

Great Sex A Mans Guide To The Secret Principles Of Total Body Sex

Come As You Are: Revised and Updated -
Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating

and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science

of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

The Come as You Are Workbook - Emily Nagoski
2019-06-11

A new, practical workbook from the New York Times bestselling author of *Come As You Are* that allows you to apply the book's groundbreaking research and understanding of

why and how women's sexuality works to everyday life. In the twentieth century, women's sexuality was seen as "Men's Sexuality Lite": basically the same, but not quite as good. From genital response to sexual desire to orgasm, we just couldn't understand that complicated, inconsistent, crazy-making "lady business." That is, until Emily Nagoski changed the game with her New York Times bestseller, *Come As You Are*. Using groundbreaking science and research, she proved that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized, but how you feel about them. Which means that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it. And, that even if you don't yet feel that way, you are already sexually whole.

Nagoski's book changed countless women's lives and approaches to sex, and now she offers the next step. The *Come As You Are Workbook* is a

Diet for Great Sex - Christine DeLozier

2020-09-18

Back Cover Hot sex. Naturally. Hot sex is understood universally. No translation needed. Hard. Wet. Eager. Carnal. It's the biological design of the human body, but that won't come naturally unless we care for it. The million-dollar question is: how do we nurture great sex? How do we ensure that our bodies experience optimal sexual function at any time, at any age? The answer lies in the very foods we eat. Great sex is certainly an experience of the mind. Within our bodies, though, it explodes when our nerves,

blood vessels and hormones operate in synchrony. Modern research has shown that diet affects this trifecta of great sex. It can increase or thwart pleasure. Ancient Chinese medicine has always known this. Through diet and lifestyle, we can restore balance to yin and yang and nurture the essences of sex. Here modern science and traditional wisdom merge, showing the pathway to great sex. When our bodies are well-nourished, desire comes naturally, pleasure comes naturally, and orgasm is effortless. With *Diet for Great Sex*, you'll unlock the secret to eating for sexual pleasure. We'll learn to nurture the vessels that supply blood to our sex organs, the nerves that command them, and the hormones that regulate them. In caring for our bodies this way, we unleash all that is possible from our own sensual physiology.

The Man's Guide to Women - John Gottman

2016-02-02

A great "philosopher" once said, "Trying to understand women is like trying to smell the

color 9." But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling 7 principles of Making Marriage Work. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. The Man's Guide to Women offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.

Islamic Guide to Sexual Relations - Muhammad Ibn Adam al-Kawthari 2020-08-19
Fulfilment of sexual desire and needs are key in sustaining a harmonious marital relationship. However, in today's society, sexual boundaries are being pushed further and further, and often, sexual deviance is openly practised. In such circumstances, there is a need to identify which sexual activities are permissible in Shari'ah. *Islamic Guide to Sexual Relations* is a serious endeavour to tackle these sensitive matters in a clear and concise manner. While being respectful and dignified in the language he employs, the author does not shy away from discussing sensitive issues. He records, in thorough detail, the guidance Islam provides regarding sexual encounters with one's spouse. The book covers a wide range of issues, and thus, answers many frequently asked questions on the topic of sexual relations. It concludes with a short chapter addressing Islamic etiquettes and practises pertaining to newlyweds on their

first night.

Healing Love through the Tao - Mantak Chia
2005-07-15

A new edition of the bestseller • The first book to reveal in the West the Taoist techniques that enable women to cultivate and enhance their sexual energy • Reveals Taoist secrets for shortening menstruation, reducing cramps, and compressing more chi into the ovaries for greater sexual power • Teaches the practice of total body orgasm For thousands of years the sexual principles and techniques presented here were taught by Taoist masters in secret only to a small number of people (sworn to silence), in the royal courts and esoteric circles of China. This is the first book to make this ancient knowledge available to the West. The foundation of healing love is the cultivation, transformation, and circulation of sexual energy, known as jing. Jing energy is creative, generative energy that is vital for the development of chi (vital life-force energy) and shen (spiritual energy), which

enables higher practices of spiritual development. Jing is produced in the sexual organs, and it is energy women lose continually through menstruation and child bearing. Mantak Chia teaches powerful techniques developed by Taoist masters for the conservation of jing and how it is used to revitalize women's physical, mental, and spiritual well-being. Among the many benefits conferred by these practices are a reduction in the discomfort caused by menstruation and the ability to attain full-body orgasm.

("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Great Sex - Michael Castleman 2008-04-01
Do you want to be a great lover and enjoy consistently great sex? Would you like reliable erections that don't wilt in the middle of lovemaking? Would you like superb ejaculatory control? Would you like your penis to be as large as it possibly can be? Do you want women to sing your sexual praises? All these sexual benefits can be yours if you read *Great Sex* and take its message to heart. Author Michael Castleman is the nation's top journalist specializing in men's sexuality. He has been a sex educator, counselor, and writer for 30 years, including 5 years as the expert who answered the sex questions submitted to the *Playboy* Advisor. Written with the help of an advisory board that includes some of the nation's leading sex therapists, *Great Sex* is certain to help you

overcome your sex problems; become a better, more confident lover; and enjoy the sex of your dreams. Castleman's message is surprisingly simple: Stop imitating the rushed, all-genital sex you see in pornography. Instead, cultivate the opposite: leisurely, playful, total-body, massage-based lovemaking that includes the genitals, of course, but is not focused on them. Sex inspired by pornography is a major reason why men think their penises are too small and why they have erection and ejaculatory problems. With wit, wisdom, and down-to-earth sympathy for men, Castleman discusses his own penis--like yours, it's a little too small--and his own struggles with balky erections, rapid ejaculation, and not expressing orgasm at all. Then, based on state-of-the-art sex therapy techniques, leading sexology texts, and almost 400 medical journal articles, he reveals how to overcome these issues and enjoy a satisfying and exciting sex life. What's more, the sexual style Castleman advocates is the way most women prefer to

make love. Take Castleman's advice and you'll benefit by having a lover who is more arousable, responsive, enthusiastic, and complimentary. In other words, when you embrace sensual, creative, whole-body lovemaking, everybody wins. You have fewer sex problems. The woman you love gets what she wants in bed. And you both enjoy sex that's hotter, more erotic, and more fulfilling.

Resurrecting Sex speaks of compassion, partnership, generosity, and integrity in adult sexual relationships, offering hope to millions of people who are struggling with sexual difficulties. Uplifting, provocative, and heartfelt, the book is organized into four sections: A crash course in sex Explanation of how sexual relationships really work Medical options and bionic solutions Vignettes of couples changing their sexual relationships Resurrecting Sex addresses all major sexual issues, including male erection problems such as rapid orgasm and delayed orgasm; women's problems with arousal and lubrication, difficulty reaching orgasm, and low desire; full coverage of Viagra (for both men and women); and other sex-enhancing drugs and medical options. Sex at Dawn - Christopher Ryan 2021-01-05
The 10th-anniversary edition of the book that radical re-evaluates the origins and nature of human sexuality. Since Darwin's day, we've been told that sexual monogamy comes naturally to our species. Mainstream science — as well as religious and cultural institutions — has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. In this groundbreaking book, however, Christopher Ryan and Cacilda Jethá argue that human beings evolved in egalitarian groups that shared food, child care, and, often, sexual partners. Weaving together evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature

monogamy really is. With intelligence and humour, Ryan and Jethá explain how our promiscuous past haunts our contemporary struggles. They explore why many people find long-term fidelity so difficult; why sexual passion tends to fade even as love deepens; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. Shocking, enlightening, and ultimately inspiring, **Sex at Dawn** offers a revolutionary understanding of why we live and love as we do.

The Great Sex Rescue - Sheila Wray Gregoire 2021-03-02

What if it's not your fault that sex is bad in your marriage? Based on a groundbreaking in-depth survey of 22,000 Christian women, **The Great Sex Rescue** unlocks the secrets to what makes some marriages red hot while others fizzle out. Generations of women have grown up with messages about sex that make them feel dirty, used, or invisible, while men have been sold

such a cheapened version of sex, they don't know what they're missing. The Great Sex Rescue hopes to turn all of that around, developing a truly biblical view of sex where mutuality, intimacy, and passion reign. The Great Sex Rescue pulls back the curtain on what is happening in Christian bedrooms and exposes the problematic teachings that wreck sex for so many couples--and the good teachings that leave others breathless. In the #metoo and #churchtoo era, not only is this book a long overdue corrective to church culture, it is poised to free thousands of couples from repressive and dissatisfying sex lives so that they can experience the kind of intimacy and wholeness God intended.
