*Get Out of Your Mind and Into Your Life* - Steven Hayes 2009-09

Acceptance and Commitment Therapy (ACT) is a new approach to psychotherapy that rethinks even the most basic assumptions of mental well-being. Starting with the assumption that the normal condition of human existence is suffering and struggle, ACT works by first encouraging individuals to accept their lives as they are in the here and now.

Brinkman's cumulatieve catalogus van Boeken - 1986

**Developmental Psychopathology, Volume 2** - Dante Cicchetti 2006-03-31

Developmental Psychopathology, Second Edition, contains in three volumes the most complete and current research on every aspect of developmental psychopathology. This seminal reference work features contributions from national and international expert researchers and clinicians who bring together an array of interdisciplinary work to ascertain how multiple levels of analysis may influence individual differences, the continuity or discontinuity of patterns and the pathways by which the same developmental outcomes may be achieved. This volume addresses theoretical perspectives and methodological.

**Gewaagd en sexy** - Jan de Jager 1984

**Bolen, Godinnen in de ouder wordende vrouw, 2e dr.** - Jean Shinoda Bolen 2002

Beschrijving van de typerende karaktertrekken van godinnen, die specifiek zijn voor de psyche van de ouder wordende vrouw.

**The Oxytocin Factor** - Kerstin Uvnäs Moberg 2011-01-01

Swedish medical doctor and physiologist Moberg persuades readers to cultivate the pleasurable moments of life-when our bodies produce the hormone oxytocin, the ready-made healing nectar she asserts is responsible for inducing peace, growth and bonding. As the ying to the better-known yang adrenaline, which triggers feelings of stress and defense, oxytocin increases social memory (like a mother's recognition of her child), she says, inspires serenity, spurs physical growth and healing, lowers blood pressure and regulates digestion. In simple, flowing prose Moberg argues that both hormones are equally necessary parts of a balanced, healthy physiological system. She explains how oxytocin works to inspire calm and connection, and explores the various physical and mental routes to activate it. While Moberg admits that her assumptions are largely based on piecemeal evidence from experiments and observations of animals and humans, she provides a clear, lay introduction to a little-known hormone and a convincing case for further studies.

*Repertorium van werken, in Vlaanderen uitgegeven, of door monopoliehouders ingevoerd* - Vereniging ter Bevordering van het Vlaamse Boekwezen 1984

**Wild Will** - Ingrid Schubert 1993

After hearing the grouchy retired pirate Wild Will tell stories about treasure and the monsters he has fought, Frank gets the idea of accompanying Will on a return to the sea.

The Eighth Life - Nino Haratischvili 2019-10-01  
AN OBSERVER BOOK OF THE YEAR 'That night Stasia took an oath, swearing to learn the recipe by heart and destroy the paper. And when she was lying in her bed again, recalling the taste with all her senses, she was sure that this secret recipe could heal wounds, avert catastrophes, and bring people happiness. But she was wrong.'

At the start of the twentieth century, on the edge of the Russian Empire, a family prospers. It owes its success to a delicious chocolate recipe, passed down the generations with great solemnity and caution. A caution which is justified: this is a recipe for ecstasy that carries a very bitter aftertaste ... Stasia learns it from her Georgian father and takes it north, following her new husband, Simon, to his posting at the centre of the Russian Revolution in St Petersburg. Stasia's is only the first in a symphony of grand but all too often doomed romances that swirl from sweet to sour in this epic tale of the red century. Tumbling down the years, and across vast expanses of longing and loss, generation after generation of this compelling family hears echoes and sees reflections. Great characters and greater relationships come and go and come again; the world shakes, and shakes some more, and the reader rejoices to have found at last one of those glorious old books in which you can live and learn, be lost and found, and make indelible new friends.

**Happily Ever After (Cinder & Ella #2)** - Kelly Oram 2017-04-11

The end of one story is often the beginning of another. Hollywood heartthrob Brian Oliver and his Cinderella princess Ellamara Rodriguez have finally found love outside the digital world. But leaving their anonymity behind creates a whole new set of obstacles for the nation's new favorite sweethearts. With the stress of Brian's fame and the pressures of a new relationship weighing down on them, the It Couple quickly begins to wonder if they can hold on to their newfound joy, or if maybe happily ever after is only a fairy tale.

**Superrijk & sexy** - Kim Lawrence 2022-09-13  
Deze machtige mannen zijn rijk, arrogant en véél te sexy... Inderdaad, het is Libby's schuld dat de cabriolet van Quinto Alejandro in de prak ligt, maar het gaat wel erg ver dat hij meteen eist dat ze om het goed te maken zijn stagiaire wordt! Het liefst zou ze weigeren, ware het niet dat hij belooft haar familie van de ondergang te redden als ze toezegt. Dus moet ze nu met de arrogante tycoon samenwerken. Gelukkig is hij best behoorlijk sexy... Eerst zorgt Cesare Urquart ervoor dat Anna haar droombaan misloopt, en nu moet ze met hem onder één dak wonen! Ongelooflijk dat ze voor het

zomerbaantje dat ze nog net wist te regelen juist in z'n kasteel moet logeren. Kan ze het verdragen zo dicht bij een man te zijn aan wie ze een hartgrondige hekel heeft, maar die haar met één blik doet smelten? Vroeger was Lily stiekem verliefd op de knappe, rijke Benedict Warrander. Zij woonde in het koetshuisje, hij in het grote huis op het landgoed. Natuurlijk zag hij haar totaal niet staan. Vele jaren later komt ze hem onverwacht tegen, en nu merkt hij haar wel degelijk op. Ze beleven zelfs een nacht vol passie. Niet veel later ontdekt ze tot haar afschuw dat hij verloofd is! Deze verhalen zijn eerder verschenen.

**Bonita Avenue** - Peter Buwalda 2014-04-10  
A darkly hilarious tale of a model family's disintegration. Professor Siem Sigerius - maths genius, jazz lover, judo champion, Renaissance man. When Aaron meets his girlfriend Joni's family for the first time, her multitalented father could hardly be a more intimidating figure, but somehow the underachieving photographer manages to bluff his way to a friendship with the paterfamilias. With his feet under the table at the beautiful Sigerius farmhouse, Aaron feels part of the family. A perfect family. Until, that is, things start to go wrong in a very big way. A cataclysmic explosion in a firework factory, the advent of internet pornography, the reappearance of a forgotten murderer and a jet-black wig-all play a role in the spectacular fragmentation of the Sigerius clan... and of Aaron's fragile psyche. "Great European art: the Dutchman Peter Buwalda explodes the bourgeois family saga. The narrative pyrotechnics alone are a tour de force." Die Zeit "Peter Buwalda's impressive family saga is a genuine page-turner, with a forceful, precise style. The author races with unstoppable speed towards the finish, without getting entangled in the numerous gripping narrative strands, without even steering out of the curve." Libris-Prize Jury Report, 2011 "Buwalda's debut novel [is] daring in its linguistic power and freedom, and impressive, even frightening, in its psychological sharpness and precision ... great and outrageous." Frankfurter Rundschau  
*The 7th Function of Language* - Laurent Binet  
2017-05-04

'One of the funniest, most riotously inventive and enjoyable novels you'll read this year' - Observer

Roland Barthes is knocked down in a Paris street by a laundry van. It's February 1980 and he has just come from lunch with Francois Mitterrand. Barthes dies soon afterwards. History tells us it was an accident. But what if it were an assassination? What if Barthes was carrying a document of unbelievable, global importance? A document explaining the seventh function of language - an idea so powerful it gives whoever masters it the ability to convince anyone, in any situation, to do anything. Police Captain Jacques Bayard and his reluctant accomplice Simon Herzog set off on a chase that takes them from the corridors of power to backstreet saunas and midnight meetings. What they discover is a worldwide conspiracy involving the President, murderous Bulgarians and a secret international debating society.

**Vanuit mijn hart / druk 1** - Robin McGraw 2007

Aan de hand van voorbeelden uit haar eigen leven als vrouw van een bekende mediapersoonlijkheid benadrukt de schrijfster vanuit een christelijke levensvisie het belang van het maken van bewuste keuzes in een vrouwenleven.

**Painted Pony Creek** - Linda Lael Miller 2023-01-24

(1) HARTEN IN GALOP In Painted Pony Creek is het nooit te laat voor een tweede kans... Cord Hollister is een cowboy in hart en nieren. Hij kan zich geen beter en rustiger leven voorstellen dan dat op de ranch, onder de uitgestrekte hemel van Montana. Wanneer er een meisje in Painted Pony Creek arriveert met een schokkende mededeling, wordt zijn geordende bestaan flink overhoopgehaald. Ze lijkt sprekend op Reba, de vrouw die ooit zijn hart brak. En dan staat Shallie Fletcher, de vrouw wier hart hijzelf ooit brak, ook ineens weer voor zijn neus... Op de middelbare school was Shallie Fletcher stapelverliefd op Cord, maar hij had alleen oog voor haar beste vriendin, Reba. Nu ze terug is in Painted Pony Creek om een cursus paardentraining bij Cord te gaan volgen, is ze dan ook vastbesloten hem op een afstand te houden. Dat kon alleen nog weleens lastig worden, want het is overduidelijk dat hij haar na al die jaren ineens wél ziet staan! (2) OP EIGEN RISICO In Painted Pony Creek vind je precies wat je altijd al miste... Iets mist er in het leven

van Eli Garrett, maar wat? Hij houdt ervan om sheriff te zijn van Painted Pony Creek, dus zijn werk is het niet. Hij heeft al sinds zijn jeugd twee beste vrienden, dus dat is het óók niet. Maar al vanaf het moment dat zijn maatje Cord getrouwd is, heeft hij het knagende vermoeden dat hij ook wil wat Cord heeft. Toevallig heeft hij al een prachtige vrouw op het oog: zijn jeugdliefde, Brynne Bailey. Brynne is warm, temperamentvol en energiek, en Eli voelt zich op zijn best wanneer hij bij haar in de buurt is. Desondanks heeft hij het sterke gevoel dat ze iets voor hem verbergt, en hij is vastbesloten dat tot op de bodem uit te zoeken... (3) EEN ONVERWACHTE VONK In Painted Pony Creek is de liefde dichterbij dan je denkt... Rancher J.P. McCall kent Sara Worth al zijn hele leven. Vroeger speelden ze altijd samen - hij leerde haar zelfs dansen voor het schoolbal - maar verder had hij geen belangstelling voor de zus van zijn beste vriend. Nu ze na jaren weer in zijn leven komt, ziet hij haar in een compleet ander licht. Nooit eerder wilde hij zich aan iemand binden, maar nu voelt hij zich ineens enorm aangetrokken tot de mooie schrijfster - die geen kans om hem uit te dagen uit de weg gaat! Dan duikt er iemand uit Sara's verleden op in Painted Pony Creek, die alles wat er tussen hen opbloeit in gevaar brengt. Wat kan J.P. doen om de vrouw te beschermen die bezig is zijn hart te stelen? Deze verhalen zijn ook los verkrijgbaar.

**Maestra** - LS Hilton 2016-03-10

READ THE CONTROVERSIAL THRILLER THAT SHOCKED THE WORLD THE NUMBER ONE BESTSELLER GLAMOUR'S WRITER OF THE YEAR By day Judith Rashleigh is a put-upon assistant at a London auction house. By night she's a hostess in one of the capital's unsavoury bars. Desperate to make something of herself, Judith knows she has to play the game. She's learned to dress, speak and act in the interests of men. She's learned to be a good girl. But after uncovering a dark secret at the heart of the art world, Judith is fired and her dreams of a better life are torn apart. So she turns to a long-neglected friend. A friend that kept her chin up and back straight through every past slight. A friend that a good girl like her shouldn't have: Rage. Fatal attraction meets The Talented Mr Ripley in this darkly decadent thriller, soon to be a major Hollywood film, that asks: Where do you

go when you've gone too far?

**The Convert** - Stefan Hertmans 2019-06-13

A brilliant reconstruction of an incredible journey across medieval Europe to Egypt, and an untold story of forbidden love. 'Enthralling... A spectacular tale told with spectacular accomplishment' Sunday Times, Books of the Year In the small village in Provence where Stefan Hertmans has made his home, people have long spoken of an ancient pogrom and hidden treasure. Then, at the end of the nineteenth century, an extraordinary collection of Jewish documents was found in a synagogue in Cairo. Hertmans has based *The Convert* on these historical sources, tracing the life of a young Christian noblewoman who abandoned everything for the love of a rabbi's son. In this startlingly contemporary novel, Hertmans follows in her footsteps as the lovers flee through France together, pursued by crusading knights, and recounts her dazzling journey full of love and hardship, courage and hate, as she

travels on towards Jerusalem alone. Jewish National Book Awards 2020 Finalist

**Aristotle's Physics Book I** - Diana Quarantotto 2018-01-11

This book provides a comprehensive and in-depth study of *Physics I*, the first book of Aristotle's foundational treatise on natural philosophy. While the text has inspired a rich scholarly literature, this is the first volume devoted solely to it to have been published for many years, and it includes a new translation of the Greek text. Book I introduces Aristotle's approach to topics such as matter and form, and discusses the fundamental problems of the study of natural science, examining the theories of previous thinkers including Parmenides. Leading experts provide fresh interpretations of key passages and raise new problems. The volume will appeal to scholars and students of ancient philosophy as well as to specialists working in the fields of philosophy and the history of science.
