Training Your Girlfriend to Submit and Obey - Ryan Hale 2016-10-17

Making a girlfriend obey has several benefits. Training her can be a long road when your desired outcome is the perfect girl who does as she's told, who worships you with all of her love, and who would never cheat on you or think of doing anything that displeases you. Please don't think this book is a book for misogynistic male archetypes who seek only to control their universe and who have mommy issues. This book is for the 'real' man who knows his place, his girlfriend's place,

and who wants the world to be playground. A true man showers his girlfriend with love when she obeys and submits to him and punishes her when she disobeys and gets out of line. There has to be law and order in every relationship. There has to be someone who is in control, who has the upper-hand, and, let me suggest, if it's not you (the man in the relationship), then it is probably her. You must learn to dominate and this means teaching her to submit. If you don't, you'll never have a truly satisfying relationship that is tighter than glue. This book is

going to teach you techniques for making her obey and submit to you. It is going to provide you with a lot of sound practical advice and help you along this wonderful journey of training her to obey and submit. I want you to get excited, because a girl who obeys and does as she's told is a happy girl, one who loves you, one who truly cares about you and your happiness. This is what makes her happiest. If you have gone through a lot of relationships, had little luck with girls, then this book will be eye-opening and refreshing for you because you'll finally learn what you've been doing wrong and how to correct it. You will be correcting yourself by learning how to correct her. A girl who obeys you and who is submissive is the perfect girlfriend, isn't she (?), since a girl who doesn't is bitchy and controlling and constantly a problem for you. I welcome you. How to Attract Your Ideal Partner - Michael Moore
2017-11-04

THIS BOOK IS WRITTEN TO BOTH WOMEN AND MEN AND FOR ANY AGE GROUP
Why do so many people seem not to be able to find the person they really desire? Most people are very sincere in trying to find their perfect partner. Yet they settle for less while they could have had more, or they give up and don't date at all. So often, people give up too easily. Maybe they're not sure what they want, or they don't know how to be the best they can be to attract someone really great. And sometimes they just didn't have a good roadmap to show them how to get there. In his book, Michael Moore is going to show you how. He will coach

you to success in attracting and discovering your best partner. You probably have heard of the 80/20 rule: Most people spend 80% of their time trying to get 20% results. That's backwards from how it should be! This rule works in every area of life including dating. The author will show you how to spend 20% of your time to get 80% results. Who wouldn't want this kind of success? The principles shared in this book have been tried and used and Michael is 100% sure it will transform your love life just as it has transformed many others' for the better... In the many years that Michael has worked with individuals and couples, there are many things he has learned that are highly valuable to the person who honestly wants to find their ideal partner. He is sharing with you valuable resources in this book to help you become one of the GREAT SUCCESS STORIES in your RELATIONSHIP AND LIFE. Research has shown that most women have a strong desire to get married, to find that incredible special one they can

love and be loved by, and to build a family. Many women have a natural instinct within them to build the nest, to get things cozy and right and enjoy a secure family atmosphere. Even the majority of most men want to get married, although men are waiting much later these days. Marriage is a wonderful thing that brings with it a sense of belonging, of ownership, and of exclusivity with your husband or wife. After all, life is enjoyed most with someone that you love and that loves you... touching, smiling, laughing, and even doing simple things together. HERE IS WHAT YOU WILL LEARN-AND BECOME AN EXPERT IN-FROM READING THIS BOOK: It will show you HOW TO WORK ON YOURSELF to become the BEST YOU that you can be. It covers many areas that will help you develop an INCREDIBLE SELF-CONFIDENCE and be at your peak You'll learn the 5 major LAWS OF ATTRACTION including sexual attraction Discover the POWER OF EYE

Why We Love - Helen Fisher 2005-01-02

A groundbreaking exploration of our most complex and mysterious emotion Elation, mood swings, sleeplessness, and obsession—these are the tell-tale signs of someone in the throes of romantic passion. In this revealing new book, renowned anthropologist Helen Fisher explains why this experience—which cuts across time, geography, and gender—is a force as powerful as the need for food or sleep. *Why We Love* begins by presenting the results of a scientific study in which Fisher scanned the brains of people who had just fallen madly in love. She proves, at last, what researchers had only suspected: when you fall in love, primordial areas of the brain "light up" with increased blood flow, creating romantic passion. Fisher uses this new research to show exactly what you experience when you fall in love, why you choose one person rather than another, and how romantic love affects

your sex drive and your feelings of attachment to a partner. She argues that all animals feel romantic attraction, that love at first sight comes out of nature, and that human romance evolved for crucial reasons of survival. Lastly, she offers concrete suggestions on how to control this ancient passion, and she optimistically explores the future of romantic love in our chaotic modern world.

Provocative, enlightening, and persuasive, *Why We Love* offers radical new answers to the age-old question of what love is and thus provides invaluable new insights into keeping love alive.

22 Things a Woman Must Know If She Loves a Man with Asperger's Syndrome - Rudy Simone 2009-05-15
Although having Asperger Syndrome (AS) can make romantic relations difficult, having a fulfilling relationship with an Asperger man is certainly not impossible. A woman in love with a man with AS may interpret his difficulties with communication and socialization as a lack of interest in the relationship. He may vacillate between being gentle and caring to seeming cold and distant. She may find his behaviour hard to understand, resulting in feelings of loneliness, isolation, and confusion. This book shows how to overcome these difficulties and maintain a loving relationship with an AS partner. From an unwillingness to show affection in public or even sleep in the same bed to problems holding down a job, this book looks at 22 common traits that women may discover when they are dating, living with or married to a man with Asperger's Syndrome. Simone explores the complications of Asperger's relationships with honesty and understanding, drawing on research and personal experience to inform and advise women with AS partners. She offers helpful tips for improving the relationship and finding fulfillment both individually and as a couple. This book will help women to understand the male Asperger's mind and, equally, it can help men with AS to see things from their partner's perspective. It will also be of interest to counsellors working with couples where the male partner has Asperger's Syndrome.

The Five Love Languages -
Gary Chapman 2009-12-17
Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation,

gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. How to Tell If Someone Truly Loves You - Femi Ogunjinmi
2020-03-25

Statistics show that about nine-in-ten Americans cited love as a very important reason to get married. Whether you are single, dating or in a relationship, the thought of if someone truly loves you or you are in love comes to mind. We all want to fall in love and get married to someone who feels the same way we feel about them. However, people find it hard to say those three big words (I Love You) we want to hear. The reason for their hesitation varies. They are afraid to be perceived as moving too fast if it's a relatively new relationship, so they don't want to push you away. It could be because they don't want to come off too strong if they cannot tell that you have similar feelings. And some people hold off saying it because they feel like the other person should say it first. Regardless if they are

professing their love or hiding it, this book will reveal the signs that convey someone truly loves you and if what you are feeling also is true love. Dr. Femi "Gfem" Ogunjinmi is a global relationship new rule expert, TV host of Dr. Femi Show, United Nation Representative, and author of *Revelations of Relationship: What You Don't Know About Finding True Love and Sustaining Relationship*. He has been a go-to expert to media outlets like USA TODAY MAGAZINE, FOX NEWS, REWIRE.Org., and STYLECASTER. He has spoken on big media platforms including The Word Network, RADIO ONE, SIRIUS XM, SPLASH FM, and TEDx. His speech on TEDx has received over 2.8 million views and growing by 100,000 views every month. Apart from keynoting and speaking at conferences across the United State and overseas, Dr. Femi also conducts his own relationship programs. His signature conference, "Revelations of Relationship

The Search for Fulfillment -

Susan Krauss Whitbourne

2010-01-12

In the fall of 1966, at a university in the Northeast, 350 students signed up for a psychological survey on

personal development and happiness. In 1977, Susan Krauss Whitbourne, then a young psychology professor, came across the study and decided to expand it. She tracked down the study's original participants and questioned them every decade until she had forty years' worth of data. Now, in this groundbreaking book, Whitbourne reveals the findings of this extensive project, a seminal piece of research into how people change over the course of their lifetimes. The results indicate something fascinating: No matter how old or how content you might currently feel, it is never too late to steer your life toward a greater sense of purpose and satisfaction. Western society often paints a pessimistic view of aging, a "best years are behind you" attitude. But Whitbourne challenges this notion and posits that it's possible to find fulfillment at any age. Guided by her research, she identifies five different life pathways and provides a questionnaire that

How Do You Know Your Woman Loves You

will help you discover which one you are currently on: • **The Meandering Way** You have a low sense of identity, lack priorities, and feel lost, unable to settle on a clear set of goals. • **The Downward Slope** You seem to have it all, until one or two poor decisions send your life into a spiral. • **The Straight and Narrow Way** You embrace predictability, shy away from risk, and don't enjoy shaking up your routine. • **The Triumphant Trail** Your inner resilience has allowed you to overcome significant challenges that could have left you despondent. • **The Authentic Road** You take a bold and honest look at your life, assess whether it's truly

satisfying, and take the necessary risks to get back on track. Whitbourne shows how you can work yourself off a negative pathway and onto one that is more fulfilling. And if you identify yourself as being on one of the more positive pathways, you'll learn how to keep enhancing your feelings of satisfaction. Filled with insight and candid personal profiles of Whitbourne's subjects, *The Search for Fulfillment* offers proof that change is not only possible but ultimately rewarding. Revolutionary and inspirational, this encouraging book provides a new way of looking at our lives—and a guidepost for making changes for the better, at any age.
