Sustainable Development Goals - Pia Katila
2019-12-12

A global assessment of potential and anticipated impacts of efforts to achieve the SDGs on forests and related socio-economic systems. This title is available as Open Access via Cambridge Core.

The Psychological Basis of Perfumery - J. Stephan Jellinek
2012-12-06

During the many years of its publication and subsequent revisions, Paul Jellinek's book has been the standard work on its subject. This new edition, translated into English for the first time, was conceived in response to the increased interest in recent years in perfumes and the sense of smell. This interest has come not only from within the highly competitive perfumery industry, but also from psychologists and market researchers. The original text has impressively withstood the test of time and the approach of this new book has been to supplement it with chapters that are now of critical importance, but which were only touched upon in the original book. A market researcher looks at why people use perfumes; a psychologist examines the motivation of perfume choice; another psychologist discusses odours and a perfumer looks at the effects of odours on human experience and behaviour. In the final chapter the editor compares the original author's views with those of today's experts and suggests which aspects are still valid and in what areas divergent views now prevail. This book is written principally to provide a scientific basis to the craft of perfumery and to enable formulators and marketers to understand why the smells they create and sell have the effect they do. It allows a systematic approach to the development of these products. Others outside the industry, including psychologists in academia, will find the book an essential reference source.

The Rise of Euroskepticism - Luis Martín-Estudillo
2018-03-26

Electronic open access edition funded by the National Endowment for the Humanities. Covering from 1915 to the present, this book

deals with the role that artists and intellectuals have played regarding projects of European integration. Consciously or not, they partake of a tradition of Euroskepticism. Because Euroskepticism is often associated with the discourse of political elites, its literary and artistic expressions have gone largely unnoticed. This book addresses that gap. Taking Spain as a case study, author Luis Martín-Estudillo analyzes its conflict over its own Europeanism or exceptionalism, as well as the European view of Spain. He ranges from canonical writers like Unamuno, Ortega y Gasset, and Zambrano to new media artists like Valeriano López, Carlos Spottorno, and Santiago Sierra. Martín-Estudillo provides a new context for the current refugee crisis, the North-South divide among EU countries, and the generalized disaffection toward the project of European integration. The eclipsed critical tradition he discusses contributes to a deeper understanding of the notion of Europe and its institutional embodiments. It gives resonance to the intellectual and cultural history of Europe's "peripheries" and re-evaluates Euroskeptic contributions as one of the few hopes left to imagine ways to renew the promise of a union of the European nations.

Day of the Dead Tattoo Artwork Collection - Edgar Hoill
2013-09-01

All of the artwork in this collection -- Skulls, Catrinas and Culture of the Dead share a common theme: a lust for life and reverence of death -- all explored in engaging paintings, drawings, photography and sculpture. This book represents a veritable compendium of skulls and Catrinas with impressive artistic scope, and a valuable source of inspiration for contemporary tattoo artwork. Skulls and Catrinas are the most significant attributes of Mexico's traditional celebration of The Day of the Dead, El Día de los Muertos. Such pleasures are brilliantly displayed in the artwork featured, in full vibrant colour, on the pages of this book. In this massive hardcover, Edgar Hoill has assembled renowned

tattooists from around the world, who uniquely interpret the icons of this sacred day. The Calaveras, literally, "skulls" are artfully manifested in various forms among the artwork. Images of Catrina, the covert queen of the dead, within this book demonstrate how the artists view death as something to be laughed at and not feared. Also populating these pages are beautiful women with skeletal features transposed over their faces, bringing to mind the joy and suffering of love. Tattoo artists represented in this book: Jacky Rudy, Horiyoshi III, Italia Ruotolo, Chuey Quintanar, Colin Dale, Christin Hock Dolorosa, Dimitri, Paco Arias, Fredi Tut, Greg D., Rask Opticon, Derek Noble, Benjamin Estrada, Pablo Xno, Miguel Morales, Shige, Martin Martinez Castro, Roy Palma, Frank Chavez, Jesse Hernandez, Richie, Chamaco, Manson, Elvia Guadian, Paul Barrientos, Phillip Spearman, Ricardo Mendez, Abraham Ortega, AR Ink Bombers, El Chocky, Rob Struven, Diego Garcia, Gabriel Frias, Tony Boyd, Dr. Lakra, Steve Soto, Robert Atkinson, Mike, Roxi, Osiris, Stef De Bad, Dermafilia familia, Dan Chase, Indio Reyes, Chia, Krazy K, Tatu Baby, Khan, Javier Pina, Colin Dale, David Dettleoff, Jonathan Fernandez, Edgar Alvarez, Rich Martinez, Elvia Guadian, Paco Arias, Chuy Ortega, Electroshock, Pablo Ash, Kiki Platas, Liber Riot, El Chanok, Genziana, Jason Wheeler, Claire Octopus, Chamaco, Tony Mancina, Joe Romero, Ben Corn, Rojo, Paola Maria, Brian Everett, Vampiro, Juan Metal, El Chocky, Manuel Lorenzana, Paul Nguyen, Gator, Steph D., Rob Hill, Grim, El Buster, Manuel Valenzuela, Tracey, Tuich, Juan Arreguin, Kasuyoshi, Fide, Simone Pfaff, Justin Hendrick, Henri B., Yushi Takei, Homero Reyes, Jorge Issac Trujeque Gutierrez, Peque, Horikazu, Ricardo Mendez, Eric San, Federico Ruiz, Nervio, Colin Dale, Pedro Alvarez, Heidi Scheck, Mouse Lopez, Hector, Dermafilia familia, El Will, Nelson Acido Garcia, Morof, Tuer, Italia Ruotolo, Roxi Tattoo, Alex 'Kofuu' Reinke Horikitsune, Ina Trece, Sodapop, Karrona, Catalyst Butcher, Mike Sirot, Tofino Tattoo, Gajin Fujita, Steve Martin, Chino De Tepito, Will Contreras, Chuy Espinoza, El Whyner, Antonio Mejia, Listo Tj, Shane Tyner, Defer, Christina Ramos, Robert Cervantes, Shane Modica, Miguel Morales, Charlie Machete, Pedro Alvarez, El Sukre, Ching,

Access - Laura J. Frost 2008

Many people in developing countries lack access to health technologies. Why does this problem persist? What can be done to improve access, especially for the poor in poor countries? Frost offers a comprehensive analytical framework for access and examines six case studies to explain why some health technologies achieved more access than others.

Modern Urban Girls - Stefan Soell 2012

"No more romance," said the renowned erotic photographer Stefan Soell, after enjoying great success with his two lavish photographic volumes entitled "Alpenglow" and "Volcanic Girls." A completely new, modern style of portraying the nude was required, and Stefan has once more succeeded convincingly. He searched for the right type of woman to match his vision for three long years, finally settling on something between the young, successful, cool businesswoman and glamorous movie star. Oozing beauty, of course, fantastically built, with a confident, cheeky appearance, and unashamedly flaunting their sex appeal. Soell has discovered more than 16 completely new, never-seen-before faces, and managed to fit all their glorious nudity into the unprecedented environment of finest, ultra-modern, minimalist architecture. The contrast between the wonderful, warm skin tones, sensual body shapes and the cool, modern architecture could not be greater, and the very unusual combination of hot eroticism and cool design increases the attraction of this volume of photos immensely."

Anthropology of Landscape - Christopher Tilley 2017-02-01

An Anthropology of Landscape tells the fascinating story of a heathland landscape in south-west England and the way different individuals and groups engage with it. Based on a long-term anthropological study, the book emphasises four individual themes: embodied identities, the landscape as a sensuous material form that is acted upon and in turn acts on people, the landscape as contested, and its relation to emotion. The landscape is discussed in relation to these themes as both 'taskscape'

and 'leisurescape', and from the perspective of different user groups. First, those who manage the landscape and use it for work: conservationists, environmentalists, archaeologists, the Royal Marines, and quarrying interests. Second, those who use it in their leisure time: cyclists and horse riders, model aircraft flyers, walkers, people who fish there, and artists who are inspired by it. The book makes an innovative contribution to landscape studies and will appeal to all those interested in nature conservation, historic preservation, the politics of nature, the politics of identity, and an anthropology of Britain. Placing the Academy - Jennifer Sinor 2007-03-31 A set of creative writers here responds to the call for literature that addresses who we are by understanding where we are—where, for each of them, being somehow part of the academy. Their personal essays delineate the diverse, sometimes unexpected roles of place in shaping them, as writers and teachers in varied environments, through unique experiences and distinctive worldviews—in reconfiguring their conjunctions of identity and setting, here, there, everywhere, and in between. Offering creative comments on place, identity, and academic work are authors Charles Bergman, Mary Clearman Blew, Jayne Brim Box, Jeffrey M. Buchanan, Norma Elia Cantú, Katherine Fischer, Kathryn T. Flannery, Diana Garcia, Janice M. Gould, Seán W. Henne, Rona Kaufman, Deborah A. Miranda, Erin E. Moore, Kathleen Dean Moore, Robert Michael Pyle, Jennifer Sinor, Scott Slovic, Michael Sowder, Lee Torda, Charles Waugh, and Mitsuye Yamada.

The Last Colonial Massacre - Greg Grandin 2011-07-30

After decades of bloodshed and political terror, many lament the rise of the left in Latin America. Since the triumph of Castro, politicians and historians have accused the left there of rejecting democracy, embracing communist totalitarianism, and prompting both revolutionary violence and a right-wing backlash. Through unprecedented archival research and gripping personal testimonies, Greg Grandin powerfully challenges these views in this classic work. In doing so, he uncovers the hidden history of the Latin American Cold War: of hidebound reactionaries holding on to their

power and privilege; of Mayan Marxists blending indigenous notions of justice with universal ideas of equality; and of a United States supporting new styles of state terror throughout the region. With Guatemala as his case study, Grandin argues that the Latin American Cold War was a struggle not between political liberalism and Soviet communism but two visions of democracy—one vibrant and egalitarian, the other tepid and unequal—and that the conflict's main effect was to eliminate homegrown notions of social democracy. Updated with a new preface by the author and an interview with Naomi Klein, *The Last Colonial Massacre* is history of the highest order—a work that will dramatically recast our understanding of Latin American politics and the role of the United States in the Cold War and beyond. “This work admirably explains the process in which hopes of democracy were brutally repressed in Guatemala and its people experienced a civil war lasting for half a century.”—International History Review “A richly detailed, humane, and passionately subversive portrait of inspiring reformers tragically redefined by the Cold War as enemies of the state.”—Journal of American History

Disaster At The Colorado - Charles Baley
2002-06

Army representatives in New Mexico were more enthusiastic about the road's readiness."

Metart. com -- Worlds Top Models - Alexandria Haig
2019-09

How do you define beauty? MetArt has been pondering that question for the past 20 years. A world leader in artistic nude photography and film, MetArt has made it their mission to present the most enchanting girls to grace our planet, many of them undressing in front of the camera for the very first time. As this collection of their World's Top 101 Models reveals, that means representing natural beauty in all its spellbinding diversity. From the girl-next-door of your dreams to the unattainable goddess of your most intimate fantasies, you're sure to discover that unique woman who embodies your ideal of perfection. Browsing this collection is like opening a door into a dazzling world filled with intriguing new erotic possibilities. You can pick a different favorite every day if you wish. Enjoy the best of the best, hand-picked from almost

20,000 high-class pictorials. Enjoy all these beautiful models and more, with a free one-month subscription to www.MetArt.com Details inside.

Under the Volcano - Malcolm Lowry
2022-08-01

DigiCat Publishing presents to you this special edition of "Under the Volcano" by Malcolm Lowry. DigiCat Publishing considers every written word to be a legacy of humankind. No matter your preference, whether see-through bras, lace corsages, alluring nylons or revealing thongs - these naughty girls will drop their s e x y lingerie faster than a speeding bullet! Over 500 pictures that starts well and ends uncensored and beautifully s e x y!

Paper Cadavers - Kirsten Weld 2014-02-26
In *Paper Cadavers*, an inside account of the astonishing discovery and rescue of Guatemala's secret police archives, Kirsten Weld probes the

politics of memory, the wages of the Cold War, and the stakes of historical knowledge production. After Guatemala's bloody thirty-six years of civil war (1960-1996), silence and impunity reigned. That is, until 2005, when human rights investigators stumbled on the archives of the country's National Police, which, at 75 million pages, proved to be the largest trove of secret state records ever found in Latin America. The unearthing of the archives renewed fierce debates about history, memory, and justice. In *Paper Cadavers*, Weld explores Guatemala's struggles to manage this avalanche

of evidence of past war crimes, providing a firsthand look at how postwar justice activists worked to reconfigure terror archives into implements of social change. Tracing the history of the police files as they were transformed from weapons of counterinsurgency into tools for post-conflict reckoning, Weld sheds light on the country's fraught transition from war to an uneasy peace, reflecting on how societies forget and remember political violence.
