and Staci Rhodes are real life twenty-something sexy ladies who've got it all: brains, beauty and bods. After dozens of unsatisfying sexual encounters with men & women in their early adult lives, they decided to embark on a mission to increase the overall orgasm count for women worldwide. They created a focus group with their friends and begin polling and researching and assembling their best sexual experiences in an effort to create a tell-all guide that would instruct men & women the best techniques to bring overwhelming pleasure and orgasm to women. Yes, making women orgasm can be tricky but in a considerable number of cases, women do not get as much pleasure because their partners did not make enough effort to bring them to completion. And that is both sad and unfair. For women reading this, it is time to know that you can take control in the lovemaking process and make sure that you groan and moan

**She Comes First** - Ian Kerner  
2019-10-10

Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-

step instructions and detailed anatomical information, essential to both beginners and experienced lovers. 'It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner
