**Songs About a Girl** - Chris Russell 2017-05-30

Pure wish fulfillment for anyone who hasn't gotten over the One Direction breakup Charlie Bloom is happiest behind her camera, unseen and unnoticed. When former classmate Olly Samson gets in touch out of the blue, asking her to take backstage pictures of his new band, she takes him up on it. Charlie dreams of becoming a photographer, and it'll be good experience. But Olly's band, Fire&Lights, isn't playing ordinary gigs. They're stars on the rise, the hottest boy band in the country—and Charlie is immediately catapulted into the band's surreal world of paparazzi, sold-out arenas, and screaming fans. Soon enough, she becomes caught between Olly and Fire&Lights' gorgeous but damaged frontman, Gabriel West. As the boys' rivalry threatens to tear the band apart, Charlie stumbles on a secret about the band—and herself—hidden within the lyrics of their new #1 single. Music. Fame. Heartbreak: Chris Russell's Songs about a Girl is the perfect next read for anyone who has ever wanted to say, "I'm with the band."

**The End and the Beginning** - Hermynia Zur Mühlen 2010

First published in Germany in 1929, The End and the Beginning is a lively personal memoir of a vanished world and of a rebellious, high-spirited young woman's struggle to achieve independence. Born in 1883 into a distinguished and wealthy aristocratic family of the old Austro-Hungarian Empire, Hermynia Zur Mühlen spent much of her childhood travelling in Europe and North Africa with her diplomat father. After five years on her German husband's estate in czarist Russia she broke with both her family and her husband and set out on a precarious career as a professional writer committed to socialism. Besides translating many leading contemporary authors, notably Upton Sinclair, into German, she herself published an impressive number of politically engaged novels, detective stories, short stories, and children's fairy tales. Because of her outspoken opposition to National Socialism, she had to flee her native Austria in 1938 and seek refuge in England, where she died, virtually penniless, in 1951. This revised and corrected translation of Zur Mühlen's memoir - with extensive notes and an essay on the author by Lionel Gossman - will appeal especially to readers interested in women's history, the Central European aristocratic world that came to an end with the First World War, and the culture and politics of the late nineteenth and early twentieth centuries.

**The Seven Sisters** - Lucinda Riley 2015-05-05

Gathering at their Lake Geneva estate when their adoptive father passes away, six sisters receive tantalizing clues about their true heritage, prompting Maia to journey to Rio de Janeiro to learn the story of her parents' forbidden love. By the best-selling author of The Orchid House.

**Mia and the Bad Boy** - Lisa Burstein 2015-05-19

"Mia and the Bad Boy is what the young adult genre should be made of! A story full of heart and humor with the right mixture of romance throughout. I loved the friendship that blossoms between Mia and Ryder, and seeing it develop into more. I will absolutely be reading more from the Crush line, and more of Lisa Burstein!" -Jessica, Thoughts at One in the Morning Ryder Brooks is living the dream—he's famous, loved by millions of girls, and miserable. All he really wants is to write his own music, not Seconds to Juliet's sugary sweet pop. In order to do that, though, the "bad boy" of the band will have to play by the rules. And that includes behaving with his new—and super cute—über-good-girl tutor. Mia Reyes is in fangirl heaven. Tutoring her favorite member of her favorite band? It's a dream come true...until it turns into a complete nightmare. Ryder is nothing like she thought. He's crude, arrogant, and pretty much a total jerk. And the worst part? She's roped into pretending to be his girlfriend so that no one finds out he's being tutored. Fake kisses, plenty of PDA, and even sharing his hotel room... But sometimes even the baddest of bad boys needs a little redemption. Disclaimer: This Entangled Teen Crush book contains adult language, underage drinking, sexual situations, and lots of swoons. It may convince even the good-est of good girls to go bad. Each book in the Backstage Pass Series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book #1 - Aimee and the Heartthrob Book #2 - Mia and the Bad Boy Book #3 - Daisy and the Front Man Book #4 - Anya and the Shy Guy Book #5 - Abby and the Cute One

**Winning my Best Friend's Girl** - Piper Rayne 2020-07-21

\*\*\*NOW A USA TODAY BESTSELLER\*\*\* Imagine lying in a hospital bed and the doctor who pulls the curtain back to treat you is the one who got away. Key to win #2: Rekindle the friendship to ease the awkwardness. But... DO NOT enter the friend zone. Key to win #3: Ignore the fact that she went speed dating the night before. Take it as good a sign—maybe she's looking for a relationship. Key to win #4: Attempt to keep the two of you out of the town gossip blog and away from your large family. Make sure you don't let this last one throw you off your mission. Key to win #5: Don't get deterred when you find out the past is about to repeat itself. Because the man she met at the speed dating night is your best buddy from work. Just remember, you sat back and let her slip away once, you won't do it a second time. Failure is not an option. Author Note: This book does NOT contain cheating.

**Web of Lies** - Jennifer Estep 2010-05-25

Curiosity is definitely going to get me dead one of these days. Probably real soon. I'm Gin Blanco. You might know me as the Spider, the most feared assassin in the South. I'm retired now, but trouble still has a way of finding me. Like the other day when two punks tried to rob my popular barbecue joint, the Pork Pit. Then there was the barrage of gunfire on the restaurant. Only, for once, those kill shots weren't aimed at me. They were meant for Violet Fox. Ever since I agreed to help Violet and her grandfather protect their property from an evil coalmining tycoon, I'm beginning to wonder if I'm really retired. So is Detective Donovan Caine. The only honest cop in Ashland is having a real hard time reconciling his attraction to me with his Boy Scout mentality. And I can barely keep my hands off his sexy body. What can I say? I'm a Stone elemental with a little Ice magic thrown in, but my heart isn't made of solid rock. Luckily, Gin Blanco always gets her man . . . dead or alive.

I'm your guy. Desperate for something to put you in the mood? You've come to the right place, kitten. Every morning when my library opens, there's a line around the block, the ladies flocking to me in need of their next book boyfriend. I'm that dude. The one who knows his way around the romance section. And after years of study, my skills don't stop at the day job. Need a fake boyfriend, fiancé, or friend-with-benefits? I know that plot. I also know to keep my heart off the table, because love is only real between the pages of a book. So when Parker Elliott needs a temporary fake boyfriend for a reunion, of course I step in. *A Girl's Guide to Vampires* - Katie MacAlister 2010-06-08

*A Girl's Guide to Vampires* is the first book in New York Times and USA Today bestselling author Katie MacAlister's wonderfully winning Dark Ones series—a perfect blend of sexy and fun that every devoted fan of Lynsay Sand's popular Argeneau vampire books will want to sink their teeth into. Joy Randall's Top 5 Tips for Vampire Hunters: Location, location, location. Vampires won't be caught dead (ha!) in places like discos, ten-minute lube shops, or Switzerland. Remember, if you wouldn't be there, neither would a bloodsucker. Trust your eyes. You know the handsome, annoyingly arrogant, self-assured man in the shadows with long hair and a cleft in his chin? He's your vampire. No matter how tempting it might be, do not "accidentally" acquire a paper cut on your finger and suggest your vampire kiss it to make it better. Play it cool. Don't offer to accompany your prince of the night on the talk-show circuit, and whatever you do, don't offer him your heart! Most of all, remember: being a vampire is nothing to laugh about. The story of a desperate ghost hunter who stumbles across a dashing bloodsucker who's looking for eternal love, *A Girl's Guide to Vampires* is funny, steamy, sensuous, and surprising—everything anyone could want from a paranormal romance.
