The Dateable Rules Justin Lookadoo 2004-02-01 Take Wild at Heart by John Eldredge and The Mystique of a Woman by Jean Lush and turn it into something that gets the attention of busy teens and you begin to understand The Dateable Rules. This interactive guide takes up where Dateable left off and walks teens through the Bible's insights about men and women. Guys will learn that God loves adventure and that there's a difference between a spiritual and a physical adventure. They'll also learn how to be a gentleman (open her door and carry the box of leftovers from dinner, etc.) Girls will learn that beauty is defined by God, not supermodels, and that if they talk too much, they lose. They learn the secrets of staying confident and letting a guy lead. How It Works: Bible Study: a study that can be used by an individual couple or a whole youth group. Focus Group: a time when guys and girls get the lowdown on each other's gender. Guys and girls or groups can talk about what they learned in the week's study and discuss the truths of Scripture. Workbook: offers lots of things for readers to do, from writing down all the bad things they have said about another person and confessing them to God to going back to the point in time when their femininity or masculinity was squashed and allowing Jesus to redefine that moment. Each section is filled with interactive activities that help students better understand God's plan for men and women. The Dateable Rules isn't about teens getting more dates; it's about learning to understand the opposite sex and making good choices based on the truth!

most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the

pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

kill your ex, then start to laugh hysterically. * Bring a book of baby names to your first date and circle the ones you like with a pink marker. 50 Sure Ways for a Girl to Stay Single is a guidebook that's helpful in a number of critical situations. For example, if you want to end that desperate loser's crush on you, employ these shrewd strategies: * Never shave. * Chew with your mouth open. * Chain smoke. If your clueless friend just can't understand why her relationships don't last, slip this book into her bag and hope she recognizes herself in these classic gems: * Never even try to pay the bill. * Use "I don't know" as an answer for everything. * Bring up your ex as often as possible. * Always put men down. If you're fed up with the whole dating scene and need a good laugh about it, have a giggle over these wicked scenarios: * Keep staring at his "package" and then sigh repeatedly as if disappointed. * Give him a detailed description of the sex dream you had about his best friend. * Tape over his porn with Touched by an Angel. Each piece of advice is illustrated with the author's own stylized and sophisticated, but slightly silly artwork, which makes the book even funnier. 50 Sure Ways for a Girl to Stay Single is goofy, yet hip, with great visual and comic appeal.

teenager. This has included conducting social experiments as well as diving head first into the areas of love and dating in his own personal life. One of the ways of surviving modern day dating and relationships in a loveless world is by armoring yourself with knowledge. This includes knowledge over the way things currently are. You've went to psychic readers, you've cast spells, you put yourself out there, did the vision boards, the crystal meditations, and other love rituals presented to you, but you still find you're desperately wishing the person of your dreams was here already. You grow cynical as if it will never happen and that you just have to accept the fact that perhaps it's not in the cards. Dating is a battlefield, be prepared to get dirty. Kevin Hunter is best known for his endless array of spiritually based books. In *Love Party of One*, he answers some of the practical issues that readers posed regarding their personal conflicts in the current dating market. This is a non-denominational book with some light spiritual slang for anyone struggling as a single person in a loveless world. This is regardless of age, background, or whether you are straight, bi, gay, male, or female. The dating market is an equal opportunity killer and no soul is exempt from the challenges they face when it comes to love. Some of the topics discussed surround technological dating, falling in love with someone you've never met, codependency, exes, communicating, compromise, sex, marriage, monogamy vs. adultery, ageism, and more! What Readers Have Said: "As much as the author's personality seems to be the work of Picasso, I read the intro and first chapter of "Love Party of One". I was glued to it, because I really can relate. The things Kevin Hunter touches on in this book are right-on." - A Reader "Loved this book. This line really stood out to me: "Desiring a love partner is not co-dependent...to equate a basic human need with desperation is absurd." - A Reader "An amazing read. Realistic. The book touches upon confusions, thoughts, and emotions in one's journey to the find the one. Also relevant were a focus on couples issues after they are together.

Issues such as infidelity and monogamy which is so significant in today's age. It was good to see the author reinstate the old school belief that true love is about that commitment." - A Reader "Quite a bit of my dating struggles in my own consciousness I found to be already written down in this book. Love Party of One really vibes with me. Loved it. Thank you." - A Reader "I have been reading this book and can't put it down! It's soooo good!!! Fantastic work Kevin Hunter! He should be a teacher in a school or college, or a counselor! This stuff he wrote in 'Love Party of One' is right to the point and on the mark! Damn he's good! Finding Happily; No Rules, No Frogs, And No Pretending Collette Gee 2021-08-22 After Collette Gee found herself in another failed relationship she began researching every dating and relationship book on the market. She researched lessons on how to make it past the first date, what to say and not to say, how to dress and when and how to ration out the first kiss. Book after book were filled with detailed instruction on how to be and how not to be. The more she read and compared notes, the stronger these questions became: When is it okay to stop pretending? Do we ever get to just be themselves? In this cutting-edge book, *Dating and Relationship Specialist*, Collette Gee reveals the true meaning behind living "happily ever after". "Most dating and relationship books advise women to follow every tip and trick out there in order to 'capture the heart' of Mr. Right," says Collette. "But, the truth is, when it comes to dating and relationships 'happily ever after' is not an ending; it's a journey." If you are ready to rethink dating and relationships and find love under your own terms, then this book is for you. If you are ready to stop doing "the rules," kissing frogs and pretending to be someone you are not, then this book is for you. This is the last dating and relationship book you will ever need! This is not another one of those dating and relationship how-to-guide that over promises, but under deliver. Instead, what this book offers that no other book does is a deeper introspection as to what real relationships look like. "While life can be challenging; dating and relationships don't have to be." Therefore, what you will not find in this book are cookie-cutter instructions on how to "catch and keep a man." Instead through the series of stories outlined in this book you will learn how to develop your own unique successful approach to dating and relationships.

For example, if you want to end that desperate loser's crush on you, employ these shrewd strategies: * Never shave. * Chew with your mouth open. * Chain smoke. If your clueless friend just can't understand why her relationships don't last, slip this book into her bag and hope she recognizes herself in these classic gems: * Never even try to pay the bill. * Use "I don't know" as an answer for everything. * Bring up your ex as often as possible. * Always put men down. If you're fed up with the whole dating scene and need a good laugh about it, have a giggle over these wicked scenarios: * Keep staring at his "package" and then sigh repeatedly as if disappointed. * Give him a detailed description of the sex dream you had about his best friend. * Tape over his porn with *Touched by an Angel*. Each piece of advice is illustrated with the author's own stylized and sophisticated, but slightly silly artwork, which makes the book even funnier. *50 Sure Ways for a Girl to Stay Single* is goofy, yet hip, with great visual and comic appeal.
