

How Do You Get Rid Of A Female Mustache

I Know I Am, But What Are You? - Samantha Bee 2011-02-08

A Daily Show correspondent turns her unique wit on herself, discussing what it was like to be raised by a Wiccan mother, her parents' uncomfortable sex talks, all the strange jobs she had on the road to The Daily Show and much more.

Jeeves and the Feudal Spirit - P.G. Wodehouse 2009-03-26

A Jeeves and Wooster novel The beefy 'Stilton' Cheesewright has drawn Bertie Wooster as red-hot favourite in the Drones club annual darts tournament - which is lucky for Bertie because otherwise Stilton would have beaten him to a pulp and buttered the lawn with him. Stilton does not, after all like men who he thinks are trifling with his fiancée's affections. Meanwhile Bertie has committed a more heinous offence by growing a moustache, and Jeeves strongly disapproves - which is unfortunate, because Jeeves's feudal spirit is desperately needed. Bertie's Aunt Dahlia is trying to sell her magazine Milady's Boudoir to the Trotter Empire and still keep her amazing chef Anatole out of Lady Trotter's clutches. And Bertie? Bertie simply has to try to hold onto his moustache and hope he gets to the end in one piece.

The Secret Female Hormone - Kathy C. Maupin, M.D. 2014-03-03

"The Secret Female Hormone is a must read for women today! Hormones should always be evaluated in unity, and testosterone is almost always overlooked. The authors tell the truth about how hormone imbalances truly affect women - not only their energy, their vitality and their libido but also their family relationships and self-esteem. This book will be a resource for women for years to come!" - Marcelle Pick, author of *Is It Me or My Hormones?* and *The Core Balance Diet* Leading experts show why testosterone hormone imbalance could be the vital connecting factor in a wide variety of health issues for women in midlife. You know the experiences all too well. You can't sleep, so you start your day feeling exhausted. Seemingly overnight, you can't remember names, places, appointments—things you could previously recite at the drop of a hat. You want to be more active, but you have zero energy for that. And sex? Forget it! By now, you've probably been told this is "normal," or that it's the "natural" course of aging. And you might even believe it, because so many women approaching midlife have the exact same symptoms. In fact, millions of women worldwide are undiagnosed and untreated for hormone imbalance deficiency. As one of the country's leading experts on hormonal balance—and as a woman who experienced these symptoms herself—Dr. Kathy Maupin has identified a debilitating and overlooked health condition: testosterone deficiency syndrome, or TDS. Most people associate testosterone with men, but it's one of the most vital hormones in women, and one of the first hormones that women begin to lose as they enter their 40s. And Dr. Maupin's own research has shown that the symptoms of aging—fatigue, memory loss, moodiness, low libido, and so much more—are initiated and accelerated by testosterone loss. In this book, Dr. Maupin and therapist Brett Newcomb show how testosterone replacement can radically improve your life. They share the history and background of hormone replacement therapy, the latest research on treatment options, as well as:

- Tips for dealing with mood swings, changes in sex drive, and maintaining healthy relationships
- Surprising information on the long-term effects and health risks of testosterone loss
- Common myths and misconceptions regarding estrogen and testosterone replacement therapy
- Questionnaires to help you determine your individual hormone deficiencies
- Real stories and personal experiences

Dr. Maupin's patients share clear, practical, and easy-to-use, this authoritative guide sheds light on the importance of testosterone and will help you reclaim your physical, mental, emotional, and spiritual health.

The Care & Keeping of You - Valorie Lee Schaefer 2013-02-26

For use in schools and libraries only. An updated edition of a best-selling reference for younger adolescents shares practical, expert advice on topics ranging from hair care and healthy eating to menstruation and acne.

The Everything Fertility Book - Nicole Galan 2010-12-18

Infertility can be a frustrating and heartbreaking disorder compounded by complicated treatments and so-called miracle cures on the market. But couples who have trouble conceiving need all their options laid out in one convenient guide. In this book, you'll find the medical and holistic information you need to conceive and bear a happy, healthy child, such as: Side effects of the latest fertility drugs Yoga poses that aid fertility What to expect when seeing a fertility expert Birth rates associated with various treatments Coping methods for dealing with loss With this authoritative and friendly guide, getting pregnant doesn't have to be a stressful process. Armed with knowledge and reassurance, you will be ready to make the choices that work best for you and start you family, today.

Laxmi's Mooch - Shelly Anand 2021-03-02

A joyful, body-positive picture book about a young Indian American girl's journey to accept her body hair and celebrate her heritage after being teased about her mustache. Laxmi never paid much attention to the tiny hairs above her lip. But one day while playing farm animals at recess, her friends point out that her whiskers would make her the perfect cat. She starts to notice body hair all over--on her arms, legs, and even between her eyebrows. With her parents' help, Laxmi learns that hair isn't just for heads, but that it grows everywhere, regardless of gender. Featuring affirming text by Shelly Anand and exuberant, endearing illustrations by Nabi H. Ali, *Laxmi's Mooch* is a celebration of our bodies and our body hair, in whichever way they grow.

God Has Your B.A.Q. - Mark Hamric 2013-12

Have you ever taken the time to ask God some important questions about life or personal matters, or just asked for a little help in understanding the Bible? These are real questions from people of all walks of life; some of these questions are of a serious nature, and some are challenges to faith. I believe God has helped me to answer them from a biblical perspective. My own rocky walk through this valley of the shadow of death has taught me many things. Even as a Christian who has learned to rely on God, I still have my challenges; however, I can say with some confidence that the Lord is indeed my shepherd, and the answers I provide in this book come from that experience. My hope is that you will be awakened to deeper things and greater understanding of the God who loves you. Some topics of interest: Studying and Comprehending the Bible Prayer Morality Christianity Jesus Church Theology Other Religions Spiritual Gifts and the Supernatural Science and the Bible Sex, Marriage, and Relationships

Estrogen's Storm Season - Jerilynn C. Prior 2017

"This fiction book begins as eight frustrated midlife women-from all walks of life-meet Dr. Kailey Madrona, a woman specialist. All are in perimenopause, the long and chaotic transition to menopause. They are as different as women can be-yet they share the mysterious experiences of perimenopause, night sweats, flooding periods or mood swings. We follow these women as they consult Dr. Madrona, learn the surprising hormonal changes explaining their symptoms, get better or worse, and try or refuse therapies. As each woman lives through her particular challenge, we begin to see how we, too, can survive perimenopause! Dr. Jerilynn Prior tells the story of women in perimenopause through a unique blend of storytelling and scientific fact."--

Fake Mustache - Tom Angleberger 2012-04-01

Award-winning author Tom Angleberger flexes his comic muscle in this hairy adventure story with twists at every turn. Regular kid Lenny Flem Jr. is the only one standing between his evil-genius best friend—Casper, a master of disguise and hypnosis—and world domination. It all begins when Casper spends money from his granny on a spectacularly convincing fake mustache, the Heidelberg Handlebar #7. With it he's able rob banks, amass a vast fortune, and run for president. Is Lenny the only one who can see through his disguise? And will he be able to stop Casper from taking over the world? Praise for Fake Mustache "There's no twist too goofy or absurd as Angleberger pulls out all the stops for this unabashedly silly story."—Publishers

Weekly "Angleberger's foot-on-the-floor zaniness helps pull it off, fueled by a steady stream of gags and utter ridiculousness that make Saturday-morning cartoons seem reasonable in comparison. Pure, unfiltered hilarity." —Booklist "The 2012 campaign season just got a little hairier. Kids will delight in the various ways in which Casper exploits his power over grownups." —The Bulletin of the Center for Children's Books "Appropriately goofy." —The Horn Book "Angleberger severs all ties with sanity in his latest farce for preteens with hilarious results. There's plenty of action and goofiness. Fans of Angleberger's previous efforts won't be disappointed. Total deadpan lunacy." —Kirkus Reviews "This is a cute, although improbable, story about two best friends, Lenny and Casper, who live in the small town of Hairsprinkle.. Jodie brings many positive traits of a strong, female hero." —Library Media Connection

Firewife - Tinling Choong 2008-04-08

An original, courageous novel, *FireWife* draws on the powerful Chinese myth of fire and water to explore how women's sexuality and fate are intertwined. Nin, a photographer, embarks on a five-month journey to photograph women around the world. Her travel turns into a search for the truth about women: the women of fire and the women of water. Each of her subjects' lives echoes a stage in Nin's discovery of her true "fire self." *FireWife* illuminates the gap between merely knowing and actually living one's true self. Poetic and intensely moving, *FireWife* is an exploration of contemporary Asian women unknowingly connected over time.

Of Beards and Men - Christopher Oldstone-Moore 2015-12-02

Beards—they're all the rage these days. Take a look around: from hip urbanites to rustic outdoorsmen, well-groomed metrosexuals to post-season hockey players, facial hair is everywhere. The New York Times traces this hairy trend to Big Apple hipsters circa 2005 and reports that today some New Yorkers pay thousands of dollars for facial hair transplants to disguise patchy, juvenile beards. And in 2014, blogger Nicki Daniels excoriated bearded hipsters for turning a symbol of manliness and power into a flimsy fashion statement. The beard, she said, has turned into the padded bra of masculinity. *Of Beards and Men* makes the case that today's bearded renaissance is part of a centuries-long cycle in which facial hairstyles have varied in response to changing ideals of masculinity. Christopher Oldstone-Moore explains that the clean-shaven face has been the default style throughout Western history—see Alexander the Great's beardless face, for example, as the Greek heroic ideal. But the primacy of razors has been challenged over the years by four great bearded movements, beginning with Hadrian in the second century and stretching to today's bristled resurgence. The clean-shaven face today, Oldstone-Moore says, has come to signify a virtuous and sociable man, whereas the beard marks someone as self-reliant and unconventional. History, then, has established specific meanings for facial hair, which both inspire and constrain a man's choices in how he presents himself to the world. This fascinating and erudite history of facial hair cracks the masculine hair code, shedding light on the choices men make as they shape the hair on their faces. Oldstone-Moore adeptly lays to rest common misperceptions about beards and vividly illustrates the connection between grooming, identity, culture, and masculinity. To a surprising degree, we find, the history of men is written on their faces.

Hiroshima - John Hersey 2019-06-05

Pulitzer Prize-winning journalist and bestselling author John Hersey's seminal work of narrative nonfiction which has defined the way we think about nuclear warfare. "One of the great classics of the war" (The New Republic) that tells what happened in Hiroshima during World War II through the memories of the survivors of the first atomic bomb ever dropped on a city. "The perspective [Hiroshima] offers from the bomb's actual victims is the mandatory counterpart to any Oppenheimer viewing." —GQ Magazine "Nothing can be said about this book that can equal what the book has to say. It speaks for itself, and in an unforgettable way, for humanity." —The New York Times *Hiroshima* is the story of six human beings who lived through the greatest single manmade disaster in history. John Hersey tells what these six -- a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a German Catholic priest -- were doing at 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city. Then he follows the course of their lives hour by hour, day by day. The New Yorker of August 31, 1946, devoted all its space to this story. The immediate repercussions were vast: newspapers here and abroad reprinted it; during evening half-hours it was read over the network of the American

Broadcasting Company; leading editorials were devoted to it in uncounted newspapers. Almost four decades after the original publication of this celebrated book John Hersey went back to Hiroshima in search of the people whose stories he had told. His account of what he discovered about them -- the variety of ways in which they responded to the past and went on with their lives -- is now the eloquent and moving final chapter of *Hiroshima*.

Plucked - Rebecca M. Herzig 2016-11

"From using clamshell razors and homemade lye depilatories in the colonial era to using diode lasers and prescription pharmaceuticals in the twenty-first century, Americans have gone to great lengths to remove body hair deemed unsightly, unattractive, or unhealthy. In *Plucked*, Rebecca M. Herzig examines both the causes and consequences of routine hair removal in the U.S. *Plucked* illuminates some of the broad social and environmental effects of seemingly 'personal' choices: widespread experimentation on animals, exploitation of workers, exacerbation of racial divisions, and more. An engrossing, multidimensional history of cultural attitudes toward body hair and the increasingly sophisticated tools used to remove it, *Plucked* reveals the complex political significance of even the most mundane activities of modern life."--Back cover. Faces around the World - Margo DeMello 2012-02-14

This book provides a comprehensive examination of the human face, providing fascinating information from biological, cultural, and social perspectives. Our faces identify who we are—not only what we look like and what ethnicities we belong to, but they can also identify what religions we practice and what personal ideologies we have. This one-of-a-kind A-Z reference explores the ways we change, beautify, and adorn our faces to create our personalities and identities. In addition to covering the basics such as the anatomical structure and function of parts of the human face, the entries examine how the face is viewed around the world, allowing students to easily draw connections and differences between various cultures around the world. Readers will learn about a wide variety of topics, including identity in different cultures; religious beliefs; folklore; extreme beautification; the "evil eye;" scarification; facial piercing and facial tattooing masks; social views about beauty including cosmetic surgery and makeup; how gender, class and sexuality play a role in our understanding of the face; and skin, eye, mouth, nose, and ear diseases and disorders. This encyclopedia is ideal for high school and undergraduate students studying anthropology, anatomy, gender, religion, and world cultures.

The Sweet Life - Dulce Candy Ruiz 2015-08-04

The YouTube star and beauty guru shares her hard-won lessons on success, style, and finding the sweetness in all aspects of your life. Since posting her first makeup tutorial in 2008, Dulce Candy has become one of the top beauty stars on YouTube, boasting more than 2 million subscribers and garnering hundreds of millions of views of her bright and energetic videos. But before she became a style icon and a role model to millions of young women, Dulce struggled to make her way in the world. Having emigrated with her family from Mexico to the United States when she was six years old, Dulce battled depression and low self-esteem as a teenager and eventually enlisted in the army in an attempt to turn her life around. It was here, on the battlefields of Iraq, that she finally uncovered and embraced her true passion—fashion and beauty—and gained the confidence to move on from her past, follow her dream, and launch what would become her wildly successful brand. *The Sweet Life* chronicles Dulce Candy's inspiring story, showing that anyone can be successful no matter their background and sharing the hard-won lessons that helped transform her from a shy, self-doubting teenager into a confident business woman and beauty expert. According to Dulce, you can't live the sweet life until you accept who you are—flaws and all—and take chances—knowing that failure is just a part of learning and fear is a sign that you're trying something new and exciting. Drawing on anecdotes from her own life and career, Dulce offers advice on building a personal brand ("Know what makes you different"), building confidence ("Fake it till you make it") and balancing the personal and the professional ("Don't settle when you settle down"). She also emphasizes the importance of both inner and outer beauty, encouraging women to love themselves, ignore the critics, and flaunt their own original style. Part memoir, part manifesto, *The Sweet Life* is a fun, inspirational guide for any woman who wants to find success and happiness without compromising who she is.

One Thousand Beards - Allan Peterkin 2001

Every man has the capacity to grow facial hair, but the decision to do so has always come with layers of

meaning. Facial hair has traditionally marked a passage into manhood, but its manifestations have been determined by class, religion, history and occupational status. In the end, the act of displaying facial hair is still regarded as a form of ultimate cool. With wit and insight, *One Thousand Beards* delves into the historical, contemporary and cultural meaning of facial hair in all of its forms, complete with numerous photographs and illustrations.

Crimes Committed by Terrorist Groups - Mark S. Hamm 2011-01

This is a print on demand edition of a hard to find publication. Examines terrorists' involvement in a variety of crimes ranging from motor vehicle violations, immigration fraud, and mfg. illegal firearms to counterfeiting, armed bank robbery, and smuggling weapons of mass destruction. There are 3 parts: (1) Compares the criminality of internat. jihad groups with domestic right-wing groups. (2) Six case studies of crimes includes trial transcripts, official reports, previous scholarship, and interviews with law enforce. officials and former terrorists are used to explore skills that made crimes possible; or events and lack of skill that the prevented crimes. Includes brief bio. of the terrorists along with descriptions of their org., strategies, and plots. (3) Analysis of the themes in closing arguments of the transcripts in Part 2. Illus.

Electrolysis, Thermolysis, and the Blend - Arthur Ralph Hinkel 1968

Karma Khullar's Mustache - Kristi Wientge 2017-08-15

Debut author Wientge tackles the uncomfortable--but all too relatable--subject of female body hair and self-esteem with this sweet and charming novel in the tradition of Judy Blume.

Beards and Texts - Sebastian Coxon 2021-09-08

Beards and Texts explores the literary portrayal of beards in medieval German texts from the mid-twelfth to the early sixteenth centuries. It argues that as the pre-eminent symbol for masculinity the beard played a distinctive role throughout the Middle Ages in literary discussions of such major themes as majesty and humanity. At the same time beards served as an important point of reference in didactic poetry concerned with wisdom, teaching and learning, and in comedic texts that were designed to make their audiences laugh, not least by submitting various figure-types to the indignity of having their beards manhandled. Four main chapters each offer a reading of a work or poetic tradition of particular significance (Pfaffe Konrad's *Rolandslied*; Wolfram von Eschenbach's *Willehalm*; 'Sangspruchdichtung'; Heinrich Wittenwiler's *Ring*), before examining cognate material of various kinds, including sources or later versions of the same story, manuscript variants and miniatures and further relevant beard-motifs from the same period. The book concludes by reviewing the portrayal of Jesus in vernacular German literature, which represents a special test-case in the literary history of beards. As the first study of its kind in medieval German studies, this investigation submits beard-motifs to sustained and detailed analysis in order to shed light both on medieval poetic techniques and the normative construction of masculinity in a wide range of literary genres.
