Italian Dreams - T.A. Williams
2022-09-29

Be swept away to Italy with this delightfully heartwarming collection, Italian Dreams. Includes four stunning romance novels from T.A. Williams; Dreaming of Venice, Dreaming of Florence, Dreaming of Rome and Dreaming of Verona. Dreaming of Venice: Life is tough for Penny. A dead end job in a London cafe, a boyfriend in Australia (what could go wrong?) and an art career going nowhere. But then Penny is approached with an extraordinary proposition. It isn't going to be easy but, if she can pull it off, she will turn her life around and at long last

see the fulfilment of her dream - to visit Venice. And, just maybe, find true happiness with the handsome man of her dreams. But can dreams really come true? Dreaming of Florence: When Debbie Waterson's bicycle crashes into handsome doctor Pierluigi, she wonders if her luck has changed. Determinedly single after ending a long relationship, at last, a man worth bumping into! Inspired to visit Florence, she soon runs headlong into that old foe: reality. Is Pierluigi the man of her dreams? Then there's her booze obsessed boss, his forbidding secretary and her noisy inconsiderate neighbours. But could her luck

be about to change? Will she find love after all? Dreaming of Rome: Jo has had enough of handsome men. After a painful break-up, she's decided she doesn't believe in love. While on a work trip to the magical city of Rome, she meets Corrado, a scientist and her brother-in-law to be, who doesn't believe in love either. To him, it's just a biochemical reaction. So what's the problem? Well, he's gorgeous for a start, as well as charming, generous, intelligent and attentive, and she feels herself immediately falling for him, despite her new outlook. The majesty of the Eternal City brings them ever closer together. But is their relationship doomed, or will love conquer all? Dreaming of Verona: When Suzie is hired to accompany spoiled, abrasive Lady Alexandra Tedburn on an all-expenses-paid holiday to Italy, she fears the trip will be a disaster. But she soon discovers there's more to Alex than shopping and tantrums, and she's determined to help her realise her potential -

against Alex's authoritarian father's wishes. As they settle in Verona, Suzie can't stop thinking about local artist Michael, who is still mourning the tragic death of his wife. With Suzie's future uncertain, and Michael's past holding him back, it seems there's no hope for romance in the city of star-crossed lovers... or is there? Gorgeously uplifting and moving, the Italian Dreams collection is perfect for fans of Jenny Oliver, Holly Martin and Tilly Tennant. Praise for T. A. Williams 'The characters are all brilliantly written, the storyline flows extremely well throughout, and I loved every bit of it.' Fiona Wilson 'Wow... contemporary romance at its best! Clever, captivating, and delightful with a little bit of drama, love, loss, and of course romance.'

A Girl Called Fearless -
Catherine Linka 2014-05-06
An Indie Next Pick! Avie
Reveare has the normal life of a privileged teen growing up in L.A., at least as normal as any girl's life is these days. After a synthetic hormone in beef killed fifty million American women ten years ago, only young girls, old women, men, and boys are left to pick up the pieces. The death threat is past, but fathers still fear for their daughters' safety, and the Paternalist Movement, begun to "protect" young women, is taking over the choices they make. Like all her friends, Avie still mourns the loss of her mother, but she's also dreaming about college and love and what she'll make of her life. When her dad "contracts" her to marry a rich, older man to raise money to save his struggling company, her life suddenly narrows to two choices: Be trapped in a marriage with a controlling politician, or run. Her lifelong friend, student revolutionary

Yates, urges her to run to freedom across the border to Canada. As their friendship turns to passion, the decision to leave becomes harder and harder. Running away is incredibly dangerous, and it's possible Avie will never see Yates again. But staying could mean death. From Catherine Linka comes this romantic, thought-provoking, and frighteningly real story, *A Girl Called Fearless*, about fighting for the most important things in life—freedom and love.

Happily Never After - Emma
Robinson 2018-07-10

She closed her eyes. Think with your head. Your heart can't be trusted. Life is not a fairytale... Single mum Rory doesn't believe in love. She's got far too many real problems to deal with. She's just bought a tumbledown house. Her mother is generally behaving like a wicked witch, insisting on calling her Aurora, and generally interfering in her (admittedly pitiful lack of) love life. And her 16-year-old daughter has finally grown out of Disney princesses and

discovered dating... But Rory's adamant that she doesn't need saving. In fact, the only thing she's wishing on a star for is a bit of practical help. However, when she meets a builder whose name is John Prince and who seems to be in the habit of rescuing her (right down to finding her lost shoe one evening) she might have to face a truth as uncomfortable as hobbling home barefoot - that maybe there's something enchanted in the air. Her mother, daughter and friends are convinced her prince has come, but Rory just wishes everyone could let it go. Especially when she hears a story that makes her question whether he is really the hero everyone thinks he is... A hilarious, romantic love story about mothers, daughters and how on earth to find Prince Charming, for fans of Sophie Kinsella, Marian Keyes and Cecelia Ahern. One Less Scandalous Earl -

Dawn Brower 2019-09-17
Gregory Cain, The Earl of Shelby doesn't believe in love, more specifically he doesn't believe in it for himself. It's perfectly fine for other people. Scandalous behavior and roguish deeds are in his skill set and he doesn't mind flaunting both. He doesn't get involved with innocents or marriage minded ladies. So when Lady Kaitlin Evans asks him for a kiss he has no choice but to refuse her. Not only is she close to his sister, she's his mentor's niece. She's off limits. So why does he suddenly find her fascinating and kissing her is the one thing he desires more than anything... Lady Kaitlin Evans is an orphan. She lost both of her parents at a young age and went to live with her uncle. She doesn't do well in social gatherings and

would much rather become lost in a good book or learn something new. Because of her social awkwardness she's become one of the premier wallflowers...for three straight seasons. She's ready to give up and prepare for spinsterhood. It's less heartbreaking and she can read as much as she wants to without interruption. There is only one thing she wants before she retires from society forever--a kiss from the Earl of Shelby. The scoundrel refuses her though and instead offers to help her find a husband. Kaitlin and Gregory make an agreement, but both have ulterior motives. As they go forward it soon becomes obvious that nothing is going to work as they planned and passion is unleashed in ways neither would have imagined.

The Lover You Have Been Missing - Acharya Prashant
2015-01-01

The Lover you have been missing is one of its kind, a book that talks of the essence of Love. Till now we have found love to be referred in personal aspects or rather, as an image

or person. The author has vividly talked of the Love that is universal, beyond persons and images. The Love that is your true nature. The Love that once tasted, becomes one with you. He retorts on how love has been brought down to a 'rotten' definition by us. He talks on an immersion in love that brings courage and completeness with it. He shatters all the misconceptions and conceptions around Love, beautifully elucidating how men and women stand at two ends of duality. Author, sensationally, breaks all 'images' associated with love and brings you to Love in its truest form.

To him, it's just a biochemical reaction. So what's the problem?
