Last Seen Alive - Claire Douglas 2018-06-26

"Thrillingly tense and twisty, a great read." — B.

A. Paris, the bestselling author of *Behind Closed*

*Doors* One woman is trapped in the death-grip of

the past—and every one of its dark secrets—in

this riveting novel of psychological suspense

from Claire Douglas, award-winning author of

*The Sisters* and *Local Girl Missing*. As much as

Libby Hall needs a vacation, she's never

considered taking one until she sees the note for

a house swap. Suffering a miscarriage was a

personal turning point. Saving a child from a

burning school was a public one. Just as the

emotional fallout of both incidents takes its toll,

along comes her lifesavers—the Heywoods, a

couple in need of a getaway of their own. Libby

and her husband Jamie can't believe their good

fortune when they arrive at the Heywood's

isolated seaside estate with its panoramic

views—and just in exchange for their drab two-

bedroom apartment. How generous of the

Heywoods! Yet how odd. Libby almost feels

guilty until the home yields disquieting

surprises: a fortune in hidden surveillance

equipment, a stranger in the garden who

watches them, and the make-shift operating

room in the basement... When Jamie falls

dangerously ill, all Libby wants is to return to

their comfortably imperfect lives. But it's

already too late. Libby has just discovered the

Heywoods' biggest secret. And when it appears

that even Jamie is hiding something from her,

Libby's paranoia gets the best of her. It should.

For she has buried secrets of her own. As the

past comes crawling out of the darkness, Libby

fears she's walked into an elaborate trap. But

who has set it? What do they want of her? And

what is she willing to risk to make it out alive...?

Laurin 2018-04-17

From the author of *Girl Last Seen* comes a

psychological thriller that delivers Nina Laurin's

signature "heart-stopping" suspense (Heather

Gudenkauf, *New York Times* bestselling author).

"...currently wanted by the police. If you know

anything about the suspect's whereabouts,

please call..." I look up at the TV screen, and my

twin brother's face is splashed across it, life-size.

It's a shock that makes my breath catch. This is

my brother as an adult, my brother who I last

saw fifteen years ago after the fire that killed

our parents, covered in soot, clutching a lighter

in his hand, his knuckles stark white against the

dirt and ash. Everyone always said he'd grow up

gaunt instead. The stubble on his cheeks and chin is patchy, and his eyes look dull and dark. My first thought is that it's not him. Not my beautiful brother, the golden boy who everyone loved. *Broken Girls* - Joy Kluver 2021-07-27

Brambles catch her dress, scratch her legs, pierce her feet. To escape, she'd had no option but to go barefoot. They'd been laughing together a few minutes before, but things can change in the blink of an eye... The woman is dark-haired and young, judging by the short red dress. Any other signs of her identity have been erased during her long wait to be found, but it's clear she was strangled: this was a passionate and personal murder. D.I. Bernadette Noel knows that every second counts if she is to catch this killer, but she has no leads - until the discovery that the dead woman's rings match a stolen property report, and the rings' owner mentions Rosa, her missing nanny. Just when Bernie and her team think they're getting somewhere, a shocking discovery about Rosa - and the news that another young girl has been abducted - changes everything the team thought they knew about the case. Laura is only twelve, and her parents are beside themselves with worry - but Bernie has an additional fear. Laura's home is right next to the woods where their murder victim was found: are the cases connected? When Bernie notices similarities between descriptions of the man last seen with Rosa and someone Laura was messaging online, these fears grow stronger. But they still have no clear leads as to the identity of the culprit. With few options left, and time running out, she makes a desperate plan to trap the predator. But any mistakes will mean another innocent life lost... A gripping crime thriller with a nail-biting climax. If you like Angela Marsons, Val McDermid or Cara Hunter, you'll love Joy Kluver. Readers can't get enough of Joy Kluver: 'Wow!! Just wow!!... This book is brilliant! More than brilliant, amazing!!!... Absolutely gripping, addictive and captivating... I was absolutely hooked from the first page to the last. I had a complete shock at the twists... Love, love, loved all the characters!!!... I would love to see this made into a movie.' Bookworm86 [5 stars] 'I read it

in a few greedy gulps...It gets a very easy five stars from me... gave me goosebumps as I was reading it... If you haven't yet started this series, then you really need to. Top stuff!' Hooked From Page One [5 stars] 'More red herrings than an Agatha Christie... will have you burning the midnight oil... When the killer was identified my jaw hit the floor. I couldn't have been more shocked if the perpetrator had been Bernie herself.' Goodreads reviewer [5 stars] 'That ending! Talk about a twist you won't see coming!... This is such an addictive series... I don't know how I'm going to make it until the next one comes out!' Goodreads reviewer [5 stars] 'Impossible to put down. I downloaded it this Monday morning, and by evening, I had finished. The rollercoaster was intense, the twists and turns unexpected, and the element of surprise insane... gripping read.' Goodreads reviewer [5 stars] 'Twisted, intense and heartbreaking... Once you start this book you just can't put it down! Out of all the books that I have read this year none of them shocked me as much. There was one twist that I literally was yelling and screaming at the character!!!' Heidi Lynn's Book Reviews [5 stars] 'I am blown away by this book, the twists and turns are mind-boggling!... BRILLIANT... If I could I would give it more than 5 stars.' Goodreads reviewer [5 stars] 'Brilliant... had me eagerly turning the pages as I not only wanted to know more about the crime but also about the investigating team... I adored this... A story that takes a dark turn, has several surprises and kept me on my toes.' Vonnibee [5 stars]

I can see her, laughing as she swings as high as she can, her beautiful blonde curls flying out behind her. My little girl. If only I'd listened to my gut. Then maybe she'd be safe here with me... When five-year-old Molly Reynolds is snatched from the park in the small village of Otterfield, Detective Bernadette 'Bernie' Noel throws herself into the search, sick with worry for the quiet, sensitive little girl and her distraught mother. Wasting no time, Bernie finds a small green cardigan under a bush in the park. It still has the smiley face sticker Molly won that week at school. It's the first in a chain of clues - and Bernie can't shake the feeling that it was left deliberately, as a message. But Bernie encounters a wall of silence. Otterfield is a close-knit community, yet no one in the village has anything to say about the missing child. And Bernie is sure there is something Molly's mother isn't telling her either. Why? And then she makes a chilling discovery: twenty-five years ago, another little girl went missing from the area. Her name was Sophie, and all they ever found of her was her teddy bear, hidden under a bush, just the same as Molly's cardigan. Now Bernie knows she's in a race against time to save Molly's life. Bernie's team work round the clock to find a connection between the two girls - but when they find their proof it comes at the price of a shocking tragedy that strikes right at the heart of the case. Molly's family have been hiding a secret, and now their little girl is in greater danger than ever. Then Bernie makes one deadly mistake that places her right in the hands of the most dangerous criminal she's ever faced. She was willing to go to any lengths to solve the case - but will she stay alive long enough to do it? A completely addictive crime thriller with mind-blowing twists that will have you reading late into the night. If you like Val McDermid, D.S. Butler or Angela Marsons, you'll love Joy Kluver. *Girl Last Seen* - Nina Laurin 2017

"Two missing girls. Thirteen years apart. Olivia Shaw has been missing since last Tuesday. She was last seen outside the entrance of her elementary school in Hunts Point wearing a white spring jacket, blue jeans, and pink boots. I force myself to look at the face in the photo, into her slightly smudged features, and I can't bring myself to move. Olivia Shaw could be my mirror image, rewound to thirteen years ago. If you have any knowledge of Olivia Shaw's whereabouts or any relevant information, please contact... I've spent a long time peering into the faces of girls on missing posters, wondering which one replaced me in that basement. But

they were never quite the right age, the right look, the right circumstances. Until Olivia Shaw, missing for one week tomorrow. Whoever stole me was never found. But since I was taken, there hasn't been another girl. And now there is"--

"When it comes to nerve-shredding, edge-of-your-seat suspense, Dodd consistently delivers the goods...Point Last Seen is a gobsmackingly great read."—Booklist STARRED REVIEW  
Perfect for fans of Lisa Jewell, Karin Slaughter and Sandra Brown, New York Times bestselling author Christina Dodd's all-new thriller, POINT LAST SEEN, will have readers keeping the lights on all night. LIFE LAST SEEN When you've already died, there should be nothing left to fear... When Adam Ramsdell pulls Elle's half-frozen body from the surf on a lonely California beach, she has no memory of what her full name is and how she got those bruises ringing her throat. GIRL LAST SEEN Elle finds refuge in Adam's home on the edge of Gothic, a remote village located between the steep lonely mountains and the raging Pacific Ocean. As flashes of her memory return, Elle faces a terrible truth—buried in her mind lurks a secret so dark it could get her killed. POINT LAST SEEN Everyone in Gothic seems to hide a dark past. Even Adam knows more than he will admit. Until Elle can unravel the truth, she doesn't know who to trust, when to run and who else might be hurt when the killer who stalks her nightmares appears to finish what he started... "No one does high-stakes, high-voltage suspense quite like Dodd." —Booklist (starred review)

**Last Seen Leaving** - Caleb Roehrig 2016-10-04  
Flynn's girlfriend, January, is missing. All eyes are on Flynn—he must know something. After all, he was—is—her boyfriend. They were together the night before she disappeared. But Flynn has a secret of his own. As he struggles to uncover the truth about January's disappearance, he must also face the truth about himself.

2017 Beverly Hills Book Award Winner in Mystery 2018 National Indie Excellence Awards Finalist in Mystery "Readers will grow enamored with these characters and the dark twisty plot." —Redbook Psychologist and police consultant

Dr. Pepper Hunt, struggling to deal with the murder of her husband, leaves the private practice they shared and relocates to Wyoming. There, in the stark landscape of the high desert, there is nothing to remind her of everything she lost and left behind. Then her new patient, Kimi Benally, goes missing in a Wyoming blizzard after her last therapy session—making Pepper the last person to see her. She knows the secrets Kimi shared in therapy hold clues to her mysterious disappearance, and she joins forces with Detective Beau Antelope to try to discover what's happened to her. But as she follows the trail of Kimi's obsession with the past, Pepper begins to fear the worst for her missing patient—and her own haunted memories surface.

**Woman Last Seen** - Adele Parks 2022-02  
HAPPY. MARRIED. MISSING. "A gripping story of greed, lies and dark family secrets." --Lisa Jewell, New York Times bestselling author, on Just My Luck Leigh Fletcher: happily married stepmom to two gorgeous boys goes missing on Monday. Her husband, Mark, says he knows nothing of her whereabouts. She went to work and just never came home. Their family is shattered. Kai Janssen: married to wealthy Dutch businessman Daan and vanishes the same week. Kai left their luxurious penthouse and glamorous world without a backward glance. She seemingly evaporated into thin air. Daan is distraught. Detective Clements knows that people disappear all the time--far too frequently. Most run away from things, some run toward and others are taken but find their way back. A sad few never return. These two women are from very different worlds. Their disappearances are unlikely to be connected. And yet, at a gut level, the detective believes they might be. How could these women walk away from their families, husbands and homes willingly? Clements is determined to unearth the truth, no matter how shocking and devastating it may be. #1 Sunday Times bestselling author Adele Parks returns with her most provocative, compelling book to date.

'Fantastic. Couldn't put this book down'  
'Shocking and explosive' 'I literally could not stop reading!' 'Full of suspense and action. 5\*' A dark and twisting psychological thriller for

readers of *I Am Watching You*, *The Luckiest Girl Alive*, and *All the Missing Girls*. Lainey Moreno was abducted when she was ten years old. She managed to escape, but so did her kidnapper. Now, thirteen years later, he has struck again. Lainey knows her memories could help the police find Olivia Shaw and the man who took her. The problem is, she's spent over a decade doing everything she can to forget. It's time for Lainey to confront her past and discover the truth about what happened all those years ago. But can she do it in time to save Olivia? Or has her luck finally run out? What readers are saying about *GIRL LAST SEEN* 'It is absolutely BRILLIANT and has shot onto my favourite books of the year list! I JUST LOVED EVERYTHING ABOUT IT!' 'A dark, twisted and tense thriller that I devoured and couldn't put down.' 'This is the best thriller I've read this year. Lainey is a spiky character that you can't help but feel for as she searches her murky past. A real page turner' 'Wow what a first book. Twists and turns keep you on the edge of your seat. Can't wait for the next one from an author who is going to be on everyone's read list.'

**Last Seen Alive** - Joanna Schaffhausen 2022-01-25

*Last Seen Alive* is the fifth book in Joanna Schaffhausen's heartpounding Ellery Hathaway mystery series. Boston detective Ellery Hathaway met FBI agent Reed Markham when he pried open a serial killer's closet to rescue her. Years on, their relationship remains defined by that moment and by Francis Coben's horrific crimes. To free herself from Coben's legacy, Ellery had to walk away from Reed, too. But Coben is not letting go so easily. He has an impossible proposition: Coben will finally give up the location of the remaining bodies, on one condition—Reed must bring him Ellery. Now the families of the missing victims are crying out for justice that only Ellery can deliver. The media hungers for a sequel and Coben is their camera-ready star. He claims he is sorry and wants to make amends. But Ellery is the one living person who has seen the monster behind the mask and she doesn't believe he can be redeemed. Not after everything he's done. Not after what she's

been through. And certainly not after a fresh body turns up with Coben's signature all over it.

I force myself to look at the face

in the photo, into her slightly smudged features, and I can't bring myself to move. Olivia Shaw could be my mirror image, rewound to thirteen years ago. If you have any knowledge of Olivia Shaw's whereabouts or any relevant information, please contact... I've spent a long time peering into the faces of girls on missing posters, wondering which one replaced me in that basement. But they were never quite the right age, the right look, the right circumstances. Until Olivia Shaw, missing for one week tomorrow. Whoever stole me was never found. But since I was taken, there hasn't been another girl. And now there is.

Girl Last Seen - Nina Laurin 2017-06-20

An intense psychological thriller for readers of I Am Watching You, The Luckiest Girl Alive, and All the Missing Girls. Two missing girls. Thirteen years apart. Olivia Shaw has been missing since last Tuesday. She was last seen outside the entrance of her elementary school in Hunts Point wearing a white spring jacket, blue jeans, and pink boots. I force myself to look at the face in the photo, into her slightly smudged features, and I can't bring myself to move. Olivia Shaw could be my mirror image, rewound to thirteen years ago. If you have any knowledge of Olivia Shaw's whereabouts or any relevant information, please contact... I've spent a long time peering into the faces of girls on missing posters, wondering which one replaced me in that basement. But they were never quite the right age, the right look, the right circumstances. Until Olivia Shaw, missing for one week tomorrow. Whoever stole me was never found. But since I was taken, there hasn't been another girl. And now there is.
