Handbook of Counseling Military Couples - Bret A. Moore 2012-04-27

The military imposes unique and often severe challenges to couples, which clinicians – particularly the growing numbers of civilian clinicians who see military couples – often struggle to address. These problems are only compounded by misunderstandings and misconceptions about what it means to be part of a specific branch of the military and part of the military as a whole. *Handbook of Counseling Military Couples* includes a clear, thorough introduction to military culture and to couple relationships in the military. But more than that, it provides readers with expert analyses of the special types of issues that come up for military couples and shows clinicians how to address them productively. In the chapters, readers will find the answers to questions such as how are military couples' rights different from those of civilians? What attitudes and beliefs about relationships might military members bring to a session, and how are those different from those of civilians? What is the state of marriage and divorce in each of the branches and within the military in general? For a particular treatment modality, how does research in with military members compare to that of civilians? When should particular treatment strategies be used, and why – and how?

Presidents and Their Generals - Matthew Moten 2014-11-05

Since 1945, as the U.S. has engaged in near-constant “wars of choice” with limited congressional oversight, the executive and armed services have shared primary responsibility for often ill-defined objectives, strategies, and benefits. Matthew Moten shows the significance of negotiations between presidents and the generals allied with them.

Real Love Love & Honor Military Romance Series Book 3 - Shawna Leady 2020-09-08

Change can be difficult, but to live a well lived life you must grow and evolve into who you really are. Paige took the leap of faith and went on an adventure to not only discover the world and discover her authentic self. Will her relationship with Adrian stand the strain of time and change? Olivia and CJ must find new ways to relate, love and care for each other even after another crisis. Will their love become stronger or will they grow apart? After letting go of Jackson, Jen is now free to begin a new chapter. What will her new life look like, will her heart be open to love again?

Finding Carly: A Navy SEAL Military Romantic Suspense - Susan Stoker 2022-10-08

Jag helped her take control of her life back...but someone is watching and waiting for the perfect moment to finish what her ex had started. On one unforgettable afternoon, a simple fluke kept Carly Stewart out of her crazy ex's reach...landing her best friend in his clutches instead. It's been months since the events of that day, when her friend was rescued and her ex, Shawn, died, yet the police are no closer to discovering who his accomplice was. And Carly is no closer to reclaiming her life, hiding in her apartment in distress, flinching at every noise and shadow. Her only saving grace is Jag. The Navy SEAL who's kept her from completely losing herself to the terror. Jagger Bennett will never give up on Carly. He understands what she's going through better than most. He also knows she won't let her ex control her from the grave for much longer, especially when he sees the first spark of anger peeking through her fear. He'll help her defeat her demons, regain her confidence, get back to the person she was before Shawn Keyes...and in return, she could be the one woman who can help Jag conquer his past. If he's able to put his own torment to rest, he'll claim Carly for his own. Shawn Keyes was my friend. My mentor. Now he's gone. And I have no one. It's all her fault. Carly Stewart. She'll pay for everything she did to Shawn...to me...and she'll pay soon. Before she can ruin another man's life. **Finding Carly is the 5th book in the SEAL Team Hawaii Series. Each book is a stand-alone, with no cliffhanger endings. --- Read what others are saying about New York Times bestselling author, Susan Stoker: “I will read anything Susan Stoker puts out...because I know it's going to be amazing!” Riley Edwards- USAT Bestselling author “Susan Stoker never disappoints. She delivers alpha males with heart and heroines with moxie.” Jana Aston, NYT Bestselling Author No one does military romance like Susan Stoker!” Corinne Michaels, NYT Bestselling Author “Susan Stoker knows what

women want. A hot hero who needs to save a damsel in distress...even if she can save herself!” CD Reiss, NYT Bestselling Author “When you pick up a Susan Stoker book you know exactly what you're going to get...a hot alpha hero and a smart, sassy heroine. I can't get enough!” Jessica Hawkins, USAT Bestselling Author “I love reading about men in uniform and Susan always delivers...the full package!” Kayti McGee “Susan writes the perfect blend of tough, alpha heroes and strong yet vulnerable heroines. I always feel emotionally satisfied at the end of one of her stories!” Meghan March, NYT Bestselling Author “One thing I love about Susan Stoker's books is that she knows how to deliver a perfect HEA while still making sure the villain gets what he/she deserves!” T.M. Honest Love Love & Honor Military Romance Series Book 2 - Shawna Leady 2020-08-11

Marriage is a battle, it's even more of a battle when you're fighting a war. In the Love & Honor series, four married couples navigate the ever-changing circumstances of military life while doing their best to keep their marriages afloat. Paige and Adrian, a couple who married in the late teen years, struggle with infertility and wonder if what they have in each other is enough. Paige's best friend, Olivia, handles responsibilities of new motherhood while her husband, C.J., is on the battlefield. Jen's husband's fight with PTSD has driven a wedge between them, and while she feels guilty for wanting to escape, she can't help but acknowledge their ever-growing distance. And Terry, the altruistic sergeant's wife, drops nuggets of wisdom along with bombs of that no one would have expected. Military life carries challenges, both known and unknown, to those outside the ranks. Who will fall divided, and who will come out victorious in both love and honor?

The Military Marriage Manual - Janelle B. Moore 2010-09-16

At a time when divorce and suicide rates are at record levels in the military, *The Military Marriage Manual: Tactics for Successful Relationships* is an invaluable aid to members of the military and their spouses and families. The book presents advice for couples on a range of issues, both extraordinary and mundane, both those specific to military marriages and those common to all marriages. There is no better, more comprehensive resource for those who are dealing with the pressures and problems unique to marriage in the military.

How to Make Your Long-Distance Relationship Work and Flourish - Tamsen Butler 2014

Relationships are tough, and putting states or even oceans between two people does not make things any easier. Although some long-distance relationships won't work, that doesn't mean you can't make yours successful and fulfilling. This guide will give your relationship the chance it deserves. You will learn how to establish the terms of your relationship, including how to know if you are ready to make this commitment, when to schedule phone calls, and how often you should visit. You will discover the essential relationship-building skills you need, including open communication, realistic expectations, and balanced emotional and physical intimacy. You will learn the best ways to share travel costs and what to do when visiting in order to make the most out of your limited time together. Long-distance relationships cannot be compared to other relationships, and this book gives couples who are living apart dozens of tips to keep that special spark alive.--From publisher description.

Social Work Practice in the Military - James G. Daley 1999

Provides military social workers, military scholars, and civilian social workers with an overview of diverse practice settings as well as the history and future of military social work practice to give readers an understanding of the military persona as an ethnic identity. Offers in-depth coverage of issues such as family violence, substance abuse, combat settings, and managed care's impact on the military. Daley teaches social work at Southwest Missouri State University. Annotation copyrighted by Book News, Inc., Portland, OR

Advances in Social Work Practice with the Military - Joan Beder 2012-05-23

With the United States' involvement in numerous combat operations overseas, the need for civilian social workers with the clinical skills necessary to work with members of the military returning from combat, as well as their families, has never been more critical. In this practical and important book, each chapter is written by specialists in a particular area devoted to the care of service members and includes case material to demonstrate assessment and intervention approaches. The reader is introduced to the world of the military and the subsequent development of mental health services for returning men and women. Chapters look at special populations of service members with specific needs based directly on their experience in the military, discussing post-traumatic stress disorder, traumatic brain injury, sexual harassment and assault during their service, and the physiology of the war zone experience. The challenges faced by reintegrating service men and women are explored in detail and include family issues, suicide, and substance use disorders. A section on services available to returning service members looks at those offered by the Veterans Administration and at the use of animal-assisted interventions. The book concludes with a section devoted to unique concerns for the practitioner and explores ethical concerns they may face

and their own needs as clinicians working with this population.

Military Spouse Journey - Kathie Hightower 2013-09-01

Military spouses: Craft your best life possible! "... This great resource is full of practical advice as well as real-world examples that will empower spouses to have a life of their own while supporting their partners in the military lifestyle ..."—Ellie Kay, author, military spouse, and CEO of Heroes at Home The unique components of military life can make it challenging for military spouses to pursue careers and other personal dreams. This encouraging book, written by two experienced military spouses, shares lessons learned, success stories of fellow military spouses, life exploration exercises, and research-based ideas that can be applied to any stage of life's journey. Although this book shares examples specific to military life, the information and approach can be used by anyone to pursue your life dreams. Ready to follow your dreams? This book will help you: • Learn five keys to happiness you can apply every day, anywhere. • Explore your passions, strengths, and goals. • Discover possibilities for the life you want to live. • Create an action plan to move forward, even when you think it's impossible. • Build valuable friendships and support systems along the way. • Enjoy the journey! Situation in Indochina - United States. Congress. House. Committee on Foreign Affairs 1973

Civil-military Relationship Now and Then - Brig.S.D.Lal 2023-01-01

The term "civil-military relations" refers to the role of the armed forces in a society. It is not, perhaps, a happy phrase. It implies that the relations between the military and the civilian population are like labor-management relations, legislative-executive relations, or Soviet-American relations, where two concrete, organized groups with real conflicting interests contend and bargain with each other. It thus suggests a basic dichotomy and opposition between the civilian and the military viewpoints. Civil-military relations describes the relationship between civil society as a whole and the military organization or organizations established to protect it. More narrowly, it describes the relationship between the civil authority of a given society and its military authority. Studies of civil-military relations often rest on a normative assumption that civilian control of the military is preferable to military control of the state. The principal problem they examine, however, is empirical: to explain how civilian control over the military is established and maintained
