**Dream Sequence** - J.J. DiBenedetto 2015-01-20

Sara Barnes thought her life was perfectly ordinary - until the night she began stepping into other people's dreams. Follow Sara as she learns to cope with this extraordinary gift (or curse) in the first three books of the *Dream Doctor Mysteries*: DREAM STUDENT It's bad enough that, thanks to her supernatural talent, Sara is learning more than she ever needed to know about her friends and classmates, watching their most secret fantasies whether she wants to or not. Much worse are the other dreams, the ones she sees nearly every night, featuring a strange, terrifying man who commits unspeakable crimes. Now Sara wonders if she's the only witness to a serial killer - and the only one who knows when and where he's going to strike next. DREAM DOCTOR Medical school and life as a newlywed would be enough by themselves for anybody to handle. But Sara's got another problem - her dreams have started up again. Almost everyone at the medical school is dreaming about the death of the school's least popular teacher, Dr. Morris, and once again, Sara finds herself in the role of unwilling witness to a murder before it happens. But this time, there are too many suspects to count, and it doesn't help matters that she hates Dr. Morris every bit as much as any of his would-be murderers do. DREAM CHILD Sara thought she had made peace with her dreaming talent, but she's got a surprise coming: her four-year-old daughter has inherited it, too. Unraveling a mystery with lives on the line is difficult enough under the best of circumstances. But when Sara has to view all the evidence through the eyes - and dreams - of a toddler, it may be an impossible task.

**Stand Up, Stand Strong** - Sara Barratt 2022-04-19

If we live according to the gospel, we're going to make waves. Why? Because the way of Christ is countercultural. It doesn't go with the flow, compromise on truth, or stay silent in the face of injustice--so neither can we. No matter how young or old we are, or how much or how little influence we think we have, God calls us to boldly engage our upside-down culture through the lens of his truth. With powerful examples from Scripture and stories from teens today and through the centuries, Sara Barratt equips teens to live with a biblical worldview, approach today's hot-button issues with godly wisdom, and influence their generation for the glory of God. Tackling tough topics like sexuality, addiction, identity, media, and much more, Sara offers practical ways to stay rooted in God's truth while engaging culture with the redemptive story of the gospel--no matter the cost.
