The Law of Attraction Manifestation Challenge - Dee Verify 2018-10

Wondering how the law of attraction can change your life? You've only heard about other people sharing their success stories and would like to experience your own success? The Law of Attraction Manifestation Challenge: A Blank Lined Journal for Manifesting Your Goals and Dreams (Including weekly manifestation progress evaluation) is an inspirational guide to manifesting your own desired outcomes. In simple terms, here is how this workbook is used: Write sentence of something you would like to achieve or manifest or a situation you would like to see or change. Write this sentence 55 times everyday for 5 days. Choose and decide on what you would like to manifest or a situation you would like to change, even one that you might not necessarily have much influence over. Come up with one sentence that sums up what you want to manifest. Be as specific as possible and always speak from a point of view where you already have it. For example: -I drive a Lamborghini -I have financial freedom -I am married to a loving man/woman -I inspire my team -I attract love everywhere -I am successful -I am wealthy -I am rich -I am great -Etc. Now that you have your sentence, you write it down 55 times everyday for 5 days straight. Make it a ritual that you will do every day at the same time for the next 5 days. As you write each sentence, say it out loud and visualize yourself as having already attained it. Feel the feelings you will feel when you have already achieved it. At the end of every 5 days, there will be a short evaluation or debrief of the passing week. This will help you to even get better on manifesting your goals and dreams in the coming weeks. Tip: Trust fully that this is going to work, you will achieve your goals and dreams, and you WILL manifest your desires. Doubts and inconsistency will only stifle your process. Go all in, take this journey seriously and only choose desired outcome that you will be absolutely glad to live with.
