"Twice the Thrills! Twice the Chills!" Bryan Senn 2019-03-05 In the mid-1950s, to combat declining theater attendance, film distributors began releasing pre-packaged genre double-bills--including many horror and science fiction double features.

Though many of these films were low-budget and low-end, others, such as *Invasion of the Body Snatchers*, *Horror of Dracula* and *The Fly*, became bona fide classics. Beginning with Universal-International's 1955 pairing of *Revenge of the Creature* and *Cult of the Cobra*, 147 officially sanctioned horror and sci-fi double-bills were released over a 20-year period. This book presents these double features year-by-year, and includes production details, historical notes, and critical commentary for each film.
