disturbing case of jealousy, possession, revenge, and murder, while seemingly powerless to prevent the inevitable from taking place all over again. Caitlyn is a ghost who has had to relive the nightmare of being murdered by her father for half a century. When Peyton and her family arrive at the house

where Caitlyn's spirit has remained trapped, she feels a connection to Peyton and knows instinctively that it will take the two of them to not only free Caitlyn at long last, but to prevent her tragedy from becoming one that Peyton too must endure. Teen Ghost at Dead Lake When sixteen-year-old Paige Preston and her mother relocated to Dead Lake, Michigan, they were unaware that a seventeen-year-old previous resident of their house had killed himself by jumping off a cliff into the lake six months earlier. But was it really suicide? Noah Snyder is a ghost. At least he thinks so. Only he's not sure how he died. He recruits the attractive Paige to help him get to the bottom of the mystery so he can move on. Before he died, Noah was the captain of the boys swim team and popular at Dead Lake High School. He had also suffered from depression after losing his father when Noah was just a boy. Paige, who had initially believed she was dealing with an imposter Noah, is stunned to find out that he is a real ghost and that there were more than a few people who may have wanted him dead. Being attracted to a cute teen ghost is no small feat as Paige tries to adjust to life in a new town and help unravel the mystery of his death. In the process, she soon finds herself in danger, as someone wants to keep a deadly secret at all costs. Praise for R. Barri Flowers "Great mystery and I loved the narration. The narrator really brought the story to life! I will highly recommend this mystery to my friends and family!" -- Amazon reviewer on Ghost Girl in Shadow Bay "This was like 'Sweet Valley High' meets 'True Blood'.... Fans of the 'Buffy the Vampire Slayer' series will enjoy this series. Great for young readers!" - Jessica's Reviews on Count Dracula's Teenage Daughter "This book has some serious potential with a really unique idea!... I think my students would really love this book." -- Brittany Elsen, Book Reviewer on Count Dracula's Teenage Daughter "The story was fast paced and had a lot of twist and turns... I would recommend this book for people who enjoy a good vampire YA book, it's packed with teenage drama and triangles that will keep you turning the pages." -- Ordinary Girlz Book Reviews on Out for Blood "A very interesting concept and world that Flowers has written. With the introduction of a few more key players, I see some real potential in the future of

the series." -- Hot Off the Shelves on Out for Blood

Moore's Rural New-Yorker - 1892

Identical - Robert De Cristo fano 2006-11-30
From the very first moment that we gaze upon our own face in a mirror, we are mesmerized. At first we don't even recognize that the image peering back at us is our own. Eventually we come to realize that the person in the mirror is indeed one with us, a part of us, and from that moment on, everything changes. Our reflection becomes an integral part of our life. Without it, life as we know it would be almost impossible. It is here, in front of that mirror, that we finally see, that which is very important, who we really are. So imagine for a moment what would happen if one day our image had suddenly, tragically, disappeared Identical twin brothers Marco and Luca Luna share everything. Growing up in a small town, they are an integral part of a loving family. They participate in sports, enjoy music, and are active in their local church. The brothers do everything together, perhaps because they are so much alike-and yet so different. Then one moment, and one event, changes everything-and nothing will ever be the same again

A Stranger in the Kingdom - Howard Frank Mosher 2014-05-27

This novel of murder and its aftermath in a small Vermont town in the 1950s is "reminiscent of To Kill a Mockingbird . . . Absorbing" (The New York Times). In Kingdom County, Vermont, the town's new Presbyterian minister is a black man, an unsettling fact for some of the locals. When a French-Canadian woman takes refuge in his parsonage—and is subsequently murdered—suspicion immediately falls on the clergyman. While his thirteen-year-old son struggles in the shadow of the town's accusations, and his older son, a lawyer, fights to defend him, a father finds himself on trial more for who he is than for what he might have done. "Set in northern Vermont in 1952, Mosher's tale of racism and murder is powerful, viscerally affecting and totally contemporary in its exposure of deep-seated prejudice and intolerance . . . [A] big, old-fashioned novel." —Publishers Weekly "A real mystery in the best and truest sense."—Lee Smith, The New York

The Little Girl Who Stayed up Late - David
Turner 2020-04-17

Have you ever wondered what happens in your house at night while you are sleeping? Is it dark and quiet with nothing going on, or..... are there strange and funny things happening that can't be explained? What if there were some very odd characters making a big mess in the house and what if you could catch them in the act? Come along with our little girl and see what goes on at night in her house. When her grandfather fell asleep reading her a bedtime story she decided to go downstairs to get a glass of milk. You won't

believe what she saw. See her nighttime adventures with all kinds of strange and wonderful characters. This is truly an experience you are not likely to forget. From an elephant wearing roller skates and doing the dishes to a horse wearing sunglasses, nighttime at this little girl's house is far from quiet and you can experience all the excitement along with her. How will they ever get the mess cleaned up before morning comes and mommy sees what has happened? Will her grandfather believe her story? Did it really happen or was it all just a dream? The answer to all these questions will be revealed within these pages.
