Television Variety Shows David M. Inman 2014-12-03 For the few hundred television viewers in 1946, a special treat on the broadcast schedule was the variety show called Hour Glass. It was the first TV program to go beyond talking heads, cooking demonstrations, and sporting events, featuring instead dancers, comics, singers, and long commercials for its sponsor, Chase and Sanborn coffee. Within two years, another variety show, Texaco Star Theatre, became the first true television hit and would be credited with the sales of thousands of television sets. The variety show formula was a staple of television in its first 30 years, in part because it lent itself to a medium where everything had to be live and preferably inside a studio. Most of the early television stars—including Jackie Gleason, Milton Berle, Sid Caesar, Ed Sullivan, Red Skelton, Dinah Shore, and Arthur Godfrey—rose to prominence through weekly variety shows. In the 1960s, major stars such as Jerry Lewis, Dean Martin, Judy Garland and Danny Kaye were hosting variety shows. By the 1970s, the format was giving way to sitcoms and dramas, but pop music stars Sonny and Cher, Tony Orlando and Dawn, and Donny and Marie Osmond hosted some of the last of the species. This book details 57 variety shows from the 1940s through the 1990s. A history of each show is first provided, followed by a brief look at each episode. Air date, guest stars, sketches performed, and a listing of songs featured are included.

To Love, Honor, and Vacuum Sheila Wray Gregoire 2014 "Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and affordable!"--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in *To Love, Honor, and Vacuum*, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same.

You can only marry me!" the man said viciously to the woman who was about to leave. Xin Qing sneered. "Isn't the ancestral behest the only reason you're keeping me around? I Will Never Trust a Man Dr. Kumdong Bindul Nostra 2014-06-16 From the very first moment Saratu met Bindul, he made her believe that she was more than any other woman he had ever seen in the world. He bathed her with love, bathed her, bathed her and finally drowned her completely into his love. Saratu loves him with the truest love of her heart. As matter-of-factly, they were head over heels in love. They admired each other, they adored each other, they allured each other, they liked each other, they want each other, they need each other, they beseechingly desired each other and they loved each other like politicians with corruptions. They declared their love for each other and not so long they stood in front of an overfilled church congregation to publicly declare their love for each other in a one-in-town society marriage. They swam in their love and lived very, very comfortable and happily in love. Saratu wasn't in need of anything, even sex. Bindul gave her all the practical part of love, the love that was made in heaven for a woman, that kind of love that made her feel as though she was the only EVE with the only ADAM in this modern world and she was wholly dependable on it. Like King Solomon to his wives and concubines, Bindul lavished Saratu with the sweetest lovely words and praises. He gave her all that she needed in life. But when Saratu later discovered that her husband was still madly in love with Jimikat, his primeval girlfriend, things weren't the same again for her. Their loveliest sex-packed marriage suffered a temporary drought of sex. Saratu first ran to her dear friend, Dakmikat for help. Despite doing everything, her husband clung onto Jimikat like a tick to a cow. But at the end, when Bindul brought the two of them together, the problem was solved and Saratu and Jimikat became very, very good friends and lived very happily under the spell of Bindul.

Being the Other Woman Petra Falk 2009-04 Almost half of all married men, and slightly fewer married women, admit to having had at least one affair. This is the book for the woman who finds herself involved with such a married man! This is absolutely not a "how to become a mistress" book. It offers help to those who are already finding themselves in this situation so everyone involved survives the experience as unharmed as possible under the circumstances, especially the "Other Woman" herself. Insightful, at times funny, and always straight to the point, this book is a "must read" for every "Other Woman!" And let us not forget that there is a betrayed wife and a cheating husband for every Other Woman. This book would be an eyeopener for many of those, too.
